Sentinels of Health Don't Neglect Them! Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of waste matter. The act of living—life itself—is constantly producing waste matter. The kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as nature intended, there is retention of waste that may cause body-ache, dizziness, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out. Frequent, scanty or burning passages may be further evidence of kidney or bladder disturbances. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess potassium body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed by the country over. Sold at Doan's. Sold at all drug stores. DOAN'S PILLS

Market Boosters Will Visit Duplin

Whiteville Motorcade Will Cover Six Counties Next Wednesday WHITEVILLE, July 17.—The boosters of the Whiteville tobacco market will tour the following counties on a motorcade on July 28th: Robeson, Bladen, Cumberland, Harnett, Sampson, Duplin. About 25 cars with over one hundred representative citizens, headed by a beautiful, sound equipped sedan, "The Voice of Whiteville", will leave Whiteville at 8:30 Wednesday morning headed for Evergreen, Proctorville, St. Paul, Hope Mills, Fayetteville, Made, Godwin, Lillington, Erwin, Coats, Dunn, Garland, and Elizabethtown. Short stops will be made at all of these places and intervening communities. This is a more of a get-acquainted motorcade to let farmers know that the entire citizenship of Whiteville is vitally interested in the development of their town, and of the great activity about the warehouses as they are preparing for the greatest season in the history of the Whiteville tobacco market. Whiteville has six big warehouses and three sets of buyers and there is a likelihood of a fourth set being here, due to the enormous crop of tobacco in this section. A boosters rally was held at the New Columbus Theatre on Tuesday, August 13th, and was the occasion of several enthusiastic speeches and the determination of everyone present to sell Whiteville's big tobacco market to the world. The operators of all warehouses are in town and several of them who live in the Old Belt say that the crop in this area is not only better than it is in the old belt but the best they have ever seen in this section.

Ministers and Laymen Join in Louisburg Forward Movement Program Louisburg, July 21.—Organization in the Louisburg College Forward Movement Program has now proceeded to the point where in most instances county committees and local church groups have been set up. Within a few days practically all local churches in the entire North Carolina Methodist Conference will have selected their respective groups. The Forward Movement Program is a concerted effort on the part of Louisburg College with the aid and backing of the North Carolina Conference to raise \$100,000 for the purpose of wiping out its present indebtedness and making certain necessary improvements. The plan of organization includes not only general and district groupings but local county and local church groups as well. Ministers and laymen of all types are included in these units. With all of these set up, the big day comes on Sunday, July 25th, when throughout the Conference in all the churches Louisburg College Day will be observed. Several persons in Duplin County and surrounding territory are taking part in the Forward Movement Program of the College. Ministers are Rev. A. L. Thompson of Faison, Rev. E. C. Maness of Rose Hill, Rev. E. F. Waters of Warsaw. Sponsors for local churches are Florence Bryant, Wallace Church, of Wallace; Ben G. Fus-
