

❖❖ LAKE LANIER ❖❖

The eyes of Carolina are focused on Tryon

Never before was there a residential development like *Lake Lanier*, and *Lake Lanier, Tryon* are one and the same insofar as community life is concerned.

LAKE LANIER daily is being viewed and admired by dozens of persons brought to Tryon by salesmen of the highest type; men and women who understand the creation of new wealth, who fully appreciate the marvelous natural advantages of Tryon and who are intelligent enough and aggressive enough to artfully place these facts before a people eager to find a spot suitable for home building.

You who live in Tryon

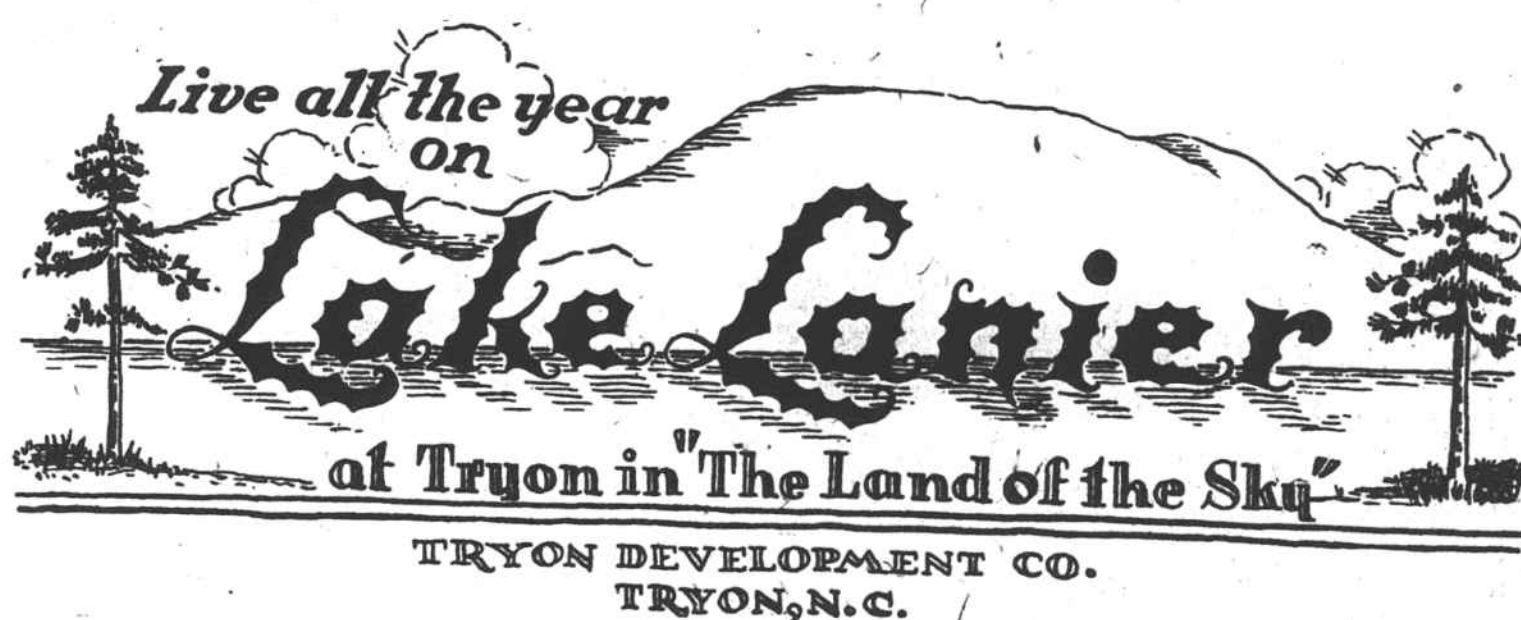

feel the comfort, and experience the happiness of living in a land so beautiful, so enjoyable the year round, so soulfully satisfying---do you realize that thousands of persons living in the plain lands are searching continuously for just such a place as Tryon and Lake Lanier?

Our Salesmen are finding them

and through their efforts these new comers are bringing great wealth to Tryon as well as their own personal charm and companionship.

The eyes of Carolina, in being focused on Tryon

- and *LAKE LANIER*, are seeing one of the most wonderful home making opportunities in America today.
