## News-in-Views in Grabure

(P. & A. Photo.)

An airplane view of the recent disastrous fire that made 2,500 persons homeless and destroyed valuable property in Jersey City.

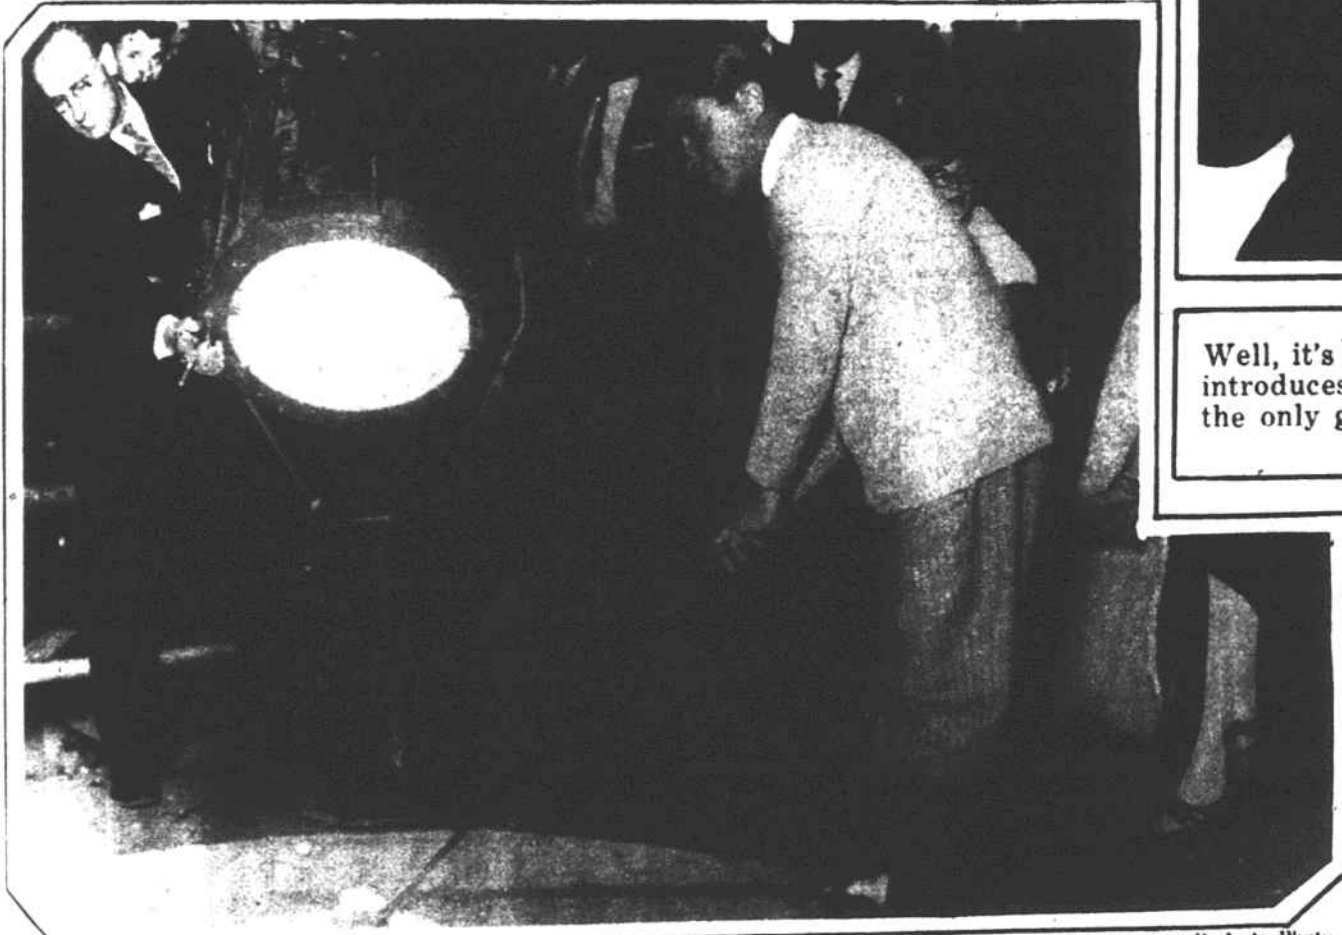

(P. & A. Photo)

The latest instrument of torture, a "Sanitary Kisser," designed by a Florida man.

(P. & A. Photo.)

Well, it's kinder hard to tell now, but this introduces Miss Kent McCord, captain of the only girls' football team in the South, at Tampa, Fla.

(P. & A. Photo)

Widows are supposed to miss this one: The possibility of playing golf at night has been established by Gene Sarazen and some lighting men; its practicability is another matter.
