

Four Routes Open To Increase Weed

Plans Outlined Whereby Growers May Increase Crop This Season Over Last Year

Four new routes will soon be open for tobacco producers to increase the acre and poundage of tobacco in 1935 over that of 1934, a study of the recent tobacco rulings reveal. Tobacco producers desiring to increase their contracts should familiarize themselves with the details of each plan in order that they may be successful.

Route Number 1, as opened under Administration Ruling Number 41, permits producers who have contracts up to 3.2 to plant their base acreage according to their contracts. The producers in this class are being notified of the amount of tobacco that they can plant and what they will use in the form of rental and equalization checks and deficiency payments, in case producers elect to plant the full base. The County Agent wishes to make it clear that contractors falling in this class will plant only what their base acreage is and it is not intended to mean to plant 3.2 acres of tobacco.

Route Number 2 provides, under the Administrative Ruling Number 41-B, that where the committeemen finds the base tobacco acreage and base tobacco production abnormally low increases may be made in this type of contract but the total for the county shall not exceed 3 per cent of the total base tobacco acreage or the base tobacco production under all contracts covering farms in the county. The difficulty with this type of increase will be that there will not be enough tobacco available under the 3 per cent section of the ruling to satisfy the applicants. It is to be remembered that any contract signer who shares in this plan of increasing the acreage and poundage under the contract is not to receive any rental or equalization payments (including any payment for deficiency in sales) under his tobacco contract for 1935.

Route Number 3 provides for special base contracts for 1935 and is open to farms which are equipped for tobacco production, and where tobacco was grown thereon in one or more of the years 1929 to 1934 inclusive; or to persons who are living on the farm in 1935 who were engaged in the production of tobacco in the years 1929 to 1934. A special base contract will be limited in that there will not be enough tobacco available by reason of the 4 per cent allotment made available for this purpose. This figure will be based on the contract acreage in the county. The County Committee will not recommend for approval a special base contract upon lands on which the owner has signed a regular tobacco contract.

Route Number 3 will be open to producers who find themselves in one of the following classifications:

- (1) Former tenants who have grown tobacco and now own and operate farms.
 - (2) Tobacco farmers who have lost their farms through foreclosure since 1929.
 - (3) Tenants who have been compelled to move from tobacco-producing farms and who are now growing tobacco on farms for which no equitable allotment can be obtained under tobacco contracts.
 - (4) Farmers who have reduced their acreage and production of tobacco since 1929 to such an extent that they cannot obtain an equitable allotment under a contract.
 - (5) Other tobacco growers who could not obtain an equitable allotment under regular tobacco production adjustment contracts.
- Route Number 4 is the regular contract which is based upon the history of the land, and tobacco must have been grown on the land in question in one or more of the years included in the base period which is 31, 32 and 33. Since Jan. 1st, 55 new contracts have been signed which in the opinion of the committee covers all the history of the tobacco lands in Onslow county.

Good times will not return any individual without some hard work. Prosperity doesn't come out of the air like a rabbit from a magician's hat.

Heads Johns Hopkins

BALTIMORE... Dr. Isaiah Bowman of New York (above), has been elected President of Johns Hopkins University here. He is the fifth president and succeeds Dr. Joseph S. Ames.

ROBERT N. BOWEN DIES AT WILLARD HOME

Funeral services for Robert Nixon Bowen, who died suddenly at his home in Willard by the Rev. W. P. M. Currie of Wallace, assisted by the Rev. Lucian Wells of Teachey. Commitment services were conducted at the graveside in Mount Holly cemetery.

Mr. Bowen is survived by six daughters, Louise, Mary B., Annie Ruth, Pearl, Hazel and Mrs. W. R. Phelps; one son, Thomas Bowen; one sister, Mrs. P. M. Dempsey, of Black Mountain; two brothers, L. T. Bowen of Seattle, Wash., and W. A. Bowen of Philadelphia. Active pallbearers were Hyden Southerland, C. O. Bollinger, H. McNair Johnson, James Pierce and Robert Byrd.

DEALERS BALK AT TAX ON NINE BASIC FOODS

(Continued from Page One) evated to the second vice presidency. Other officers and directors are: R. P. Covington, Charlotte, treasurer; James P. Volger, Charlotte, executive secretary; George E. Volger, Salisbury; D. N. Hire and E. R. Linville, Winston-Salem; W. A. McFarland, Charlotte; A. L. King, Wilmington; R. C. Carter, Swannanoa; R. F. Crofts, Albemarle, and L. Leroy Allen, Raleigh.

DUPLIN WOMAN EXPLAINS BEAUTIFYING GROUNDS

(Continued from Page One) My son and I got up early next morning and set out all the shrubbery we had brought home. He disked the ground for the lawn, then plowed it with the two horse plow, to make a good seed bed, and then sowed the grass seeds. When the club members conducted the yard tour last September a year ago, I was chosen the first prize winner in Duplin County Contest. Miss Pauline Smith, who was judge of the yard contest, told me I still didn't have it fixed right. She said it looked one sided, that I needed to take in more space on the right hand side of the driveway. My husband seemed willing, so we took in a space he had planned for potatoes this year, and that called for more work and shrubbery. I was wondering how I was going to get the money to buy all that extra shrubbery, so I started getting up on Saturday mornings, and going to curb market in Kinston, 20 miles away, where I sold chickens, eggs, meat and vegetables

and raised the money to pay for all the shrubbery I set out in the whole yard. Although it is many miles away, I surely do enjoy going to curb market. Last Spring my son started improvements on the out-door living room, and he built seats and a pagola out of some old scrap lumber which didn't cost anything but the time to make them, and the paint which cost one dollar (\$1.00). This fall he built a lilly pool for the out-door living room which cost eighty cents (80c) for the cement. He used some old brick, and I have started a rock garden around it.

My flower garden was moved to the back of the out-door living room, and I have set out six rose bushes, and most all kinds of cut flowers including Dahlias, Gladiolas, Petunias, Narcissus, Tulips, Chrysanthemums, Iris, Peony, Vervena, and many other kinds of flowers.

We have put in an extra driveway this year on the outside of the right hand border of shrubbery for the farming implements to be taken in and out, to keep from cutting up the front driveway so badly. Most of the work done on the entire yard was done by my son and myself. We have hired some one to help us a few times, but I have paid them with money I made by going to curb market.

When we planted the new lawn we made a good seed bed by plowing, and disking it the same as we did the first time, then we sowed 25 pounds of carpet grass seeds for the side and front lawn, and 10 pounds mixed grass seeds for the out-door living room. Now we have a very pretty lawn which attracts very much attention.

During the first year of the contest we set out on the lawn, and around the house 125 pieces of shrubbery, and bought only 30 pieces. The second year I set out 164 pieces and bought 28.

I raised 175 pieces. My friends and relatives gave me the rest.

I have some Crepe Myrtles which I intend for shrubs, and some for trees. I have two Mymoshia trees, and also a few coral-berry shrubs. There are 6 Jananese Roses. I prize all of these for they are some that my mother and grandmother grew in their yards.

For my box flowers, I have 3 different kinds of ferns, four Geraniums, 2 Cactusts, one that blooms at Christmas, the other in May. Two begonias, and one Poinsettia. It is in full bloom now. It is a real beauty, the flowers are so large and rich looking.

This fall when we had our yard tour, my yard was considered the prettiest in the County, and I got first prize. Last year we didn't have but four yards in the contest. This year we had 22, so you see Duplin County is improving her yards. As for myself I can't do enough to it for I can say that I have never done any kind of work that gave me as much

FREE! about STOMACH TROUBLE

Explains the marvelous Willard Treatment which is bringing amazing relief. Sold on irrefutable money-back guarantee.

PRICELESS INFORMATION — for those suffering from STOMACH OR DUODENAL ULCERS, POOR DIGESTION, ACID DYSPEPSIA, SOUR STOMACH, GASSINESS, HEARTBURN, CONSTIPATION, BAD BREATH, SLEEPLESSNESS OR HEAD-ACHES, DUE TO EXCESS ACID.

pleasure as fixing my yard, a place of heavenly rest and peace for all.

I have four married children. They all seem so pleased to come home and find the yard and home looking so nice. We all enjoy getting out in the out-door living room. We have spent many happy hours in it and hope to spend many more.

I must say that my husband is just as thrilled over the yard as my son and I. He brings his friends and relatives around and shows them the different improvements we have made. He realizes that our home is more than just a place to stay. My son is just as proud of it as he can be, and is always ready to help in any way he can.

Since I have joined the contest we have had the out buildings painted, moved an old hen house, and the wood pile, and have built a garage for the car. The cost of all paint is \$57.00, labor \$42.00. We also painted the dwelling house. All that money was raised from the farm products. There has been a ditch filled up which ran across the lawn, and dirt has been hauled for the driveway. We paid out \$5.00 for labor there.

We have bought a water pump, which cost \$55.00. I intend to continue, improving the home, and home grounds as long as I stay able to do so.

SPECIAL BASE WEED PACTS NOW AVAILABLE

(Continued from Page One) able allotment can be obtained under the regular contract.

(4) Farmers who have reduced their acreage since 1929 to such an extent that they cannot obtain an equitable allotment under a regular contract.

(5) Sons of tobacco farmers who have recently become of age and who now own or rent farms of their own.

Tobacco farmers signing a Special Base Tobacco Contract will be given a definite base acreage and base production, and will be required to comply with all provisions of said contract in the same manner as farmers who executed 1934-35 Tobacco Production Adjustment Contracts. The producer will receive \$6.00 per acre, for the difference between the tobacco acreage allotment and the base tobacco acreage.

Application for Special Base Contracts must be made out in the County Office. The closing date for receiving applications is April first.

The United States exists for the general welfare of the people of this nation and when it ceases to function in their behalf then the sooner it is checked out the better.

WANOCA PROGRAM FOR WEEK OF MARCH 18, 1935

Monday-Tuesday
Irene Dunne is the star of "SWEET ADELINE"
This is the first Musical since "Gold Diggers". It was a big stage hit which ran 63 weeks on Broadway.
And a 12-Star Cast Including Donald Woods, Hugh Herbert, Ned Sparks, Joe Cowthorn
Comedy: "No Contest"; also latest M. G. M. News Matinee Each Day 3:30

Wednesday Only
Sylvia Sydney—Gene Raymond in "BEHOLD MY WIFE"

GASOLINE TAX COSTS THE STATE \$132,000 000

Charlotte, N. C.—Motorists in this state have paid \$132,741,422 in state and federal gasoline taxes since a levy was first placed on motor fuel in 1921. The amounts collected each year follow:

1921	\$ 506,018
1922	808,085
1923	3,086,981
1924	4,604,768
1925	6,082,378
1926	7,786,473
1927	8,786,682
1928	9,787,011
1929	12,006,384
1930	12,533,454
1931	14,024,303
*1932	*15,062,283
*1933	*17,846,602
+1934	+19,820,000
Total	\$132,741,422

* Includes estimate of federal gasoline taxes collected. + Both federal and state taxes estimated. (From N. C. Gasoline Tax News)

NEW OFFICERS INSTALLED BY WILLARD AUXILIARY

(Continued from Page 2) The president then announced that after the closing prayer that all were invited into the assembly room of the church annex where refreshments were served including a salad course and tea.

During the supper hour Mr. Currie was presented a check for \$25.00 as a gift from the

New Kidneys

If you could trade your neglected, tired and lazy kidneys for new ones, you would automatically get rid of Night Rising, Nervousness, Dizziness, Rheumatism, Burning, Itching and Acidity. To correct functional kidney disorders, try the guaranteed Doctor's special prescription called CYSTEX (Sis-tax). Must fix you up in 8 days or money back. At all drugists.

church. Mr. Ballinger, treasurer, in a few well chosen words made the presentation and Mr. Currie voiced his appreciation of this token of love and respect from his friends. At the beginning of the year it has been the custom for the members of the auxiliary to draw names of its members. The names so drawn represent what is known as a "Heart Sister." These are to be kept secret during the year but each member remembers her "Heart Sister" by some good deed done for her during the year. At the last meeting these are made known to each other and great joy was manifested by them in this part of the exercises. After the singing of "Blest Be The Tie That Binds", Mr. Currie closed the meeting with prayer.

Try Faster Way to Relieve Your Colds

Medical Discovery Bringing Almost Instant Relief to Millions

REMEMBER DIRECTIONS
The simple method pictured here is the way many doctors now treat colds and the aches and pains colds bring with them!
It is recognized as a safe, sure, QUICK way. For it will relieve an ordinary cold almost as fast as you caught it.
Ask your doctor about this. And when you buy, be sure that you get the real BAYER Aspirin Tablets. They dissolve (disintegrate) almost instantly. And thus work almost instantly when you take them. And for a gargle, Genuine Bayer Aspirin Tablets disintegrate with speed and completeness, leaving no irritating particles or grittiness.
BAYER Aspirin prices have been decisively reduced on all sizes, so there's no point now in accepting other than the real Bayer article you want.

NOW 15¢

Take 2 BAYER Aspirin Tablets. Make sure you get the BAYER Tablets you ask for.

Drink a full glass of water. Repeat treatment in 2 hours.

If throat is sore, crush and stir 3 BAYER Aspirin Tablets in a third of a glass of water. Gargle twice. This eases throat soreness almost instantly.
