Mississippi City Gets Next Tourney.
Charlotte, N. C., May 26.—The next tournament of the Southern Women's Golf Association will be held at Laurel, Miss. The date has not been announced.

Chimney Rock, N. C., May 26.—Superintendent P. L. Holland, who has charge of the construction work on the Lake Lure dam project, states that the work has progressed to the point now where the natural flow of the river is being taken care of through the outlet and spillway that has been made permanent.

Previous to this week a coffer dam and other temporary apparatus was necessary to keep the water turned away from where fresh concrete was being poured, but now that the dam has reached sufficient height and breadth to take care of the natural flow, the temporary apparatus does not have to be relied upon. Even in case of a cloudburst and consequent

high water, which is likely to occur at any time during the next year, the work will not be interrupted as might have been feared. Her status in the contest.

"In all my travels, I have never seen as spectacular a hotel project or a more magnificent one than the Fleetwood."

H. F. CAREY,
General Passenger Agent of Southern Railway.

And Mr. Carey is in position to know what constitutes a good hotel and a good hotel site. LAUREL PARK ESTATES can prove its claims to superiority by the fact that such an unusual hotel has been located within its boundaries—a magnificent, imposing structure to which thousands will be attached every year.

AND THE ASTONISHING PART OF IT is the fact that, in spite of the many attractive features, THE SCENIC SUBURB is NOT a high-priced development—it is possible to buy a GOOD lot for as low as ONE THOUSAND DOLLARS, and that on easy terms.
