Pennant-Bound Yankees Still Outclass All Other Clubs

(From Greensboro News)

NEW YORK, Aug. 5.—The pennant-bound New York Yankees have outclassed all other clubs on the big time circuits, a mid-summer inventory of the major leagues reveals.

Braced by a 10 game winning streak the Huguenots closed July with a margin of nine contests on their closest competitor, the Cleveland Indians, who have managed to hang on to the heels of the leaders in their most recent spurt.

Unlike the National league scramble, where the first division clubs have been running closely bunched, and the crowd occupied at frequent intervals by new tenants the Yankees kept residence at the top in the American from early season and were never seriously threatened.

Performances for the past week gave the Huggins outfit and Tris Speaker's tribe six victories apiece and no defeats. Five triumphs have been recorded in the New York invasion of the west, and as for the prospects of clinching the bunting the Yankees feel about the same as the cat getting ready to eat the canary.

Boston's Braves refused to be shelved in the cellar and finished the week nursing a seven game winning streak in seventh place. Dave Bancroft's club passed through without a setback and its five markers in the win column was the outstanding feat in the National league.

Pittsburg retained the peak by taking four out of six games while the best the Reds could do was to win two of six games which was largely due to bumping into the Boston snag again.

The Giants were saved from a complete shutout by a double victory over the cardinals who loom as the lone hope of St. Louis fans to bring home a championship. Chiefly through the guidance of Rogers Hornsby, the present pilot of the Cardinals the club has been able to remain in the front rank within Corsairs had a five game premier rung Cincinnati and were four contests in front of the third place Cardinals.

The St. Louis Browns had a bad streak in brushing up against the fast moving Yankees and concluded the week with a goose egg in the

victory column. While the frays with New York were no means one sided, the veteran Walter Johnson white washed the Browns in a 9 to 0 count as the Senators started a week-end stay in St. Louis.

The Cardinals led all teams for the high totals with 35 runs and 80 hits. There were 462 safeties in the American against 430 in the National. The Yankees totalled eight home runs of the 23 produced in the American while the Hornsby club accounted for five of the 16 in the National.

The week's major league record of games won and lost, runs, hits, errors, opponents runs and home runs, including games of Saturday, follows:

"Too many young men seeking a life work," says the Cleveland Star, "are faking to the profession of law." Not so sure about that—they don't seem able to catch up with the lawless.

GIBBONS STRONG FOR DEMPSEY

That is if the Champion is as Good as When he Fought Him in 1923

JACK IS A HARD HITTER

(From Greensboro News)

Osakis, Miss., August 5.—"If Dempsey is as good as when I met him he'll win from Tunney in about seven rounds."

That was the estimate tonight of Tommy Gibbons, the heavyweight pugilist, who withstood 15 rounds of hard battling at the hands of Dempsey at Shelby, Mon., only to be knocked out by Tunney in New York.

"I think Dempsey will win," Gibbons reassured. "But I rather see Gene beat him," he added as an afterthought. "You know I think the public is getting tired of Dempsey."

Gibbons, despite his declaration that Dempsey will emerge the victor, has wholesome respect for Tunney as a fighter and man. "A fighter all the way," was his estimate of the contender for the world's heavy-

weight crown.

"Gene is a nice clean boy. A snappy fellow. He's the kind of a boy Dempsey likes to meet—fast and aggressive," was Tunney's description of the New York battler. "Personally I think Tunney is smarter than Dempsey. He's hard. He's aggressive. It's going to be a great fight and I'd like to see it. Yes I think a fair estimate would be seven rounds," he repeated.

"Dempsey is far the harder hitter of the two. Gene is faster—he's got speed and brains, but Dempsey hits hard."

The St. Paul man's eyes lighted with this. He apparently recalled those 15 July 4, 1923, when he lost a decision to the champion after taking every variety of blow in Dempsey's repertoire—except a knockout.

In those 15 rounds Gibbons learned much of the champion—his hard hitting offense, his stamina, his ring generalship, but most of all of punches which had the speed and power to penetrate the neat defensive which Gibbons had worked out for months.

In the Tunney fight, a year ago last June, Gibbons took his first knockout from the new sensation in

the heavyweight ranks, Gene Tunney. The crushing blow which sent Gibbons to the canvas marked Tommy's last appearance in the ring.

Gibbons is here at his summer home with his family, fishing and boating, his mind as far as possible from gloves and rosin.

"Of course," he said, "one never can tell. I haven't heard anything about Dempsey's condition except what the newspapers say. His retirement from activity may have been hard on him."

"But as I say, if Dempsey is as good as he was when I met him—well, about seven rounds."

SCHOOL CLOSED

(Spartanburg Herald)

NEWBERY, Aug. 5.—The Lutheran summer school for church workers came to a close yesterday. The enrollment almost reached the 300 mark, which is considered the largest enrollment of the school so far held.

On Monday afternoon a pageant, entitled "The Way of Peace," was presented before a large crowd at sunset. One hundred men, women and children composed the characters. The scenes were very impressive, colorful and beautiful. The pageant was directed by Miss Elberta Sease of Little Mountain, Mrs. Henry Wochling of Philadelphia, and Miss Eva M. Stiltz. Science, military, industrialism, art and foreign nations were called on to bring peace to the world and upon failing to do so the prophet called on Christianity.

Following several lectures during the week by C. W. Hess to the men, which phase of the work culminated in a big mass meeting for the men Sunday afternoon at 3.30 in Holland

THERE IS NO SATURATION POINT FOR HONEST VALUE

Build a product that the world needs, better than the world expects, and mounting sales will answer those who are constantly predicting a saturated market.

During the first six months of this year, for instance, Dodge Brothers sold 207,115 motor cars and trucks. This represents a gain of 49.3 per cent over the first six months of 1925, and continues Dodge Brothers in the enviable position of THIRD IN THE INDUSTRY.

For the three weeks ending July 17th, 23,862 motor cars and trucks were delivered to customers—an increase of 62.4 per cent over the same period last year, and impressive evidence that Dodge Brothers great sales gain is continuing through the quiet weeks of mid-summer.

There may be a saturation point for mediocrity, but honest value will always command a great and ever expanding market.
