RETURN TO HILLS Mountains that Comfort" Always Becon---Lure

mesistable to Wanderers

This Week

By Arthur Brisbane

PRESIDENT ALREADY IN.

WATCH R. R. HOOKUPS.

U. S. PAUPERISM DYING.

A Washington correspondent

*President Coolidge will keep

out of the Mitchell fight," referring to Colonel Mitchell's charges

as to general incompetency in the

management of United States air

forces and the suggestion that Col-

onel Mitchell, lowered in rank for

telling the truth once, should now

be arrested for telling the truth

How could the President, who is

head of the Army and Navy, keep

out of the Mitchell matter? It is

not conceivable that his subordi-

nates, knowing of the President's readiness to hear both sides of any

conestion, would undertake any ac-

The people do not believe that

the President will permit any ac-

the entire aviation question shall

have been fully thrashed out, in-

chucking the flasco in the effort

It is to be hoped that the in-

cuiry when it comes, will not be

a whitewashing enterprise, but a

The President will want to know

sdowne, an experienced airman

why the protest of Commander

who had flown across the Atlantic

a dirigible, was ignored. The

President will not want any white-

washing or any offhand suppres-

sion of Colonel Mitchell, who isn't

easily suppressed, by the way. He

will want the facts, and will see

our so-called defense programme

is this statement attributed to

Judge Wilbur, Secretary of the

on view of the experience of the

the failure of the Hawaiian

navy planes in the Arctic expedi-

light and the Shenandoah dis-

Aster, we have come to the con-

clusion that the Atlantic and the

Pacific are still our best defenses.

"We have nothing to fear from

enemy aircraft that is not on this

The experience in the Arctic,

the failure of the Hawaiian flight,

the dreadful Shenandoah disaster

had nothing to do with capable

sir navigation, but a great deal to

do with incompetent management

We should have, indeed, nothing

to fear from foreign aircraft if we

could give to foreigners such management as our aircraft has.

Mr. Wilbur's statement that our

oceans are our best defense sounds

Mke the statement of some ostrich

saying, "I have nothing to fear, the sand is my best defense. I

It is suggested that railroads be

forced to combine in great transportation units, and that they

make their own selections "rather

than have the Government do the

Why not have a selection of

well-informed men, railroad men of course, acquainted with traffic con-

ditions, make a survey of rail-

roads, and let the Government

know which combination should be made in the interest of econ-

President Coolidge will certainly

not think it wise to leave these

combinations to selfish interests based on opportunities for stock

jobbing, combining broken down

roads with good roads for the sake of immediate profit, rather than more efficiency. Perhaps

for the sake of unloading unprofit-

the railroads on the stockholders that own profitable railroads.

Pauperism is dying out in the

United States thanks to better

wages, widows' pensions, more en-

lightened medical care, and espe-

cally campaigns of health advertising, carried on by the great life

Of 100,000 in our population,

only 71.5 are in poorhouses now.

And that is exactly 71.5 too many.

100,000 in the poorhouses. Things have improved since the war
