

# Salt, Vinegar Cleans Copper

By Ruth Current  
State Home Demonstration Agent  
Special metal cleaners which require very little rubbing are available for cleaning copper. If you prefer, salt and vinegar or lemon will do a good job. Sprinkle the copper with salt and then rub with vinegar or a slice of lemon. Rinse well and dry with a soft cloth.

In selecting all roasting and baking utensils look for materials sturdy enough not to warp when exposed to high oven temperatures. Few seams, smooth edges, and rounded corners all make cleaning easier. Study the size and shape of your oven before buying casseroles, utility pans, muffin tins, cake and pie

pans. Wherever possible select utensils which can be used for top range as well as for oven cookery.

Plain seams in unlined jackets or in ravelly materials may be finished by turning the edges and machine stitching.

Here is a new idea and a good one: Top a casserole of seasoned, mashed squash with a meringue. It's different. Do try it and use your canned squash. To make the meringue, beat two egg whites with one teaspoon sugar, salt and pepper to taste and one half teaspoon mixed herb seasoning. Sprinkle with paprika and brown in the oven.

Add a dozen chopped pitted dates and a tablespoon or two of finely cut crystallized ginger to your next Indian pudding. Plain cream or ginger-flavored hard sauce is best.

There's no short cut to the
