### Plan Now For Your Home

Let us help you plan that charming home for you, TODAY---now---as you read this---the fragrance of the spicy tang of pine is drifting down the mountain sides and over the beautiful "Mountain Paradise". The valleys below are literally covered with painted leaves of autumn. The silvery throated birds are singing a woodland chorus and impudent blue jays are clattering teasingly at frisky squirrels. Great rugged mountain peaks rear their heads toward skys of azure blue and defiantly block the lazy southward drifting of cream puff white clouds.
