## FROM OUR FRIENDS IN THE COUNTRY

Items of Interest Gathered From Various Sections of Polk County by Our Corps of Faithful Correspondents.

### Melvin Hill.

Farmers are about done laying by their crops in this section. Joe Henderson and daughter, Miss Ethel, of Mill Creek, attended services here Sunday. Prof. Kreider and family contemplate leaving Melvin Hill in the near future. We shall be sorry to lose them. A little social was held at the home of W. A. Reed and wife Saturday night.

### Died

At her home here, after a brief illness of but a few hours, Mrs. Mary Head, wife of Dr. W. T. Head, departed this life. The news of her death was a great shock to everyone here as she was well known and highly respected by all. She was a kind lovable Christian woman and was a faithful orderly member of the Brethern church, was church secretary and a teacher in the Sunday school. She was about 38 years old and apparently in the bloom of health up to within a short while before death claimed her. She will be sadly missed in the church and Sunday school as well as in the home. She leaves a husband, a father, and stepmother, and some three or four brothers and two sisters. Our sincere sympathies are with the bereaved ones. Funeral was conducted by Elders Branscom and Reed on Monday at the Melvin Hill church and burial in the new cemetery there.

Sweet, be Thy rest, oh sister dear, until Thy Savior calls for thee, to rise and meet Him in the air and live with Him eternally.

### Fishtop

Seems now as if we would have fair weather for a while.

Mrs. N. A. Price, Lela Newman and Hettie Henderson, visited Miss Flora Bradley Sunday. J. B. Bradley went for a Dr. for Miss Flora Bradley Sunday. Curtis Newman visited Walter Hooper, of Henderson county, last of last week. Harrison Arledge and wife visited the latter's parent's J. W. Bishop Saturday and Sunday. Ewert Levi and boys went to Saluda Saturday, trading. Curtis Newman, Robert Price, J. B. and E. J. Bradley, went to Saluda Saturday.

Miss Elma Newman is improving very satisfactorily. Lyman Staton and a Mr. Moore, of Henderson county, were in this section last week to get horse apples. T. W. Bradley sang for the Mountain Grove church Sunday. We fear dry weather about as much as the rain. J. Henderson is on a visit in Henderson county. He went in the wagon with apple men.

We hear that cattle broke out of the large mountain pasture of D. S. Pace, E. Head, D. Morrison, and ate about three acres of corn before they were found. Now that the road from Saluda to the Greenville highway is assured; we ought to renew our efforts to open up our part of the road either through Cooper Gap township or through Mill Spring township, to Mills Spring (the cheapest route) and the next best way.

T. W. Bradley will teach a singing school at Mountain Grove church commencing August, 1. Well, brother Lynn, two rattlers and a copperhead closed their eyes in perpetual sleep today here, how many in the neighborhood I'm not informed.
