Beaufort's New Power Station
Tide Water Power company predicts that the 27 miles of 33,000 kilowatt transformer lines and three miles of new line between Beaufort and Morehead City will give the Beaufort-Morehead City area ample electric service for many years to come. The 27 miles of line is between Cherry Point and Beaufort. The three miles is a 33,000 KW tie line between Beaufort's new KV A sub-station pictured above, and the present sub-station in Morehead City. Beaufort's new substation is located just south of the present Tide Water plant. The consistent and steady expansion of this area and the bright prospects for future growth

Floodlights Will Go On At Ball Park Tomorrow
For the first time in Morehead City sports' history permanent floodlights will be used on the ball diamond at Wade Brothers Park tomorrow night. At that time, official play will open in the Morehead City softball league. Local civic groups have been working for two years to obtain the lights which were recently installed at the park. (For further details, see page 3).

County Publishes 8-Page Booklet
Probably the most complete pamphlet ever published relating to Carteret county's economic status, will be mailed to taxpayers this week with their tax notices. This pamphlet of eight pages was prepared by James D. Potter, county auditor, and was authorized to be mailed to taxpayers by the county board of commissioners. The booklet contains brief historical facts on Carteret county, food fish and shell fish catches in the county during 1948, acreage and valuation of farm crops for 1948, number of schools and how they are maintained financially, an explanation of the debt service fund, statement of tax levies, financial explanation on the health and welfare departments appropriation of the 1949 tax levy. Also listed in the booklet, for comparison with Carteret county ABC revenue are the revenues going to certain other counties in the state from the ABC stores. Pages 6 and 7 carry a comparative balance sheet for the period June 30, 1937 and June 30, 1948 and a summary of the county's annual budget estimate for the fiscal year ending June 30, 1950. The last page lists the number of gallons of gasoline used in the county since 1944, number of vehicles registered, cost of highway construction in the state for the 10 years ending June 30, 1948, and the head of livestock in the county listed on the tax books for 1948.

Faculty Chooses Four to Attend Boys' State, UNC

Four Morehead City boys, Guy Paul Dixon, Charles T. Macy, Robert Lee Bowers and Bobby Oglesby, have been selected by the Morehead City high school faculty to attend the annual Tar Heel Boys' State in Chapel Hill June 12-19. Expenses for the boys' trip will be paid by the American Legion, Elks Club, Morehead City Jaycees, Rotary and Lions Clubs. The Boys' State program has been sponsored by the North Carolina department of the American Legion every year since 1939 with the exception of the war years. The four local boys were required to live up to strict standards in order to be chosen. They were judged on their mental alertness, physical cleanliness, enthusiasm, vigor, personality, potential qualities of leadership, adaptability, honesty, dependability and conscientiousness. The Tar Heel Boys' State is considered an outstanding chance to study world, national and local government. It is an introduction to the duties and responsibilities of citizenship. The Institute of Government of the University of North Carolina conducts the program of work for Boys' State. Lectures and discussions by public officials, faculty members and leading Legionaries are heard during the program. In addition, the delegates organize their own cities, counties and state, elect their own officials, and put into practice some of the theories of government they study.

Thomas Ballou, Julia Guthrie Win Awards

Eighth grade American Legion awards at Morehead City school this year went to Thomas Wayne Ballou, son of Mr. and Mrs. W. H. Ballou, and Julia Annette Guthrie, daughter of Mr. and Mrs. Leroy K. Guthrie. The American Legion awards a medal, pin and certificate annually to the boy and girl in the eighth grade who is outstanding in scholarship, character, and leadership.

Field Director Speaks At Scout Council Session

Bill Wall, executive field director for the East Carolina Boy Scout council, spoke at the meeting of the Carteret district council Tuesday night at the Scout hut in Beaufort. Mr. Wall suggested that local troops set themselves goals of achievement for each year and work toward those goals rather than pursue their courses in a haphazard way. He added that the council would endeavor to make an award to those troops achieving their goals. The six different organized Scout troops in the county reported on the newly-organized Boy Scout baseball league which has been operating for two weeks. They said that six teams were participating in the league with all the boys enjoying the games. It was reported at the meeting, which was presided over by James Potter of Beaufort, district chairman, that the Boy Scout camp, Camp Charles, which is located near Wilson, will be open most of the summer.

Women to Learn to Make Desserts from Fruit

The demonstration at home demonstration club meetings this week will be "Attractive Desserts from Fruits." The Bettie club will meet at 8 o'clock tonight with Mrs. Roland Salter and the North River club will meet at 2 o'clock Thursday afternoon with Mrs. M. D. Pridgen. A special demonstration on cake decorating will be given at 2 o'clock in the home agent's office, Beaufort, by Mrs. R. F. Boswell, Beaufort, RFD.

Dr. Harold Humm Accepts Position At Florida College

Dr. Harold Humm, director of Duke University laboratory, Piver's Island, has resigned his position there to become director of the marine laboratory at Florida State university, Tallahassee, Fla. Dr. Humm, who is one of the foremost marine biologists in the country, will assume his duties at Tallahassee in the fall. He will establish the proposed marine laboratory at that university and supervise the ordering of equipment and setting up of class schedules. Dr. Humm, who is a native of Oberlin, O., received his bachelor of science degree at the University of Miami. He taught school for four years in Florida and later worked for the department

Morehead City Firemen Save Shrimp Trawler

Quick thinking and fast work by Morehead City firemen were responsible for the saving of a shrimp trawler and possibly the life of one of its crew in an early morning fire last Tuesday. Eugene Lupton, owner of the trawler, was preparing to start a fire in a small stove on his boat which was tied to Ted Hall's dock behind the Morehead City fire station. When he struck a match it ignited gasoline which had leaked into the bilges and the deck of the boat was immediately covered with flames. Firemen received the alarm at 4:30 a.m. and rushed to the dock to render assistance. When they arrived they found that the dock was in such poor shape that they were almost unable to walk upon it. One of the boat's crew members had leaped to the dock from the flaming vessel and gone through its planking before the firemen arrived. Despite the hazardous condition confronting them, Fireman Eric Lewis, Rufus Guthrie and Walter Smith managed to approach the boat after Fireman Jesse Lewis had also fallen through the rotten planking. When the boat was reached it appeared to be a hopeless fire. Water hoses and the full tank of a carbon dioxide extinguisher were used, but to no avail. Finally, Fireman Smith conceived the idea that saved the boat. He flooded the deck of the boat and the gasoline flames floated into the cabin where they were extinguished with another carbon dioxide extinguisher. Eugene Lupton suffered third degree burns on his hands and feet but was able to leave the hospital that same day. Mattresses and bedding were burned beyond salvage but the boat was saved.

Baptist Pastors Deliver Sermons At Baccalaureate

Beaufort and Morehead City high school seniors attended the first of this year's commencement activities Sunday when baccalaureate services were held in the Beaufort and Morehead City school auditoriums. The Rev. Winfrey Davis of the First Baptist church, Beaufort, delivered the sermon at Beaufort school, with Dr. John H. Bunn, of the First Baptist church, Morehead City, speaking at Morehead City school. A large crowd attended both services. Rev. Mr. Davis spoke to the seniors on the subject of their responsibility to themselves, their communities and their God. Dr. Bunn's topic was "Partnership with God." Ministers assisting in the Beaufort program were the Rev. T. R. Jenkins, the Rev. W. L. Martin and the Rev. W. E. Anderson. Those assisting in Morehead City were the Rev. R. T. Willis, Jr., the Rev. J. C. Griffin. Neva Dail was chief marshal at Beaufort and Helen Paul, Jean Hopkins, Peggy Piver, Elizabeth Bell, Sheila Smith and Gary Copeland served as her assistants. Morehead City's chief marshal was Charles Macy and his assistants were Betty Jo Midgett, Mary Lee Arthur, Colleen Swinson, Guy P. Dixon, Jane Howerton, Etta Ruth Jones and Margaret M. Leary. Alternates were Betty Thornton and Mary Ruth McKnight. Little Jennifer Rose and Guy Dickinson, III, served as mascots in the Beaufort program. Class night will be held at Beaufort school tonight at 8 o'clock. The class valedictorian, salutatorian and other outstanding class members will be heard at that time. Beaufort commencement program will take place Thursday night at 8:15 in the school auditorium. The commencement program follows: processional by the high school band, invocation by the Rev. W. Y. Stewart, speech, Your War Bond Responsibility, by Rosalie Chadwick, pageant, Our America, with Colon Wilson as master of ceremonies. Those taking part in the pageant are Neva Allen who will speak on Liberty, Anne Norris on Unity, Sarah Mason on Democracy, Marie Smith on security, Charles Davis and Laura Davis on America, Our Challenge, and Jesse Taylor and Dowd Davis on America, Our Future. A. C. Blankenship will then present the class gift which will be accepted by J. R. Ball, chairman of the Beaufort school board of trustees. Principal T. G. Leary will award the diplomas and Mary Fond Mason will make the diploma acceptance speech. The final event will be the presentation of awards by Mr. Leary. Commencement will be held in Morehead City Friday night. The program will be published in Friday's NEWS-TIMES.

County Board OKs List of Holidays

The county board yesterday approved holidays which county employees will observe. They are as follows: New Year's day, Washington's birthday, Easter Monday, Memorial Day, (May 30), July 4, Labor Day, Armistice Day, Thanksgiving, and Christmas. Time off for Christmas may vary, Dr. K. P. Bonner, chairman of the board, pointed out, depending on what day of the week the holiday falls. The county board also discussed the new set-up on granting of beer licenses. The county has received numerous notices of applications to the state for beer licenses. The state now grants "malt beverage permits" instead of the county, but the county can prevent the issuing of one. Janius Bell, Newport, complained to the county board that a road by Curt Cannon's home, Newport, is frequently blocked and rendered useless to others accustomed to traveling it. The board told him that they had no jurisdiction in the matter, and suggested that Mr. Bell see a lawyer. Irvin Davis, register of deeds, estimates the miles of secondary roads in Carteret county at 135.
