

# Are You a Tryon Booster ?

**We have the best little city in "The Land of the Sky" and we are going to tell the world about it in a big way.**

The Polk County News will issue a National Publicity Edition which will be distributed to all Secretaries of Southern Chambers of Commerce during their stay in Tryon June 13 and mailed to selected addresses all over the United States in addition to the regular distribution.

We will cover every asset of Tryon and Polk County with well written feature stories suitably illustrated. If you are a Tryon booster you will want representation in the advertising columns.

**LET'S GET TOGETHER AND PUT IT ACROSS IN  
THE TRYON WAY**
