20 Havelock Men to Meet Tonight to Organize JCs

At least 20 young men of Havelock will meet tonight at 9 o'clock in the Robert L. Rose Motor company showroom, Havelock, to organize a Havelock Junior Chamber of Commerce. Members of the group met last week in Havelock with representatives of the New Bern, Beaufort and Morehead City Junior Chambers of Commerce to discuss plans for organizing a Jaycee club. At that time Rob Rose was elected temporary chairman of an elections committee and Jim Godwin was elected temporary secretary. A constitution and by-laws committee also was appointed to consider a constitution for the new

organization. Those present at last week's meeting from Morehead City were Bernard Leary, vice-president of district eight of the North Carolina Junior Chamber of Commerce, Skinner Chalk, Jr., Dom Femia and Bob Howard.

TRACTOR X-RAY Shows Model C POWERLINE design 1. Clearance 2. Stability 3. Vision 4. Pulling Power

Here's a different kind of family farm power. Tubular Powerline Design eliminates the tractor frame. You SEE clearly... on both sides. There is less dead weight... more active power... more real pull. Raised rear axle and offset final drive give you high clearance for tall crops, yet hug-the-ground stability of sturdy, low-set drive wheels. Weight of both the transmission and differential over the rear axle plus non-freezing liquid in rear tires give traction enough to match the big 125-cu. in. engine.
