# Wanoca Theatre Features Quintuplets Next Week

Five new stars at one swoop were added to the Hollywood firmament when Darryl F. Zanuck secured the adorable Dionne Quintuplets to head the cast of his "The Country Doctor," the grand new human-interest picture which opens at the Wanoca Theatre.

Everything that has ever been said and written about these marvelous babies pales into insignificance beside the actual sight of them playing and cooing, acting real roles in a real story and surrounded by such Hollywood stars as Jean Hersholt, June Lang, Slim Summerville.

A doctor of the Canadian backwoods is the hero of the picture, played by Jean Hersholt. He is a simple, earthy man and the picture follows his triumphs, his tragedies, and ultimate victory as he fights the pains and ills of his people.

The Quints are themselves... cooing, crooning, "acting" in their first feature-length picture, surrounded by famous Hollywood stars in a human-interest story so stirring it's unforgettable! They steal the show.

If you never see another picture this year, don't miss "Rose Marie," a scintillating new production co-starring Jeanette MacDonald and Nelson Eddy. The glorious voices of the co-

To follow up the meeting held last Friday County Agent McLendon announced today that a series of meetings would be held throughout the County during the next few days at which time he and assistants would endeavor to explain the new farm program to the farmers. At these meetings, Mr. McLendon said, round table discussions would be held, thereby enabling farmers to ask pertinent questions on the program. In this way, Mr. McLendon thinks, more people vitally interested in the workings of the new set up will be able to familiarize themselves with it.

Mr. McLendon also announced that he hoped to get out notices immediately to all farmers as to their planted acres of tobacco and cotton. By doing this he feels that then with an explanation the farmers will better understand the program.

Time and places of the scheduled meetings, as announced today, are: Warsaw high school auditorium, Monday, April 6, 8:00 P. M.; Oak Grove school house, Tuesday, April 7, 2:30 P. M.; Calypso high school auditorium, Tuesday, April 7, 8:00 P. M.; Wallace high school auditorium, Wednesday, April 8, 8:00 P. M.; Rose Hill high school auditorium, Thursday, April 9, 8:00 P.
