**Helping Hand.**

The Helping Hand is to Tryon what the Associated Charities is to the larger centers. The membership endeavors to embrace all the citizens at the modest sum of fifty cents for annual dues.

The meetings are held on the second Monday of every month from October to May in the Sunday school rooms of the Congregational church at 4 p. m.

Notices of these meetings are given out in all the churches, and are intended to reach every woman in Tryon, unfortunately but few respond, and there are seldom twenty women present, more frequently but half that number.

The object of this Society is to relieve all cases of need in the community and to investigate these cases intelligently.

The Society has for many years cared for the sick either in their own homes, or as Hospital patients when necessary, supplied clothes and care for maternity cases, cared for orphans, clothed little children, and so on through a long list of human needs where hands have been held out in supplication. The chief source of income to the Society are the dues, but these are difficult to collect owing to the poor attendance at the meetings. This year the Society has adopted a new plan, and will send collectors through the different sections of the town asking for three things first your dues, second, for second hand clothing, especially garments for young children; and last, but in no sense least, your interest and co-operation in this YOUR work, for, do you realize that the existence of this Society saves YOU the annoyance of house to house soliciting which is discouraged by the Society, and acts as YOUR agent for the relief of your fellow towns-people, when in trouble, sorrow, need, sickness or any other adversity?

**Saluda**

A pavilion has been erected by the Civic League, above its new tennis court. This court built by subscription, through the agency of Mr. R. Harris, for the League is for community use, at the moderate price of one dollar. A playground has also been arranged on the ground of the proposed community house. Swings, a sand pile and seats for the pleasure of the many children who live in and frequent Saluda. Albert Salley has done good work here for the League, which at present is actively interested in the fair, which is to be held here Oct. 14.

The Piedmont College Quartette, passed the night at Fairview House, giving an exhibition of their skill in singing, to the guests and delighting everyone by their team-work. The Stinecipher brothers, from Tenn. Leslie Brown of Ga. and Russell Locke of Saluda, compose the Quartette, who will tour the principal cities North and West until June '23.

Guests at Mrs. Locke's Miss; Marvin Bryan and The Misses Jones, of Charleston. S. C., H. McGinnis and wife and Miss Almeda McGinnis, of Cocoa, Fla., Miss Mary Blair, of Greensboro, N. C., and Mrs. John Thurston, of Cuba.

We are specially proud that we have so many farmer customers. Agriculture is particularly interesting to us, as indeed it should be to everyone. and we like to have the farmers drop in and talk their problems over with us.

When we can give advice or render service of any kind we are always glad to do so.

We know that the growth and development of this community and Polk county depend to a large extent upon its farming interests, and we aim to do our part toward helping the farmers succeed.

Money deposited in this bank is loaned to Polk county folks to further agriculture; to buy better stock; better hogs, and to make farm life more profitable. Already we have loaned our \$40,000.00 to farmers.
