My record in congress, my consistent support of President Roosevelt and the Democratic Administration, my activities in the interest of Agriculture; improvement of Waterways, Public Buildings, Federal Aid to Roads, Veterans' legislation, Veteran's claims and the President's Social Security Bill, which includes Old Age Pensions, I believe justify my asking for the support of the

Democratic voters of this district in the Primary to be held June 6.

I selected as my office staff Mr. Tom McGee and Miss Emma Gibbs Morrissey, both natives and life-long residents of the Third Congressional District (neither of whom is related in any way to me or my family).
