Well it snowed—The boys can tell you the rest.

Herbert and Herschel Thompson have purchased from Charley Williams the house and lot in the neighborhood of Luther Thompson and "Daddy" Slaughter.

Miss Elizabeth Burns has returned from a visit in Toledo, Ohio.

Doran Fisher, Roy Ward and Walter Thompson went to Spartanburg, Sunday.

The birthday party given for the benefit of the athletic association was well attended considering the fact that mother nature had spread a white carpet over the ground. The door receipts were \$26. Everyone who attended enjoyed the many attractive features of the entertainment. The climax of enjoyment was reached when the mammoth birthday cake was cut. A slice was presented to everyone present. Much jollification was manifested upon the findings of the buttons, thimble and ring.

The subject for discussion at the Christian Endeavor was how young people can improve Saluda. A great interest was manifested and many took part in the discussion.

Born to M. A. Pace and wife a son, January 15, 1921.

H. B. Lane and wife, are visiting relatives in Seffner, Fla.

Mrs. P. H. Bailey went to Spartanburg Monday.

Mrs. Grover Turner is improving after an attack of pneumonia.

Linwood Patterson went to Spartanburg Monday.

Visitors at The Seminary.

Rev. Fred L. Brownlee, newly elected secretary, of the American missionary association, and A. B. Holmes, supervising architect, of the association, spent the week-end at the seminary. Mr. Holmes inspected the newly installed plumbing in the boys' dormitory. The visitors were much pleased with the present management of Saluda Seminary.

Roads

Henderson county is preparing to build a road from the county line near Saluda to the Greenville highway. This road is to go by Mountain Page and will be about five miles in length. This will give Saluda a good auto road to Greenville.

Residents of Saluda and Green River cove are trying to get a road connecting Coopers Gap road with the Green River cove road. The men behind this mean business for the establishment of this road will improve conditions and business interests of all concerned.

Chess vs. Checkers.

Chess appeals to mature minds, and wood supplies most of the accoutrements with which it is played. Some of the best are of ebony and boxwood, but very satisfactory games may be played with yellow poplar, bass wood, walnut, maple and birch outfits, says the American Forestry Magazine. The same holds true on checkers, but that game usually is rated a little lower than chess in scientific points, though no less an authority than Edgar Allan Poe holds that as a mental exercise of the highest and purest sort checkers surpass chess.

Danger in Incandescent Lamps.

Evidence that the high-power incandescent lamps now so commonly used for street lighting may not be wholly innocent as a possible source of fire was observed in southern California recently, says Popular Mechanics Magazine. A bulb hanging 20 feet above the ground suddenly burst and the white-hot particles of metal it scattered instantly ignited the dry grass at the foot of the pole. Fire wardens of the district are now advocating the use of suitable guards about the lamps.

First Suggestion.

"What do you suppose the first quarrel between Adam and Eve was about?" "I guess she pitched into him about raising Cain."

GETTING A GOOD START EVERY DAY

Red-Blooded Men and Women Are Up and Doing Bright and Early
FREE YOUR BLOOD FROM POISON

Take Pepto-Mangan, the Famous Blood Tonic Prescribed by Physicians for 30 Years

Sluggish blood clogged with poisons makes you lazy. You never feel like getting up in the morning. And when you do get up, you miss that feeling of refreshing rest. You feel more tired than when you went to bed. After a good night's sleep you should get up with a spring, feeling alive, renewed, refreshed.

And you would, too, if your blood were full of red corpuscles. Your complexion would look fresh, your eyes bright and clear; you would feel the warm tingle of good health.

Look to your blood if you have that lazy, heavy feeling in the morning. Begin taking Pepto-Mangan the ideal tonic. It has blood-building properties that pick you up and give you strength.

Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. It is prepared in both liquid and tablet form. Both have the same medical properties.

Sold at any drug store. But be sure you get the genuine Pepto-Magan "Gude's." Ask for it by the full name and be sure by the full name, "Gude's Pepto-Mangan" is on the package. Advertisement.

Chinese Medical Practices.
In 793 the Chinese began to vaccinate. There were three vaccination stations in which the concoction was poured into the mouth. Stone needles were used to puncture swellings and the idea was not introduced into Europe until centuries later. Cauterization was practiced by burning the rolled leaves of a small plant. It was held to be good for rheumatism and nosebleed. Anesthetic effects were produced by certain mushrooms and the root of acornite. Cases of skin grafting are early recorded.
