

A Liberal Offer.

Read the advertisement of the Bull Dog Suspender Company, of Boston, Mass., in this issue. The "Bull Dog" suspenders are the best made, have a fine appearance, and are manufactured of excellent material. They are the cheapest and best for the poor man as well as the rich. We have a couple of pair of them in our office and will show them to persons interested.

In offering to send these goods out by mail in neat boxes to persons who order them, at 50 cents a pair, the manufacturer helps to solve the question of Christmas presents at moderate prices. Any lady can purchase a pair or several pairs and give them to her husband, brother, cousin, or father, and they will be greatly appreciated as a Christmas present. Or any gentleman can buy one or several pairs of them and give them to his gentlemen friends. They are par excellence in that line of goods,—no question about that, and are worth a dollar per pair.

The editor of the Enterprise is interested in the sale and introduction of these excellent goods in Raleigh and vicinity and hopes that many of our readers will take advantage of the liberal offer to introduce them in this territory in that manner at this time. The offer will only last two weeks.

Raleigh to Have Patrol Wagon.

The city has ordered a fine patrol wagon and it will be used to haul drunks and other things to the station house. It will cost \$375.

The contract was let to John W. Evans Sons, of this city and that insures a good job. It will delivered in about two months.

This puts the finishing touch upon Raleigh as a city, except as to modern pavements.

Christmas Goods at Woolcott's.

Mr. Walter Woolcott is getting in a fine lot of Christmas goods every day and will be able to please all customers. He will have a fine lot of toys and goods for the children. His store is a popular trading place.

Fire at Fayetteville.

A wholesale grocery firm, the Martin, McKeithan Company, was burned out at Fayetteville Sunday. Loss probably, \$5,000. The loss is covered by insurance.

GOOD NEWS FOR RALEIGH.

Science at Last Discovers a Real Cure for Rheumatism.

After years of experiment a new scientific remedy has been found that not only relieves, but absolutely cures Rheumatism and kindred diseases, to stay cured. Rheumatism is caused by an excess of poisonous acids in the blood. The new discovery RHEUMACIDE, though purely vegetable, and acting through nature's channels, neutralizes these acids and sweeps all poisons and harmful germs out of the blood. At the same time it tones up the stomach and regulates the liver and kidneys. RHEUMACIDE, therefore, cures the disease permanently, because it removes the cause. It has cured hundreds of cases after the most noted doctors and hospitals have failed. RHEUMACIDE cured James Wilkes, of Dillon, S. C., after he had been held in bed by rheumatism for three years and his feet were drawn up almost to his back. This is only one of the many marvelous cures RHEUMACIDE has already performed. RHEUMACIDE is curing many cases of Rheumatism, Sciatica, Lumbago, Gout, Kidney Trouble, Indigestion, and Constipation, right in this community to-day.

Because it has cured so many others, we believe it will cure you. All the leading druggists in this place sell and recommend RHEUMACIDE.
