When the worries, noise, confusion, high-tension work, or hectic pleasures of your waking hours "get on your nerves," here is a simple time-tested preparation that will bring a feeling of calm and relaxation and allow you to get a good night's sleep. Dr. Miles Nervine quiets your nerves. It is not habit-forming and does not depress the heart. Why take chances with dangerous habit-forming drugs? Why use narcotics that make you dull and de-

Why use narrouses pressed?

Millions have found relief, relaxation, sleep, by using Dr. Miles Nervine. Although first used more than fifty years ago, Dr. Miles Nervine is as up to date as today's newspaper. Nothing better for the home treatment of overtaxed nerves has ever been discovered.

Vous druggist sells Dr. Miles Nerv-

ine. We guarantee relief, or your money back, with the first bottle or

Reliefl

When the sun is blazing hot, your motor heat goes up, too!

To protect your motor, use Germ Processed Oil, which has 2 to 4 times greater film strength and is less affected by extreme motor heat!

YOUR MOTOR runs lots hotter in Summer. That's why you must have oil that maintains high film strength under extreme temperatures to get safe lubrication. Otherwise, the lubricating film ruptures and the bearings and cylinders suffer damaging wear.

Plain mineral oils have little film strength and oils over-renned by new cleansing methods have even less. As motor heat goes up, these oils rapidly lose film strength.

You'll get better motor protection with Conoco Germ Processed Motor Oil. Timken machine tests prove that it has 2 to 4 times greater film strength than any plain mineral oil and that heat above 225° does not lessen this advantage. More proof-supervised road tests were

made in identical cars fitted with the new alloy metal bearings used in many 1935 cars. The bearings lubricated with a high-quality plain mineral oil showed 45% more wear than those lubricated with Conoco Germ Processed, the first alloyed oil.

You'll be certain your motor is safely lubricated even at high temperatures if you say "O. K .- Drain" and fill with Conoco Germ Processed Motor Oil-the oil with the "Hidden Quart" that stays up in your motor and never drains away.
