

Havelock-Cherry Point

Mrs. Ruth T. Richardson, Editor 12 S. Craven Dr., Havelock

Public Works

June Willis Rides Ferry

"June" Willis is a commuter on the ferry boat nowadays, since he and his wife and son have moved down Arapahoe way. We miss 'em in Havelock. The Glenn C. Walters have recently had guests from San Francisco and Mrs. Paul Fisher and a son, Harry, have returned after a visit to Paul's parents in Durham.

Remember Virginia and Norman Lockner? They're now the parents of a baby daughter, born Aug. 19, and christened Jeffrey Norma. Ruby Scott's daughter Pat is a freshman at ECTC this year. She's a talented gal and should be popular addition to the campus.

Harry Brown was relieved to have a wire from his sister in Miami stating she was safe and sound, after the recent "blow" there. Susie Moore and Mabel Rountree were among the delegates at the N. C. Woman's Club District Meeting at Jacksonville on the 30th.

Sorry to hear of the illness of Mrs. Lee Booth. And "Speedy" Jordan has been nursing a foot ailment. Bill Robinson is working back with Public Works after going to N. C. State College for a spell. Says he thinks he's going to "feel a D R A F T". Other employees back with us after an absence are Andrew Hickman and Cleveland Parsons. Also welcomes here extended to Luther Turner, Theodore Green, Thomas Fisher, William Lewis, Ollie Allen, and Aiden Harris.

Resignations have been handed in by Harold Harper and Jacob Dove. Congratulations are in order for Jim Tyndall and Andrew Holmes, who have received promotions. Thomas Latham observes a birthday this month.

The department welcomes two new officers, Lieut. H. M. Cahn and W/O S. J. Eszenvi. We're sorry to see Lieut. W. H. Griffiths, who leaves for duty at Point Mugu, Calif. Best wishes for a pleasant cruise are extended to him and his fine family.

Bill Reynolds is back after a leave. Other vacationers include Oscar F. Olsen, Claude Dowdy, Jacob Tyndall, and Benjamin Windley. Chas. L. Atkinson is taking a little time off—hunting "maybe"—and Gertie Gaskins is going to stay home for a couple of weeks and just relax. Says she may do some fall sewing, so she'll probably be dressed to kill when she comes back.

Mr. and Mrs. Fay Morris were in hand at Chapel Hill to see Carolina beat Texas. Denslow Lawrence is back at work after a short illness. We hear that W. Laughinghouse has been busy around his house, insulating for that cold weather that's just around the corner.

Vacation Days Continue

Lela Tarbox spent a delightful vacation visiting friends and relatives in Virginia with her time being divided between Hampton, Williamsburg, and Norfolk. Bertha Casselberry spent a quite peaceful vacation at home, and J. D. Dickens spent his vacation touring Illinois, Nebraska, Missouri, and Kentucky and says he had a wonderful time.

Lucille and Mac Garner spent the weekend in Enfield visiting friends and relatives while there attended a birthday party for Lou's grandmother. Harry Price and family enjoyed the historic scenes of Raleigh for the weekend.

Kay Manard has recovered from her recent illness and is back to work.

A bridal shower was given in honor of Gladys Ipeck at the home of Mrs. E. J. Shrubar, which was beautifully decorated by a profusion of fall flowers. Miss Ipeck was presented a gift of china by her hostesses, Helen Jowdy and Mrs. E. J. Shrubar.

Congratulations to Inez Willis, Rita Stillway, and Albert Gianotti in their recent promotions.

Our deepest sympathy is extended to Edwin D. Martin whose father passed away recently.

Navy Supply welcomes on board Eugenia P. Ainsworth, Lee Jones, E. George Whitehead, Joseph Harrold, Jr., Rolander White, and Eunice Brickers. We say goodbye to two old timers, Palma Holton, who has transferred to O&R and Robert Smith who resigned because of ill health.

Hodge-Podge

Eyes pop open and mouths gap when Maurice Richardson, Commander of N. C. Armvets Post No. 1, Havelock, relieves his trip to Wilson where he attended the State department executive committee meeting. Guess he'll start charging for his "lectures" after he returns from the State Convention which will take place on October 2 and 3 in Raleigh!

Recent visitors include the daughter of Herman Schoppaul, Misses Alice and Eleanor Merritt and Mr. Henry Merritt who were guests of L. B. Smith. Mrs. G. E. Hornsby, mother of Lyda Jenkins, a group of friends from Durham spent the weekend with the W. H. Holloways. Mrs. J. F. Tuttle has had her daughter and girl friend, from Elizabeth City, and two very interesting and charming guests from Rocky Mount. These are two seventy-nine year old twin sisters. Mrs. Heffner had Mrs. Will Crouch and her daughter, Christine, as recent guests. Roger Roberson has had house guests from Durham and Mr. and Mrs. J. J. Moose have been entertaining Mrs. Moose's sister and her husband from Winston-Salem!

Public Works

Public Works welcomes to its ranks several new employees, among them Lulu Fowlkes, Thomas H. Latham, Harrell Lloyd, Geo. L. Springs, Silas Ward, and Ernest L. Dale. Also Eugene Baily is back at the Paint Shop after an absence, during which time he worked for others.

Benjamin Windley is back after an illness; also on the sick list is John Cuthrell. Glad to report that Mrs. Clayton Hancock is improving after an illness.

Ann Frye was honor guest at a nice party the other night, at which Ann Denny and Dot Barfield were hostesses. Mrs. Frye is resigning in the near future to make homemaking a full time job.

Susie Moore had as recent weekend guests her parents, Mr. and Mrs. L. F. Moore, and her aunt, Miss Pearl O'Neal, of Oriental. And Mary Healey has had as house guests her husband's parents, Mr. and Mrs. Philip N. Healey, Sr. of Baltimore, Md./Sgt. Healey, away on maneuvers, was able to return for a brief leave during the weekend of the 18th.

The proposed reactivation of Edenton has caused a bit of a stir

Motor Transport

H. A. Blackwell and D. C. May, our two quartermen, have been awarded the Supervisor's Training Certificate from the Navy's Work Improvement Program. This course was conducted by the training staff, with assistance of commissioned and civilian supervisory personnel. The training consisted of instruction in organization, administration, and management. Congratulations, you two!

James McCues and family have gone to Pa. to visit his father who

at Camp Lejeune. Eleanor says "Thanks" to all who sent flowers, notes and cards while she was sick!

Now on the rolls of this Division, Irene Bunch says she is glad to be back at work. We remember her (1) from working at the Raion Board and (2) as Secretary in the inspection office. October is a memorable month for Irene in that she celebrates her birthday and wedding anniversary. A combination party to these two celebrations will be held at Thompson's Fireside and a gala time that will be just what she has definitely sworn off washing clothes at night and leaving them on the line until morning. Ask her why!

Two recent visitors to that office were Mrs. Anna Hardy, of the Area Wage and Classification Office, Norfolk, and Mr. E. D. Colquhan, Civil Service Commission Inspector. Out at the Board of Examiners we met new employee Vivian Morton, who formerly worked at Camp Lejeune, and Mrs. K., Training Section. It is still reliving her recent wedding anniversary. While shopping around the Telephone Exchange I heard that Billie Chief has been out sick. Betty Lamb is the new operator. . . . and that Herbert Squires is transferring to NAS, Jax. That is his home and he owns a house there, so we can't blame him for making the change.

Wandering around the legal office reveals that Lillian Neal is on a diet. Wonder why? These new men you see at the Fire Department are Kermit Brinkley and William Braddy. Nice 'krowin' you!

Answering an appeal for a rare type of blood which was needed to give a transfusion to Mrs. William Gray, wife of an O&R employee, was Mahlon Scott, another O&R employee. At the same time an appeal for type O positive was made for Mrs. Sarah Gaskins and Ira Bell, Navy Supply employee, answered the call. As it turned out, he was not needed.

This is another indication of the solidarity among Station personnel and we wish to give an extra large orchid to these two men.

Our latest report on the ferocious felines around the home of Dewey Connor is that the number has been cut down to three. Don't somebody want a nice mouse?

We bet that the reason Tony Croce is driving more slowly these days could be his snacking new maroon Ford. It sure is a beauty! And have you seen Orin Dixon driving to work in his own Willys station wagon?

Congratulations are due Susan Bridgman, Edna Dixon and Lonnie Rhue on recent promotions. . . . and Ebel Gillikin, Alonzo Smith, Jr., John Rosling, Roland Parker and James McBride who are celebrating birthdays!
