As a special attraction, featured for the first time this year, a dance will be held in the school gym with music provided by a juke box. This will be under the direction of Coach Overman, Mr. Webb, and Miss Daugherty. Admission will be charged at the gym door, but those attending the dance will be allowed to come and go as they please, the spokesman disclosed.

A turkey raffle, cake walks, an auction, house of horrors, and a fortune telling booth, will be only a few of the attractions at the affair.

Plenty of good things to eat will be available, such as hot dogs, iced soft drinks, home-made candy, etc., the spokesman said.

The Halloween fete is an annual affair, sponsored each year by the Parent-Teacher's Association, with all proceeds to be used in connection with projects right in the school.

Everyone is invited and urged to attend for an evening of fun and entertainment.

The Warsaw - Wallace gridiron battle is expected to be one of the most thrilling of the current season as the Tigers will be seeking revenge on the locals for the upset last year when the 7-7 tie brought the Warsaw team down from the East Central Class A Conference championship slot to the co-champion position with LaGrange.

Chief Buying Emphasis In Duplin Is For Food With 26 Cents Of Each Dollar Going Into Grocery Stores

Retail Business Of County Amounted To \$18,161,000 Last Year, An Increase Over The \$16,949,000 Recorded In 1953; More Luxury Buying; Buying Is \$505 Per Family

CARS, FARM MACHINERY SALES SHOW INCREASE
General Merchandise Stores Account For 14 Cents Out Of Dollar

(Special To The Enterprise)
NEW YORK — With incomes of Duplin County residents running at a high level, the questions arise: How much of this money are they spending? Where are they spending it and for what?

Answers to the questions are contained in a copyrighted study made by Sales Management of the spending habits of people locally and in other parts of the country. Put under the spotlight are each community's purchases of food, auto, general merchandise and the like.

In Duplin County most of the earnings in 1954 went into the cash registers of the local retail stores. These expenditures produced retail business in the amount of \$18,161,000 for the year, an increase over the \$16,949,000 recorded in 1953.

The chief buying emphasis was on food, which took 26 cents of each dollar spent in the local stores. It was more than families elsewhere in the United States allotted. The average was 24 cents. In the State of North Carolina it was 22 cents.

The volume of such purchases indicates a trend toward more luxurious living. Duplin County's food bill, in meat markets, grocery stores, delicatessens and such, came to \$4,852,000 in the year, an increase over the \$4,323,000 of the prior year. Divided equally among

the local families, this amounted to \$50 per family.

The local ability to indulge in more and better food is but one facet of an overall improvement in the standard of living.

Luxury buying in Duplin County was indicated also in outlets selling new and used cars, farm machinery and other automotive equipment. Such sales ran to \$3,562,000, compared with \$3,408,000 the previous year, accounting for another 19 cents of the retail dollar.

Another outlet was in general merchandise stores, including department and variety stores. The volume was \$2,599,000, amounting to 14 cents.

Local sales of furniture, household equipment and radio and music supplies were \$1,091,000, equal to six cents.

Drug store operations came to \$564,000, for an additional three cents.

The Bullpups football team, organized recently by Nearl Carlton, eighth grade teacher at Wallace School, will play their first football game of the season on Friday afternoon, traveling to LaGrange for a 3:30 contest. LaGrange will return the game, coming here for a contest next Friday.

Probable starting backfield tomorrow afternoon will be Sonny Shelton, LH; A. J. Carr, RH; Jimmy King, FB; Edgar Warren, QB, but has not definitely been decided as yet, the Coach disclosed.

A group of grammar grade boys weighing over 115 pounds are also working out under the direction of Coach Carlton, and it is hoped that a game may be scheduled for them in the near future.

The Bullpups have been practicing for approximately ten days.

Electric Co-Op To Increase Debt Limit

The Four County Electric Membership Corp. plans to increase its debt limit from five million to 46 million dollars.

The action was approved yesterday by members of the cooperative, which serves 9,200 customers in Duplin, Sampson, Pender and Bladen counties.

Some 2,000 cooperative members were told that the increase was necessary to assure future expansion capital as needed. J. A. Ward, secretary-treasurer of the cooperative said engineering studies showed that by 1980 the cooperative will be serving 14,000 members.

The increased debt limit, he added, will permit the cooperative to construct its own power generating facilities if such a step proves feasible.

"Driving to the right of center will come in for particular attention," he cautioned. "We have received orders from higher up to give the strictest enforcement possible to this law, violation of which has been causing an unusually large number of fatalities lately, including the last one in our own county."

Another violation set for stricter enforcement is "no passing when yellow line is in your lane," he said. "Some folks are getting careless about observance of the yellow line."

Improper or the so-called "gutted" mufflers will also receive attention, he said. "Traffic laws are made for everyone's safety and convenience. Drive like your life depends on it because it does," he added.

One of the most thrilling gridiron battles of the current season is anticipated for Friday night when the Warsaw Tigers travel to Wallace to meet the south Duplin town's Bulldogs in the Wallace American Legion Park.

Despite the fact that the Warsaw team has lost seven men during the season this year due to injuries, feeling is running high in Warsaw that the Tigers will be the team to upset Wallace's undefeated conference record.

Coach Bill Taylor's eleven will go into the Friday night game with an entirely new backfield from the one that started the season except for quarterback Charles Braswell.

The Warsaw team is in high spirits, it was learned today, and has been practicing long and hard all week in preparation for Coach Theil Overman's single wing Bulldogs.
