Great Dissolution Sale Starts

Friday, June 23

Messrs. Joseph Miller and A. H. Morris are to dissolve partnership on August 1st and this sale is necessary to reduce stocks and raise money.

**A Bona-Fide Store Wide Event Affecting Every Item in the Store--
A Month of Bargains.**

Here Are the Whys and Wherefores of This Sale in a Nutshell

Several years ago A. H. Morris bought from Joseph Miller half interest in the Standard with the privilege of buying the other half at this time. On August first their deal will be culminated and Mr. Morris who has been actively in charge of the Standard for the past few years, will buy Mr. Miller's entire interests. As this deal is to be a cost transaction it is necessary to raise several thousand dollars and therefore this great Dissolution Sale is being launched. Nothing can more fittingly impress upon the minds of the people this partnership dissolution than the values this sale is to produce.

Since the establishment of this store years ago truthful advertising and merchandising policies have been strictly adhered to and the same policies govern every word and act of this store now. There are no so called "SNAPS" or "LEADERS" to draw crowds seeking something for nothing, but every article offered is a real bargain, possessing quality and merit at a very special price.

HULA-HULA DOLL IN PARADE

The Hula-hula doll has broken into society, at least into flapper society, as proved by this photograph from the Atlantic City parade.

This Rapid Age.
Man's business requires haste. The average business and professional man eats in a hurry and gets dyspepsia. He walks in a hurry and gets apoplexy. He talks in a hurry and gets the flu. He does business in a hurry and becomes a bankrupt. He marries in a hurry and forgets it in a hurry. He makes his will in a hurry and leaves a legal contest. He dies in a hurry and goes to the devil—and his tribe increases.—Exchange.

Could Be Bought Off.
Alice was staying with her father one evening while her mother was away. The father, while reading, was wiggling the floor lamp and Alice spoke up: "You know mamma does not want you to play with that lamp." She waited a minute, then added: "If you will give me a nickel I won't tell her."
