Calls Reds Too Smart

BERLIN — (AP) — The Germans are being told that the Russians are smarter than Hitler too smart to start a war with the west.

This is the theme of a pamphlet put out by American Military Government. It is one of a series distributed in Germany and described as "reliable interpretation" of the world situation. The pamphlet is called "Russia—The Story of a Great Blubb." It was written by Franz Borkenau, former professor of modern history at the University of Marburg in the U. S. zone of Germany.

Gears are made of practically all the common metals.
