District Convocation.

The Spring meeting of the Convention of Waynesville was held in the Dean's parish at Tryon, on Wednesday afternoon, there was the regular business session, with reports of committees and missionaries. It was shown that preaching missions were held in most of the parishes and missions during the Nation Wide campaign with good results. Archdeacon Giffith made a very inspiring report of his work. He has succeeded in waking up some of the sleeping missions, and has worked up a most promising future at Canton, where the Champion Fiber Co., has its plant.

In the evening, Evening Prayer was said and two addresses were made by the Rev. Albert New, in preparation for Lent; and by the Rev. Willis G. Clark,

on the Christian Healing Mission. On Thursday morning, the Holy Communion was celebrated by the Dean, Assisted by the Rev. Milton A. Barber. The subject of the four meditations was "The Temptations." They were most helpful, and the Convocation felt very fortunate in having been able to procure Mr. Barber for this day.

The next meeting of the Convocation will be held in the promising Mission at Canton in May.

Theatre Changes Hands

Our Moving Picture theatre changed ownership the first of this week. Mr. P. T. Cluck of Marion Ohio, purchasing same from J. M. Hearon.

The theatre was started in the late fall by Mr. Hearon who has all along endeavored to conduct same on a high plane and to keep same free from criticism. The pictures shown by him have been of the best class a town of this size can afford.

The new manager Mr. Cluck expects to continue the showing of only first class pictures and expects to remodel the house to some extent and to add a good musical program. He is desirous of the support of the good people of the town and community in his efforts to help his shows on a higher plane, and stands ready to cooperate in any movement that stands for the uplift of the show business or community.

Helping Hand.

The Helping Hand society held its regular monthly meeting at the home of its president, Mrs. John Orr, on Monday, Feb. 14, at 4 o'clock.

The object of this society is expressed by its name to lend a helping hand to the sick or needy of the community. Through its assistance, children have been placed in schools and orphanages, and many destitute families are constantly receiving aid. The visiting nurse, Miss Beatson, probably does more work in a practical way than every philanthropic organization in Tryon at the present time.

It is earnestly desired that more of the people of Tryon become members, either active or honorary, of this society. The membership fee is only 50c, but donations of either money or clothing are always needed.

ALL DRUGGISTS SELL IT

Greetings to you!

The unfolding of another year is attracting our attention—inviting us to pause and reflect.

Such questions as these confront us:

What will the year bring forth? What will it mean for Saluda, N. C.

An appropriate time for a self-analysis. What am I going to do for Saluda and Polk county.

How can we best use our best efforts for the upbuilding and betterment of our community.

Am I doing my part to create an atmosphere of good fellowship and help make this a desirable place to live and do business in?

Am I putting community interest first or am I permitting a smothering selfishness to stand in the way?

Am I going to do more in the future; am I going to double my efforts and make 1921 a record year in providing the numerous pressing needs of our rapidly developing community?

The Correct Answer.

I am going to be at once a worker and a booster with my shoulder to the wheel.
