

We Are Coming Along.

North Carolina is making rapid strides in moral sentiment. If a man sells a pint of liquor he goes to the chain-gang. If he kills a man he pleads self-defense, "unwritten law," "brain storm" or insanity, is acquitted by friends. If he breaks down a jail door and helps to lynch a man, under cover of darkness, he is called the bravest of the brave. Yes, we are progressing by leaps and bounds. —Marshville Our Home.

A Valuable Lesson.

"Six years ago I learned a valuable lesson," writes John Pleasant, of Magnolia, Ind. "I then began taking Dr. King's New Life Pills, and the longer I take them the better I find them." They please everybody, Guaranteed at all Druggists. 25c.

An army paymaster is said to have lost his life as the result of handling money, and yet the world will be a good deal older when creditors demand that money must be sterilized before they accept it for debt.—Cleveland Plain Dealer.

Rising From the Grave.

A prominent manufacturer, Wm. A. Fertwell, of Lucama, N. C., relates a most remarkable experience. He says: "After taking less than three bottles of Electric Bitters, I feel like one rising from the grave. My trouble is Bright's disease, in the Diabetes stage. I fully believe Electric Bitters will cure me permanently, for it has already stopped the liver and bladder complications which have troubled me for years." Guaranteed at all Druggists. Price only 50 cents.

RHEUMACIDE goes right to the seat of the trouble and cures permanently because it removes the cause of disease. Rheumatism is an internal disease. Rubbing will not cure it. But RHEUMACIDE cures after all others fail, because it "GETS AT THE JOINTS FROM THE INSIDE."

Rheumacide

CURES RHEUMATISM TO STAY CURED.

Cured After 16 Years.

1301 James St., Baltimore, Dec. 10th. For 16 years I have suffered terribly with rheumatism. No one knows how much pain and torture I have endured during that time. I was treated by leading physicians in this city, but got no relief. Long since I despaired of ever being well again. But hearing of RHEUMACIDE, I decided to give it a trial. I have taken two bottles, and, thanks to this wonderful medicine, I now feel that I have gotten a "new lease on life." It has done so much for me that I cannot say enough in its praise. Practically every vestige of the disease has been driven from my system.

MRS. LAURA D. GARDNER.

Rheumacide has cured thousands of cases of Rheumatism after all other means and noted physicians had failed. Sample bottle and booklet free if you send 5c. for postage. BOBBITT CHEMICAL CO. BALTIMORE.

You will be satisfied, and so will the buyer of your tobacco if you improve the quality and increase the weight of your tobacco by using 500 to 800 lbs. of

Virginia-Carolina Fertilizer

per acre, ten days before planting. These fertilizers give an early start to the plant, which very soon grows large enough to withstand the ravages of insects. Soils that under ordinary conditions would make a yield of poor, papery tobacco, lacking in gummy or oily matters, will produce a very high type of tobacco by liberally using these fertilizers.

Get from your dealer one of Virginia-Carolina Fertilizer free almanacs. Its a beauty, and full of information on farming.
