MacMillan and S-2C Winfred Brown. A picnic lunch was served and in the afternoon were church reports, talks and singing. A large crowd attended.

It will hallow our friendship with our guests in the house. It will reinforce the influence and work of the church, the church school and agencies helping to establish the Christian ideal throughout the world.

It will encourage other homes to make a place for Christ and the church.

It will honor our Father above and express our gratitude for His mercy and blessing.
