Morehead High School

Hi folks!

Talk about someone being surprised, you should have seen Mr. Tolbert when his Sociology class surprised him with a beautiful birthday cake in class Monday. The class secretly collected money and had the cake especially made. It was decorated with pink and green, the candles being alternating pink and green ones. We had him collared out of the room and then lit the candles. (I won't say how many!) When he returned he was what you might say "shocked" but he rallied and blew out all the candles.

I want to mention several programs that you may have forgotten about. First of all, the show that's being put on tonight in the school auditorium is one that I'm sure everyone will enjoy seeing. I've heard that it's really a scream, and I can imagine it would be; a great big bunch of husky men acting as women! The proceeds will go toward the Christmas projects of the JC's and to the nurses for clinic work.

Another thing, the Glee club is having the music at a Union church service to be held in the school on Sunday evening at 7:30. It's a program of especially prepared Christmas music.

Tuesday I will give a report on the clean-up campaign.

Bye...
