NOTICE TO CANDIDATES In the Republican Primary.

Chapter 88 Public Laws of 1923 places Polk County under the State wide Primary Election Law. This means that all candidates for the county offices of Polk County must be nominated through the Primary Election, which will be held on June 7th, and there will be no convention.

Every candidate for nomination as the candidate of the Republican party for any county office in Polk County must file with the County Board of Elections at least TWO WEEKS before the Primary Election, (viz. Not later than the 24th day of May) a notice stating his party affiliation; the office for which he is a candidate; and a pledge to abide by the result of and to support the party candidate nominated in such primary by the political party with which he affiliates.

"Candidates for any county office shall at the time of filing their notice of candidacy pay to the county board of elections the sum of \$5.00; except candidates for Surveyor, Coroner and County-Commissioners, who shall pay the sum of \$1.00." Candidates for township offices are not required to pay any entrance fee.

Every candidate for nomination for any county office must file under oath, ten days before the primary election, with the Clerk of the Superior Court, an itemized statement of all moneys spent by him, and which he knows to have been spent by any one for him.

If you need any help or advice further along this line your county chairman will be glad to assist you.

Yours very truly,

H. H. CARSON,

Chairman Republican County Executive Committee.
