

Attention Farmers!!

The VETCH Campaign Is On

Sow VETCH For Better Farming

THIS COUNTY NEEDS A SUCCESSFUL CREAMERY, AND A CANNERY KEPT BUSY BY SUPPLIES FROM FARMS. IN ORDER TO GET THESE RESULTS, WE MUST HAVE GOOD LANDS, THIS MEANS LEGUMES, AND AGRICULTURAL AUTHORITIES SAY FOR MANY REASONS VETCH WILL TURN THE TRICK BETTER THAN ANYTHING ELSE. LETS GET ACQUAINTED WITH THIS SOIL SAVING SOIL BUILDING FEED PRODUCER.

THE SOLE PURPOSE OF THE VETCH CAMPAIGN, IS TO GET BETTER SOILS IN POLK COUNTY. THIS MEANS BETTER CROPS AT LESS COST, AND BOUNTIFUL PROSPERITY FOR ALL. SEED AND FERTILIZER IS BEING DISTRIBUTED AT COST TO FARMERS. POLK COUNTY HAS WONDERFUL AGRICULTURAL POSSIBILITIES. VETCH WILL HASTEN THE DAY OF REALIZATION. SEE MR. ARTZ.

The Dutchman Said "Vetch will vetch up de land" RIGHT. The Farmer Says Vetch does Fetch up the land, Right Again.
