

New Hair Dressing Styles for the Women

Ferdinand Graff, movie-land hair stylist, presents the new hair styles of 1936 for American women as adopted by the National Hair Dressers association. Left to right are: Helene Eckland of "At Home Abroad," who displays the "Ringlet" style; Violet Carson of "Jumbo" wearing the "Dubonnet" style; Hazel Bofinger, platinum blonde artists' model, displaying the "Dizle"; "Mardee Hoff, recently chosen as the girl with the most perfect figure, wearing "Personality" as a crown, and Ethel Summerville, of "Anything Goes," going high-hat with the "Park Avenue." These girls, it is true, are all New Yorkers, but it is predicted that the fashions in coiffure they are demonstrating will be seen ere long from coast to coast. Which is all right, too, eh?

THE DOCTORS ARE RIGHT

Women should take only liquid laxatives

Many believe any laxative they might take only makes constipation worse. And that's not true.

Do what doctors do to relieve this condition. Doctors use liquid

A cleansing dose today; a smaller quantity tomorrow; less each time, until bowels need no help at all.

Reduced dosage is the secret of aiding Nature in restoring regularity. You must use a little less laxative each time, and that's why your laxative should be in liquid form. A liquid dose can be regulated to the drop.

The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara—both natural laxatives that form no habit even with children. Syrup Pepsin is the nicest tasting, nicest acting laxative you ever tried.

Individual Problem. Legislation may lighten the hand-caps of men a little, but it can do nothing for congenial inefficiency.
