

BLACK-DRAUGHT AFTER DINNER

Shoemaker Tells How He Found Relief From Painful Spells of Stomach Trouble, and Grew Stronger.

Tryon, N. C.—"About five years ago I had a very serious stomach trouble," says Mr. T. G. Tucker, of this town. "I had a number of these spells. I would get cold and just shake, and had very severe pains in my chest. "I suffered a great deal. I kept using different remedies and did not get results. I would suffer till I would break out in cold perspiration. I knew something must be done. "I had taken Black-Draught, but just an occasional dose for constipation. I decided it might do me good in these spells. I took a dose after meals, and, sure enough, it did. "It helped me so much until now I keep it in the house all the time. I am a shoemaker, and when I have my dinner sent to my shop I have a package of Black-Draught where I can take it afterwards. It is a splendid medicine. I am glad to praise it for the suffering it saved me. "I have used Black-Draught five years, and these spells grew less frequent after a couple of doses. Now I am much stronger than I have been in years, due to Black-Draught." Theford's Black-Draught is purely vegetable, pleasant to take, and acts in a prompt and natural way. So many thousands of persons have been benefited by the use of Black-Draught, you should have no hesitancy in trying this valuable, old, well-established remedy, for many liver and stomach disorders. Sold everywhere.

Hubby as a Shopper.
With an air of great daring the meek-looking man walked into the department store.
"I—er, want a pair of gloves for my wife," he said shyly.
"Yes, sir," replied the salesgirl, blithely, "what color? Kid suede or lisle, and how many buttons—two, four, six, eight—"
"I don't care," replied the man boldly, "so long as they don't button down the back."

Clear Your Complexion with This Old Reliable Remedy—
HANCOCK SULPHUR COMPOUND

For pimples, black-heads, freckles, blotches, and tan as well as for more serious face, scalp and body eruptions, hives, eczema, etc., use this scientific compound of sulphur. As a lotion, it soothes and heals; taken internally—a few drops in a glass of water—it gets at the root of the trouble and purifies the blood. Physicians agree that sulphur is one of the most effective blood purifiers known. Remember, a good complexion isn't skin deep—it's health deep. Be sure to ask for HANCOCK SULPHUR COMPOUND. It has been used with satisfactory results over 25 years.

60c and \$1.20 the bottle at your druggist's. If he can't supply you, send his name and the price in stamps and we will send you a bottle direct.

The Calorie Business Is Too Much Trouble

Write Your Own Endings

CONDENSED NEWS FROM THE OLD NORTH STATE

SHORT NOTES OF INTEREST TO CAROLINIANS.

Asheville.—Wythe M. Peyton, highway engineer for the Ninth District, has tendered his resignation to the State Highway Commission effective July 1, it was announced here.

Henderson.—Twenty new bases of measles were reported at the health office here as the crop for over the week-end. It was said also that about fifty cases went out of quarantine during the same period leaving a total of approximately 150 active cases in the county.

Rocky Mount.—Plans are announced by president W. C. Woodard for an indoor exposition and carnival which the Kiwanis club is to put on at the Co-op warehouse June 18 to 21 inclusive. Details for the exposition and carnival are yet to be worked out.

Greenville.—James Long, age 68 years, died at his home here after having suffered from a third stroke of paralysis. Mr. Long was a popular and influential man in this community, both socially and in business, he being one of Greenville's oldest merchants.

New Bern.—Clem Lovett of, Hubert, white youth, who sustained a fractured skull in an auto mishap here, died in a local hospital. He did not regain consciousness after he was hurled headlong to the pavement.

Henderson.—Determining to go the whole distance while about the business, the City Council voted at its regular monthly meeting to issue \$200,000 more bonds for street improvement work, making a total of 600,000 provided for this purpose within twelve months.

Kinston.—Indications point to complete recovery of Arthur Rouse, Lenoir county youth who suffered a broken neck in diving against a log while swimming some weeks ago, medical observers said. Rouse is gradually regaining use of his limbs.

Dunn.—Grady Daughtry, aged 22 years, was stabbed to death at the home of his brother, Allen Daughtry, in Westbrook township, Sampson county, and Mrs. Allen Daughtry is in the Sampson county jail at Clinton, charged with the killing. Her husband is also in jail on the charge of aiding and abetting in the crime.

Kinston.—A considerable number of persons here were reported to have signed a petition for clemency for Frank Andrews, 18-year-old Rocky Mount youth serving a sentence of four to 10 years in State's prison for his confessed part in the automobile robberies here and elsewhere in Eastern Carolina the past winter.

Elon College.—The laying of the cornerstone for the Alamacene building by the citizens of Alamacene county brought to a close the four day commencement season, the thirty-third annual commencement of the college. Col. R. L. Holt, of Burlington, was in charge of the cornerstone laying exercises.

Thomasville.—At the home of D. E. Moore, the 6-months-old son of J. M. Blair, fell from the second story window to the ground, a distance of 16 feet, and seemed to be unhurt. Dr. Hobgood was scalled and took the child to an X-ray machine in High Point to be positive that there was no internal injury resulting and satisfied himself of this fact.

New Bern.—His skull crushed when run down by an automobile driven by Guy Gaskins, Robert Allison Waddell, five-year old son of Mrs. Albert A. Ulrich Waddell, died in a local hospital an hour after the accident near the victim's home on Johnston street.

Rockingham.—A negro man, Ola Covington, living one mile south of Rockingham, committed suicide by pulling the trigger of a shot-gun with his toe. He lived a couple of hours. Before dying, he stated to an officer that he was simply tired of living.

Dunn.—After its visit to the Hornett county convict camp the grand jury recommended that A. A. Weaver, superintendent, be discharged by the county commissioners, providing conditions at the camp are found to be as reported.

Greensboro.—Directors of the Guilford County Tuberculosis Hospital have elected Dr. J. F. Spruill, of Sanatorium, superintendent of the institution, which is a civic proposition, erected with county funds and maintained by a county tax.

New Bern.—While he is not claiming them to be ideal, Chairman O. A. Kafer, of the county commissioners, says that conditions existing in the county jails and the road camps are as good as will be found in any in the state. The request for an investigation of conditions in this county made of all county boards by the attorney general has received attention.

Greensboro.—A half million dollar Guilford county school bond issue was sold here at a premium of \$5,430, or in percentage, at 101. The Title Guaranty and Trust Company, of Cincinnati, Ohio, was the successful bidder, with their offer of \$505,430.

Hickory.—Slipping up on a number of crows which he suspected of robbing guinea nests, E. W. Kanupp, a Catawba county farmer, found that the birds were quarreling with a gray eagle whose wing he broke with a shot. The eagle which measured seven feet, two inches, from tip to tip, was brought here by Kanupp.

CROWDER MAKES 20-POUND GAIN

Declares He Would Not Take \$1,000 for Good Tanlac Did Him.

"For twenty-five years I sold Dr. Crowder, a well-known merchant of Lawndale, N. C. "I suffered from the worst sort of stomach trouble and I would run down, nervous and I thought I would never get well. "My appetite was completely gone. I was sick at the stomach all of the time, and nearly everything I ate would eat hurt me. I finally got so weak I could hardly get around. It was a burden to me. "I had lost faith in all the doctors. I am thankful a thousand times over that I gave Tanlac a trial. I got my strength returning by the time I had finished the first bottle. "So I kept taking Tanlac and feeling better and have gained twenty pounds. Now all my stomach trouble is gone, my nerves are strong as a clock, my appetite fine and I am full of new life and energy. I would like to take a thousand dollars for the good Tanlac has done me." Tanlac is for sale by all good druggists. Accept no substitutes. Over a million bottles sold.

Use for Coal Screenings. Patents have been granted for a process for utilizing and screening for fuel by mixing them with water gas tar without compression into briquettes.

Thousands Have Kidney Trouble and Never Suspect It

Applicants for Insurance Often Rejected.

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been very successful in overcoming these conditions. The mild and healing influence of Dr. Kilmer's Swamp-Root is soon realized. It stands the highest in its remarkable record of success.

An examining physician for one of the prominent Life Insurance Companies, in an interview on the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease. Dr. Kilmer's Swamp-Root is on sale at all drug stores in bottles of two sizes, medium and large.

However, if you wish first to test the great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.—Advertisement.

He Had Held His Own.
Two middle-aged gentlemen paused on the bank of the pond to watch the crowd of merry skaters circle round. "I'd like to join them mighty well," said Mr. Rich to his companion. "I haven't had a skate on my foot for more than 20 years though, and I expect I'd look pretty silly." "Well, I don't know," replied Mr. Little. "I haven't worn skates for longer than that, but I believe I could skate today just as well as I could when I was twenty years old." "Oh, come now," replied his friend, "you're an active enough man, but it's absurd to say that you could go out there and skate as well as you could when you were a boy!" "I think I could," persisted Mr. Little mildly. "I couldn't skate at all then, and I guess I could do quite as well now."—Youth's Companion.

Trying to Understand Gender.
Teacher had been explaining the meaning of gender to a class of 75 pupils. William had gone home much puzzled and that evening took his troubles to his mother. Gender was explained again, and William's mother was illustrating each of the genders—masculine, feminine and neuter. This time William thought he understood the difference. To try him out his mother had asked him to use the masculine and feminine gender in a sentence. William, still perplexed, thought for a long time. "Mother" he said at last, "wouldn't the masculine of cat be tomcat?" Beauty is only skin deep and the same may be said of freckles.
