

**WAKE KINSTON CONVICT NEAR TEACHEY SUNDAY**

Jesse Moore, 24-year-old colored convict at the State Highway prison camp at Kinston, walked off Saturday afternoon, stole a car, wrecked it, and was arrested early Sunday afternoon near Teachey by prison camp officials, assisted by Deputy Sheriff Howe B. Dunn. Moore was returned to Kinston to complete his sentence.

Officers from the prison camp said Moore, who was serving a term for housebreaking in Lenoir County, stole the car used in his getaway, from the man into whose home he broke, thereby causing his present sentence.

**MOTHER'S DAY SERVICES HERE AND AT CHARITY**

Special services pertaining to the observance of Mother's Day will be held in the Wallace Methodist Church on Sunday morning, the pastor, Rev. E. C. Maness, stated Tuesday, and extended the public an invitation to attend. The regular evening service will be held at 8:00 o'clock instead of at 7:30, he added. This change in hour will continue throughout the summer months.

A somewhat similar observance of Mother's Day will be held at the Charity Methodist Church Sunday afternoon at 3:30 o'clock, Mr. Maness said.

**STRAWBERRIES FLOOR MART; 50,000 CRATES SOLD**

Last night that the 40-odd buyers on the world's largest strawberry market have already paid out approximately \$295,000.00 to growers selling at the local auction shed. Should the average be consistent, and the volume continue, it is assumed that near a half million dollars will have been paid out by the local market by the end of the season. Offerings during the past week have shown a gradual and emphatic rise, with a very slight lapse following the peak day, Monday, when 15,029 crates were auctioned off. The market rose again yesterday, however, and gave indications of continued heavy movements until at least through April 20. Daily totals during the past week are as follows: Thursday, 4,912; Friday, 5,160; Saturday, 8,765; Monday, 15,029; Tuesday, 12,048; and Wednesday (yesterday), 13,000. Throughout this week the market has been forced to run on a twelve hour schedule.

ceive at a garden party at the White House. Discussions are to be held on vital topics, such as safer motherhood, how rural women are meeting their economic problems, cultural interests of rural homemakers, and international relations as they affect the rural home. Tours will be made of Mount Vernon, the United States Department of Agriculture, and the Bethesda Farm Women's Market. Special exhibits of crafts are planned, and plays and episodes revealing how the federal government is co-operating in extending educational services into all rural homes will be presented. Duplin women who plan to attend the meeting should get in touch with Miss Martin in order that transportation arrangements might be made.

**DIFFERENTIATES COMPACT ACT AND CONS. PROGRAM** (Continued from Page One) information to be given to the grower as to the amount of soil depleting crops planted on the farm and the amount of soil conserving crops necessary to carry out the purpose of the program, and by which all payments are collected. The filling out of the work sheet does not place any obligation upon the grower.

The time limit for making out work sheets has not been set, but possibly will not last longer than the 20th of May. All farmers are urged to fill out work sheets in order to find out if they are eligible to receive payments under the program.

**WELFARE STUDIES** (Continued from Page One) no superintendent of welfare, the certifying case worker should attend.

Plans are being worked out whereby the School of Public Administration of the University of North Carolina might be able to give credit to persons taking part in the institute proceedings, Miss Cassatt said. The State Board's plan is to extend the training opportunity to other staff members of every board of welfare.
