leading amateur astronomers of the world and is thirty-two years old, has discovered five comets. The new comet is of the ninth magnitude, visible through small telescopes, and is moving slowly through the north heavens near the pole.

Scenes and Persons in the Current News

1—Gen. John J. Pershing delivering the principal address on Memorial day in Arlington national cemetery, Washington. 2—Admiral Joseph M. Reeves, commander-in-chief of the United States fleet, being decorated by "Neptune" as the battleship Pennsylvania crossed the equator, the sea queen standing by. 3—Jean Trowbridge of Stuart, Iowa, winner of the national spelling bee in Washington, receiving plaques for herself and her school from Dean George B. Woods of American university.

In the Scroll Case at Norris Dam

This scroll case at the Norris dam in Tennessee forms the lower end of the penstock or tube which conducts water from Norris lake to the turbines of the power plant. The swirling water will pass through the wicket gates or valves to the right of the workman, and thus into the turbines. There are two of these scrolls at the Norris dam, one for each generator.

Count Potocki Is Newly Selected Envoy to Poland

Count George Potocki, Poland's newly appointed ambassador to the United States, who arrived on the new motor liner Batory's maiden voyage. The count is an Oxonian,

a big-time hunter and a member of one of the most illustrious families in Poland. He is popular with American sportsmen, many of whom he has entertained on his extensive hunting preserves at Lancut, in southern Poland.

Lindbergh Minnesota Estate to Be State Park

Flyer's Early Home Will Become Shrine Honoring Air Feats

On the ninth anniversary of Col. Charles A. Lindbergh's non-stop flight to Paris, WPA announced its final plan for the project to make the Lindbergh estate at Little Falls, Minn., a state park at an expenditure of \$23,777. The residence is shown at right.

Scorns Shorter Name

Boise, Idaho.—Although his name is Ed Garroguerricacachearria, a Boise barber born in Spain didn't ask to have it changed when he applied for final citizenship papers here recently.

J. One in starting one of these backfires that five CCC youths were burned to death and nine others were injured.

Young Priests Ordained by Cardinal O'Connell

With Cardinal O'Connell celebrating the ordination mass, 87 graduates of St. John's Ecclesiastical seminary were ordained in the Cathedral of the Holy Cross, Boston. The photograph, taken during the solemn service, shows the new priests before the altar. The cardinal can be seen seated in the center officiating at the mass. Following the ordination ceremonies the young priests were assigned to parishes in the diocese.

Earth's Temperature May Be 8,000 Degrees 100 Miles Down

Wells, water, gas or oil, show what the interior of the earth is like. Deep wells in California reveal that the temperature of the earth rises about one degree for every 25 feet of depth. In Wyoming the temperature mounts one degree for each 22 feet. At 3,500 feet there, water boils. Other parts of the earth are not so hot, however. The average rise in temperature is only about 80 degrees per mile, or about one degree for each 66 feet of depth. At this rate, the temperature of the earth 100 miles down may be 8,000 degrees, only a thousand degrees cooler than the sun's surface!

Week's Supply of Postum Free
Read the offer made by the Postum Company in another part of this paper. They will send a full week's supply of health giving Postum free to anyone who writes for it.—Adv.

Another Hand

On the sea of matrimony the hand that rocks the cradle isn't the hand that rocks the boat.

A Friend, Indeed
The king can do no wrong, neither can your friend if you think enough of him.

Sprinkle Peterman's Ant Food along window sills, doors, any place where ants come and go. Peterman's kills them—red ants, black ants, others. Quick, Safe. Guaranteed effective 24 hours a day. Get Peterman's Ant Food now, 25c, 35c and 60c packages at your druggist's.

Thrift Begins Low
Thrift begins with the 50-cent pieces, not with the \$5 bills.

DO you suffer burning, scanty or too frequent urination; backache, headache, dizziness, loss of energy, leg pains, swellings and puffiness under the eyes? Are you tired, nervous—feel all unstrung and don't know what is wrong?

Then give some thought to your kidneys. Be sure they function properly for functional kidney disorder permits excess waste to stay in the blood, and to poison and upset the whole system.

No Need to Suffer "Morning Sickness"

"Morning sickness"—is caused by an acid condition. To avoid it, acid must be offset by alkalis—such as magnesia.

Why Physicians Recommend Milnesia Wafers

These mint-flavored, candy-like wafers are pure milk of magnesia in solid form—the most pleasant way to take it. Each wafer is approximately equal to a full adult dose of liquid milk of magnesia. Chewed thoroughly, then swallowed, they correct acidity in the mouth and throughout the digestive system and insure quick, complete elimination of the waste matters that cause gas, headaches, bloated feelings and a dozen other discomforts.

Milnesia Wafers come in bottles of 20 and 48, at 35c and 60c respectively, and in convenient tins for your handbag containing 12 at 20c. Each wafer is approximately one adult dose of milk of magnesia. All good drug stores sell and recommend them. Start using these delicious, effective anti-acid, gently laxative wafers today. Professional samples sent free to registered physicians or dentists if request is made on professional letterhead. Select Products, Inc., 4402 23rd St., Long Island City, N. Y.
