**No Man Is Indispensable**

I care not what your place  
may be—  
A job that's most laborious,  
With mighty little salary  
Or one that's fat and glor-  
ious.  
But, be your labor gret or  
But, be your labors great or  
small.  
Of this you must be sensi-  
ble—  
Some other guy can do it all:  
No man is indispensable!

When you begin to swell with  
pride  
And cater to the gallery  
And put on lots of "dog" and  
"side"  
Because they've raised your  
salary;  
Why then's the time you'll  
tumble quick,  
Such ways are indefensible;  
Some other guy can do your  
trick:  
No man is indispensable!

It's well enough to know your  
worth  
And know just what to do  
with it.  
But don't imagine that the  
earth

Will quit when you are  
through with it;  
No, it will roll upon its way.  
And—what seems reprehens-  
ible—  
Some other guy will draw your  
pay:  
No man is indispensable!
