The prices on the New Standard coupe, coach and phaeton are \$10 under those of the corresponding 1934 models. On the Master De Luxe prices are exactly the same as in 1934.

Knee action continues as one of the outstanding features of the Master De Luxe cars, Mr. Holler stated, and is available to any customer on order at slight additional cost. Master De Luxe cars also feature the new Fisher turret top all steel roof construction, and a much larger body with corresponding increase in interior dimensions.

"Chevrolet was able to reduce its Standard model prices and to maintain its price levels on the Master De Luxe series in the face of substantially increased material and manufacturing costs because of the greatly increased volume scheduled for 1935, as indicated by the thousands of orders we now have on hand for the immediate delivery of the 1935 lines of cars from our organization of 10,000 dealers, "Mr. Holler said in announcing the prices. "Last year Chevrolet built 870,000 passenger cars and trucks, which made it the leading manufacturer of motor cars in the world for the sixth time in the last eight years. With the establishing of our 1935 prices, we are in a position to secure our share of the low-priced

car business this year.

Reading good books will be one way to make the best use of 1935 and the individual who reads this and resolves to carry out the idea will be entitled to one gold star for one good resolution.

## DUPLIN COUNTY SCHOOL NOTES

By MARGARET MCGOWAN, Reporter

The Duplin County Board of Education met Monday morning, Jan. 7, for the discharge of regular duties. The resignation of Mr. L. L. Johnson, who far a number of years has been chairman of the Calypso School Board, was accepted with regret by the Board of Education, as Mr. Johnson's failing health has made it necessary for him to give up his work as chairman of the Calypso School Board. Mr. Johnnie Albritton was appointed to take the place of Mr. Johnson.

The Superintendent reported to the County Board of Education that Mr. J. M. Brock, head mechanic of the county garage, has a very flattering offer for his services to work elsewhere. Mr. Brock has kindly agreed to continue his work in the County for the remainder of the school term. The County Supt. urged that Mr. Brock be retained if it could possibly be arranged since it will be hard to fill the place of Mr. Brock, who is considered a very capable man.

The joint Warsaw-Kenansville Rotary Club had a very splendid meeting last night (Tuesday) at the school cafeteria at 7:15. Short talks were made by Judge A. J. Blanton and Supt. J. O. Bowman. Rev. F. L. Goodman presented the status of the Boy Scout movement at Kenansville and Warsaw as the Rotary Club is contemplating the sponsorship of the Boy Scout movement. A committee

was appointed to investigate whether a joint or two separate troops would be best under the new sponsorship, and report at the next meeting which will be Tuesday evening, Jan. 15. This will also be "Lady's Night" for the Club. It is hoped that the next meeting after the 15th will be a joint Duplin County Educator-Rotary Club, the date of the meeting is to be fixed to meet the convenience of Senator R. D. Johnson who will address the club at that time on some phase of school legislation.

Duplin County Farm Loan Association will meet Saturday, January 12th at the court house, at Kenansville, N. C.
