

# M'berg Routs Kinston Nine Two Straight Over Weekend

Saturday's and Sunday's diamond events matching a local aggregation under the Marshallberg banner against a crew of Kinston "All-Stars" provided fans with a satisfying post-season demonstration of effective action on the base trails by local runners while registering little difference in hitting or pitching skill between the two squads.

Webb, pitching for Marshallberg Saturday, fanned six batters, and his teammates chalked up 12 hits and one error to score a winning 6 runs. Galling, the Kinston battery, struck out 2, while Kinston batters tied their opponents' hitting and error tally, yet recorded a losing 4 markers.

On Sunday three Marshallberg pitchers kayced one batter apiece, their team registered 9 hits and one error, vanquishing the Kinston nine, 7-0, although Kinston recorded no less than 7 hits, 2 errors, and 4 strike-outs by their batteries.

A determination to bring home the bacon as well as play heads up baseball appeared to account for the two victories against the formidable Kinston invasion.

Pate, McKamey and "Ace" Harris hurled for Marshallberg Sunday, and the visitors' batteries were McLowhorn and Wilson Pasquale received for Marshallberg both days, and A. Jones was the Kinston catcher.

Throughout the two games fans had an opportunity to observe some classy form by AAA veteran Bobbie Wilson, who played the past two seasons for the Baltimore Orioles and is slated for a Cleveland Indian uniform. Experienced at the short-stop and 2nd base positions for Baltimore, Wilson operated at short-stop for Kinston Saturday and hurled a lightning-like speed ball from the mound Sunday.

McLowhorn, starting on the mound Sunday, also played for Baltimore the latter part of this summer. Thrill-seeking hometown rooters got their money's worth once Saturday and again Sunday when Pasquale knocked a homer to score three runs the first day and Holloway led off in the 3rd inning Sunday with a 4-bagger.

Saturday's play was nip and tuck but scoreless down through the first of the 4th. Then Marshallberg came to bat to draw the first blood of the ball game, with Pasquale accounting for the lone run. Pasquale went to bat on a single, a sacrifice hit by Stoy sent him to 3rd, and a double by Hamilton gave him an easy trip home. Two other runners died on base when the last two batters flied out.

In the first of the 5th Kinston set the pace with 3 runs. Eight of the visitors had a chance at bat, knocking 5 hits.

Marshallberg retaliated with 2 additional markers and ended the 5th stanza, 3-3. Holloway and Verbanic made the runs. Holloway was walked to 1st, hit to 3rd by Verbanic on a double, then took advantage of a fly-out by Gardner to travel home. After Verbanic doubled, a fielder's choice on a grounder by Pasquale let him make 3rd, and Stoy knocked him in home. Hamilton grounded out to end the scoring for that inning.

the hickory to knock two men in and cross home plate himself on the only homer of Saturday's game. Pasquale came to bat with one away. Verbanic on 2nd and Gardner on 1st. Knocking the ball outside of the park just to the right of the 3rd base line, Pasquale accounted for 3 markers, and the score went to 6-4, which was the final tally.

Marshallberg struck paydirt the first inning of Sunday's game as Holloway scored one run. Following Hansil to bat, Holloway got on 1st with a hit, made 2nd on the 1st baseman's error. Hansil out at home and was given a trip home when Pasquale was walked to 1st.

Holloway's homer started the 3rd inning off with a bang. Verbanic came after him for a long fly to right field which gave him a single. Verbanic then rounded to 3rd on a hopper into right field by Hawkins and came home when E. Davis was caught out in center field. Seven Marshallberg men batted in the 3rd stanza for 2 runs off of 3 hits.

Returning to bat in the 4th, with Kinston still zero, Marshallberg doubled the score chalking up 3 runs off of one hit. Eight men batted. Kinston yanked pitcher

## Army Juggernauts Crush Air Base Marines, 58-6

### Shepard, Injured In First Period, Returns From Hospital to Score

The Cherry Point Flyers bowed under a terrific drubbing by a bigger, heavier Fort Bragg Army eleven at Fayetteville Sunday for a final score of 58-6.

Shepard, flyer quarterback, ran the lone Marine touchdown after being evacuated to the hospital early in the game and returning to play against doctors' orders.

Davidson, the Army signal caller, ran wild against the outclassed Flyers, crossing the diagonals for four of the winning TD's. Also outstanding in the Army line-up were McAfee, a Negro tackle, and Hildebrand, a back.

The performance of Marine Kreamcheck in the line was conspicuous and Whitehead starred at end.

Shepard was injured on the third play of the ball game and carried to the hospital in an ambulance. He left the hospital against the doctors' orders and returned to the game to score six points.

### Use of Bait Outmoded By Casting and Bare Hands

Jack Windley, Beaufort, reeled in 17 speckled trout averaging 2 pounds each from a boat near Atlantic Beach bridge Saturday. The catch was made casting with a Mae West plug. Mr. Windley believes that platforms should be built on bridges in this area to encourage such fishing.

For the oddity of the week, Eugene Garner caught two hog fish with his bare hands while he and W. D. Gatlin were fishing in the creek last Monday. Mr. Garner works at Tidewater Power Co.

McLowhorn, and Wilson came to the mound.

Hansil scored the 1st run and the inevitable Holloway and Verbanic added two more. Four balls put Hansil on 1st, he stole to 2nd, and Holloway singled to bring him in home. Holloway travelled to 1st on his hit, took 2nd when Verbanic walked, made 3rd and home as Wilson twice pitched wild. Verbanic's record was: 1st on a walk, 2nd, 3rd and home on wild pitches.

Marshallberg's 7th run was recorded by Elvin Davis in the 6th frame. He singled to 1st, went to 2nd after Pasquale walked and was brought in home by Stoy's hit.

Pasquale had a few bruises to account for his trips to base. He was hit by the pitcher for no less than three free trips to 1st. Two other times he was walked on balls.

Manager Chapel Nelson expected to schedule another post-season event next weekend, but the contender for his Marshallberg nine is uncertain as yet.

## Sport Fishermen To Win Awards October 15th

### 42-Pound Sailfish Leads In Class A Division; Caught By Tarheel

Unless some angler fishing from aboard a charter boat that is a member of the Morehead City Boatmen's Association catches a sailfish that weighs more than 40 and half pounds between now and October 16, D. R. Rork of 602 West Kivett st., Asheboro, will win the \$100 cash prize offered in the first annual Sport Fish Round-Up here, according to Dan Wade, secretary of the event's sponsoring organization. The Rork sailfish was caught while he fished from aboard Capt. Bill Ballou's "Victory."

Local charter boat skippers were expressing the opinion that with calm waters now in the wake of turbulent seas brought about by a lingering northeaster there would soon be better sailfishing conditions. There is a good possibility that the species of class A fish will be out-sealed during the current fortnight. Class A fish that mean \$100 cash prizes if caught off Morehead City and from aboard Boatmen Association craft include sailfish as well as blue and white marlin, tuna and tarpon.

The first annual sport-fish contest began on July 15. Possible winners entered in the contest to date include a 31 and a half pound amberjack landed by a woman Mrs. C. F. Tynall of New Bern landed this fish while she was fishing aboard Capt. Otis Purfoy's boat "Shearwater."

A 26 pound and 12 ounce wahoo, caught by Thomas F. Patwe of Maiden aboard Capt. James Howland's cruiser, "Bill-N-Jim" is the largest and one of the few fish of its species taken this year and entered in the contest. If its weight is not topped, the wahoo, amberjack and all other fishes in Class B and Class C Divisions will win merchandise awards.

Dr. Leslie Kee's 18 and half pound dolphin caught while he fished with Capt. George Beddworth aboard the "Dolphin" in Capt. Purfoy's fleet is slated to be a winner unless someone does something about it during the next two weeks, something such as catching one of these fast and colorful fishes that weighed more than 18 and a half pounds.

A 17-pound grouper taken aboard Capt. Percy Howland's boat "Ann" by E. M. Knight, Jr., of Rodsville is the largest of that species to be taken so far during the contest.

A sheephead weighing seven pounds and four ounces landed by O. L. Powell of New Bern aboard Capt. Jim Styron's charter boat Pat is the largest of that species and a two pound, 10 ounce Spanish mackerel, if not outweighted will bring its captor A. W. Jittman of Durham a merchandise prize. The mackerel was caught aboard Capt. Al Pittman's "Lois Nancy."

Leslie Darby of Plymouth fished aboard Purfoy's "Dolphin" and landed an eight pound, four ounce triggerfish. Unless it is outclassed the trigger will win a merchandise prize for Darby.

Tar Heel Threat... by Pap

Leslie Darby of Plymouth fished aboard Purfoy's "Dolphin" and landed an eight pound, four ounce triggerfish. Unless it is outclassed the trigger will win a merchandise prize for Darby.

Larger sailfish than the 42 pound have been taken with rod and reel here this season but it was not eligible for entry in the contest due to a ruling of the sponsors requiring that the fish entered for prize must be taken aboard the craft of a member of the Morehead City Boatmen's Association.

As early as 1737 the recognized flag of the New England colonies had a blue field with a white union quartered by a red cross. Such a flag, with a green pine tree and red, was carried at the Battle of Bunker Hill.

The University of Santa Clara Broncos have a novel method of publicizing their football schedule. It's printed on the inside of book matches.

Under new All-America pro football Conference rules teams must get the ball in play 25 seconds after the ball is dead, instead of 30.

Tibet has no railroads and no highways.

CRAVEN STREET  
BEAUFORT, N. C.

IT MAKES good sense to have your car serviced regularly. The wise motorist makes it a habit to have his car lubricated every 1000 miles, and a complete "Physical Exam" every 5000 miles.

Take a look at your Ford's speedometer, today. If it's nearing a "5000" mile reading, bring it "home" to us for your Ford's "Physical" — which includes a thorough engine, ignition, electrical, wheel and brake check... and a complete inspection of the body, inside and out.

When you make it a habit to let us check your Ford regularly, you're sure to keep the top performance that's built into your car. It's the right way to catch the "little things" that can develop to make driving unsafe. You'll be surprised how much money you'll save throughout the life of your Ford, with regular Ford care.

Your Ford Dealer invites you to listen to the Fred Allen Show, Sunday Evenings—NBC network. Listen to the Ford Theater, Friday Evenings—CBS Network. See your newspaper for time and station.
