## Wallace Tobacco Board of Trade

J. Roy Baines, Secretary-Treasurer

We will operate the BRICK WAREHOUSE this season and hope that all our customers and friends who have sold with us in previous years, and all the new ones that will, please bring your tobacco to us at the Brick house this year and we will do our best to give you the most dollars and the best of service possible.

In order to have more room we are taking the stores out of the front of the warehouse so as to have plenty of light and room.

O. C. BLANCHARD & W. H. FARRIOR
