GOOD NEWS FOR RALEIGH.

Science at Last Discovers a Real Cure for Rheumatism.

After years of experiment a new scientific remedy has been found that not only relieves, but absolutely cures Rheumatism and kindred diseases, to stay cured. Rheumatism is caused by an excess of poisonous acids in the blood. The new discovery RHEUMACIDE, though purely vegetable, and acting through nature's channels, neutralizes these acids and sweeps all poisons and harmful germs out of the blood. At the same time it tones up the stomach and regulates the liver and kidneys. RHEUMACIDE, therefore, cures the disease permanently, because it removes the cause. It has cured hundreds of cases after the most noted doctors and hospitals have failed. RHEUMACIDE cured James Wilkes, of Dillon, S. C., after he had been held in bed by rheumatism for three years and his feet were drawn up almost to his back. This is only one of the many marvelous cures RHEUMACIDE has already performed. RHEUMACIDE is curing many cases of Rheumatism, Sciatica, Lumbago, Gout, Kidney Trouble, Indigestion, and Constipation, right in this community to-day.

Because it has cured so many others, we believe it will cure you. All the leading druggists in this place sell and recommend RHEUMACIDE.

The Raleigh Enterprise and the New York World, thrice-a-week edition, for only \$1.00 a whole year. Think of it!
