THE POUR COUNTY NEWS

Columbus.

Quite a large number of people attended the Cooperative Marketing Association meeting here Monday. We are glad Polk county subscribed the necessary amount of stock, and put a worthy cause "Over the top". Another strong teacher has

been added to the Stearns high school faculty for the coming year. Miss Bertha Kelz so well and favorably known will have charge of the domestic science department and music.

Rev. Reid, pastor of the Baptist church here, was seriously injured in an automobile wreck one day last week. We are glad to know he is recovering nicely.

Miss Thelma Mills is spending her vacation with home folks. She is a member of the Junior class at the state college for women this year.

Miss Rena and Charlie Blanton, of Mooresboro, spent Sunday night with F. W. Blanton.

Mr. Wingo and daughters, Misses Fay and Sailie, visited relatives near Marshall last week.

Tryon Route 1.

Many of the farmers on our route attended the meeting at Columbus Monday, showing they wanted a cash market for their produce, "Over the top" went the Polk county cooperative marketing association. We hope 30,000 manuscripts by this time next year we won't have to throw out to the stock so many fine cucumbers, squash, turnips, radishes, beets, lettuce, beans, tomatoes, all other vegetables that we don't need on our table, also eggs, chickens, butter, milk, sheep, cattle etc., that you will agree we don't have a ready market for.

Have you an opening in your office for an ambitious young man?" he inquired deferentially. "Yes," replied the great man sourly, "through that door to the outside."

SOMETHING AFTER ALL. The rich girl was haughtily lording it over the poor girl. "We've got four cars, six horses a big house, plenty of widely new as it has been in the past, money and lots of servants," she declared. "What have your people got?"

The poor girl with downcast eyes, studied hard a moment. Huh!" she snapped. "We got a skunk under our barn."

Wonderful Vatican Library.

The Vatican library is the most sumptuously housed of all libraries. and contains some of the rarest manuscripts in existence. The printed books include over 2,500 volumes issued in the Fifteenth century, many of them vellum copies. The library is said to contain over 220,000 volumes and

This saving of \$2.94 each week placed on savings account for your one year old child will, with interest compounded annually, amount to \$4,834.29 when the little one is 21 years of age. If the above amount is given to your merchant who's baby will have this bank account at the age of 21? Ask your banker to verify these figures.

American Shrub Appreciated. One American shrub which has been received with great appreciation in England, and which grows well there, is the gorgeous flame azalea, called by the botanists azalea calendulaceum. This plant was sent to Europe many years ago, and perhaps is not grown so swing to the great influx of rhododen-Grin variaties.

Shock Frequently Does Good. Keep fear out of your system, but don't be troubled at a little fright. Anything in the nature of a shock or a joit is helpful if it doesn't come too late. It is the only way that threequarters of the inhabitants of this earth can ever be made to realize the necessity of doing what is in them to do .-- John Blake in Chicago Daily News.
