

Demonstration Clubs Stage Big Flower Show, Dress Revue

The most successful home demonstration club dress revue and flower show ever to be staged in the county took place Thursday night at the court house in Beaufort. Seventy-five persons attended.

The dress revue was presented as a mock radio program with Al Stinson, assistant county agent, as the narrator.

Dress Awards Made

Awards for dresses were made as follows: adults, best dress, Mrs. Madie Piner; sport dress, Mrs. Berthe Beachem; street dress, Mrs. Edna Batson; sack dress, Mrs. Laura Simpson; children, best dress, Ann Piner, dress was made by her mother, Mrs. Madie Piner; school dress, Jenny McGehee, dress was made by her grandmother, Mrs. Billie Smith, play outfit, Carol Garner, made by her mother, Mrs. Lee Garner; evening dress, Virginia Salter, made by her mother, Mrs. Roland Salter.

4-H club dress awards, first place, Dorothea Gillikin, second place Betty Garner.

Winners for the flower show were the following: Mrs. B. F. Copeland, Mrs. Billie Smith, Mrs. N. A. Avery, Mrs. Cicero Guthrie, Mrs. Leslie Brinson, Mrs. Abbott Morris, Mrs. Vernon Lawrence.

Mrs. Walter Whitley, Mrs. Lee Garner, Mrs. W. G. Simpson, Mrs. Kenneth McCabe, Mrs. Carlton Taylor, Mrs. Julius Lewis, Mrs. Nettie Tallman and Mrs. Floyd Sutherland.

Some of these winners received awards in several classifications.

Clubs Win
The best ideas created by home demonstration clubs were submitted by Core Creek - Harlowe which won first place, and Crab Point, second.

As part of the dress revue, the film, "America the Beautiful" was shown.

Judges for the flower show were Mrs. Alvah Hamilton and Mrs. A. B. Roberts, Morehead City, for the dress revue, Mrs. S. W. Hatcher and Mrs. William J. Cherry, both of Morehead City.

Refreshments, punch, cookies, and mints, were served by the Core Creek-Harlowe home demonstration club.

Lions Hear More About Circus

The best circus ever to come to Carteret county, Rogers Brothers, will present two shows in Morehead City next Monday, A. E. Wilson, advance agent for the circus, told Morehead City Lions at their Thursday night meeting in the Fort Macon hotel. Lions are sponsoring the circus.

Wilson said the owners of Rogers Brothers had made every attempt to put on a clean show that would appeal to every member of the family. He said his organization was opposed to fly-by-night carnivals that staged "smutty" acts and sometimes "gypped" the customers.

Instead, the advance man said, Rogers Brothers had worked hard to gather together acts that provided plenty of entertainment and clean fun for all who attend.

Lions reported extraordinary success with their advance sale of tickets. Over 1,500 tickets have been sold thus far, it was reported, and sales are continuing at a high rate.

Again it was emphasized to ticket salesmen that though there is no difference in price to the purchaser, Lions will make five times as much from advance sales as from sales made the day of the show. Proceeds will go to support Lions blind and aid to the visually-handicapped work.

Theft Bureau Recovers 45 Vehicles During May

RALEIGH, N. C. — The Theft Bureau assisted in the recovery of 45 motor vehicles during May and began investigation into thefts of 31 more, the North Carolina Department of Motor Vehicles reported today.

Of 4,748 trucks stopped by inspectors of the Theft Bureau, 3,622 were North Carolina trucks and 1,126 out-of-state vehicles. A total of 426 were found to be overloaded. Eighteen out-of-state trucks and 344 North Carolina trucks were over their license limit. Thirty out-of-state vehicles and 33 North Carolina vehicles were over the road limit.

A total of \$77,722.49 was collected in penalties and additional license fees on overloaded trucks. Of the amount, \$16,410.40 was collected in additional fees and \$9,447 in penalties on privately-owned trucks. A total of \$41,865.29 in additional fees and \$19,861.83 penalties were collected on commercial vehicles.

District Census Supervisor Releases Count for Towns

Three Morehead Rising Seniors Attend Boys State

Three Morehead City high school rising seniors, Harold Deibert, William McClain and Paul Douglas King, have been selected to attend the annual Tar Heel Boys State in Chapel Hill this week, the Morehead City American Legion post announced today.

These three boys were chosen by a faculty committee on the basis of the following qualifications: mental alertness, physical cleanliness, enthusiasm, vigor, pleasing and congenial personality traits, honesty, dependability, conscientiousness, potential qualities of leadership and ability to fit into the community group. Only members of the rising senior class could be selected.

Program Began Sunday

The three boys arrived in Chapel Hill Sunday for the week-long course in study and recreation. While there they will take part in programs designed to inform them of the workings of American government on all three levels, local, state and national.

At the conclusion of the week elections will be held in which Boys State will be split up into governmental units, running from the precinct to the state level. Officers on all levels will be elected from the delegates.

Legion-Sponsored

Boys State is sponsored each year by the American Legion. Sponsors of the Morehead City boys, in addition to the American Legion, are the Junior Chamber of Commerce, Lions and Rotary clubs.

Two Beaufort rising seniors, Billy Downum and Tommy Davis, were selected to attend Boys State but were not able to attend. Shirley Lipman and Elizabeth Bell of Beaufort returned Saturday from the annual Girls State held in Greensboro.

Seven Countians Receive Degrees at State College

Seven Carteret countians were among the 1,237 students who received their degrees at North Carolina State college in Raleigh last week.

The 1950 class was the largest ever graduated from State. Degrees were conferred in William Neal Reynolds coliseum by Chancellor J. W. Harrelson. Brief talks were made during the program by Governor Kerr Scott and Gordon Gray, president-elect of the Consolidated University of North Carolina.

County residents receiving degrees are as follows: William Glenn Hardesty, Newport, B.S. in Agronomy (Field Corps); Donald Wallace Hancock, Morehead City, B.S. in Industrial Arts Education; Clyde Wilbur Moore, Morehead City, B.S. in Chemical Engineering; Paul Edward Moore, Morehead City, B.S. in Civil Engineering; Bernice Laverne Jones, Beaufort, B.S. in Electrical Engineering; head City, B.S. in Textiles; and Dalton B. Rhue, Newport, B.S. in Engineering.

Capt. Eddie Kuhn Defies Death

Most men who have escaped death once or twice feel they have pushed their luck far enough, but not Capt. Eddie Kuhn. Twice each day Capt. Kuhn faces death in his most dangerous form when he presents his spectacular wild animal act—battling tigers, lions, panthers, and a couple of bears—in the big steel arena with the Rogers Bros. Circus.

At any moment, any one of the big cats may fly into a blind fury clashing, slashing, and roaring with rage. Capt. Eddie Kuhn and Company are one of the outstanding features with the Rogers Bros. Circus that is coming to Morehead City Monday for two performances. The Lions club is sponsoring the circus. Performances are scheduled for 3 and 8 p.m., with the doors to the big free menagerie opening at 2 and 7 p.m.

C. S. Long Fills Vice-Presidency In Teacher Group

During the recent 1950 conference of North Carolina teachers of vocational agriculture at Carolina Beach, C. S. Long, teacher of agriculture in Newport school was elected vice-president of the North Carolina Agriculture Teachers association for district II. Of the five districts in the state, district II covers counties in the southeastern part of the state.

Mr. Long was also member of a group which received 20-year service keys.

J. Warren Smith, director of vocational education in North Carolina, said about the conference:

"Another excellent State Agriculture Education Teachers' conference has been completed. You have

C. S. Long

worked together to make it a success. It was a well planned and executed meeting. The topics were timely, the papers were well prepared and presented in good fashion. Because of the teacher participation it was truly a teachers conference. The many good ideas presented should prove helpful in the planning and conducting of local programs."

A. L. Teachey, state supervisor of Agriculture Education, commented:

"The teachers of agriculture should, and I know do, feel proud of their representatives on the conference program. It is evident that much time and thought has been devoted to the preparation of the manuscripts and the discussions have been presented in a most excellent and forceful manner. There has also been the most faithful and constant attendance on the part of the whole teacher group. The supervisory staff is proud of both those on the program and those constituting the audience."

More than 400 were registered at the meeting.

Rural Highways More Hazardous

Rural highways of Carteret county offer greater hazards to motorists and pedestrians than do the city streets of Morehead City and Beaufort, President Coleman W. Roberts of the Carolina Motor club pointed out today.

The conclusions of Mr. Roberts were drawn on the basis of an analysis of figures released by the North Carolina Motor Vehicle bureau for 1949, which reveals that of 843 persons killed and 9,721 injured last year, 691 were killed and 7,654 injured on rural roads as compared with 152 killed and 2,067 injured in urban areas.

On the rural highways of Carteret county, 12 persons died in four fatal accidents in 1949 as compared with no fatal accidents in Morehead City or Beaufort.

In Carteret county, 104 accidents were recorded last year, of which 74 resulted in property damage. A total of 42 persons were injured in highway accidents in the county during the year.

Two factors basically account for the high rate on rural roads. First, North Carolina's greater road mileage and volume of traffic is outside urban areas, and rural areas are naturally the scene of more accidents due to higher speeds being prevalent on this type of road. Second, cities are becoming safety-conscious and more cities are developing safety programs in an effort to reduce traffic hazards.

While deaths in the state showed an increase of only 15 per cent, injuries increased 30 per cent, while accidents increased 31 per cent as compared with 1948. Deaths increased 109 from the 1948 total of 734, while accidents increased 4,996 from the 1948 total of 16,218 to a 1949 total of 21,202. Injuries in 1949 totaled 9,721 as compared with 7,490 in 1948 for an increase of 2,231.

Marietta, O., was a river boat building center of the 1800s.

Auto Thieves Found Guilty; Judge Orders Payment of \$530

Fines and penalties totalling \$530 were levied against two marines in Friday's session of recorder's court when they were found guilty of charges relating to the theft and wrecking of an automobile.

Court was held Friday rather than Tuesday of last week. There will be no recorder's court during the two-week superior court term.

James R. Leonard, charged with larceny of an automobile, reckless and careless driving, damage to personal property and driving without a license, was found guilty of temporary larceny and reckless and careless driving. His companion, Jimmy F. Davis, was charged with aiding and abetting in the larceny of an automobile and was found guilty of aiding and abetting in temporary larceny.

Suspended Sentence

Leonard was fined \$50 and costs while Davis was fined \$25 and costs. The two defendants were sentenced to a year on the roads each, sentence suspended on condition they pay their fines and costs and divide the payment of \$325 damages to Dr. Henry Zaytoun and \$130 to Walter Ray Ewell.

The two Marines were arrested Sunday, May 29, 20 minutes after they stole Ewell's car at Atlantic Beach. They were involved in an accident at the intersection of highways 70 and 24. The car they were driving ran into Dr. Zaytoun's automobile.

Charles F. Morehead who was found guilty of driving after his license was suspended, was sentenced to three months on the roads. Sentence was suspended on payment of \$200 and costs. Albert G. Brandon also was fined \$200 and costs for driving after his license was revoked. Brandon paid the costs also for speeding.

A plea of guilty was entered in the case of Albert P. Pollock, charged with reckless and reckless driving. He was fined \$50 and costs. The charges of non-support of an illegitimate child against George Finer, Jr., and assault against Oscar Salter were dismissed.

Marj Washington, charged with larceny of canned goods, was found not guilty. Oswald L. Prescott had the charge against him, failing to give a hand signal thereby causing an accident, dismissed. John King pleaded guilty to public drunkenness. His sentence of 30 days in jail was suspended on payment of the costs.

Two defendants charged with giving bad checks were required to make the checks good and pay the costs of court. They were Alan B. Ganthrop and J. W. Mallison.

Driving Violations

Costs were charged against seven persons brought to court on driving violations. E. P. Jones was charged with driving without license plates on his truck. The other six defendants, Dewey Willis, Earl F. Sauls, Jr., Norman Berube, William C. Smith, Earl L. Youse, Jr., and R. W. Bidwell, were charged with driving without a license. Robert G. Kadow paid one-half the costs for driving with an expired driver's license.

Ermine Glass paid \$25 and costs and Richard C. Culbertson paid \$10 and costs for speeding. Theodore Smith, Helen Z. Jones and Ben Walker paid the costs for the same offense.

Nine defendants, all charged with speeding, did not appear in court and had their bonds forfeited. They were Julius O. Godwin, Jr., Gene W. Thomas, Joseph B. Meaux, Jr., Joseph G. Polino, Wallace H. Gaskill, Kenneth R. Doyle, Jack O. Williams, Vernon H. Shick and Ernest W. Butler. Butler also was charged with reckless and reckless driving.

Prosecution was withheld in the cases of Thomas G. Hunt, charged with speeding, Nelson Lewis, charged with abandonment and non-support, and Buddy Dixon, charged with abducting the wife of Lindsay Brown and hiding her.

Twenty cases were continued. The defendants were Christus E. Williams, James D. Evans, Anthony A. Virginia, David R. Durham, Harold F. Watkins, James C. Powell, John F. Riggs, Frank D. Miller, Leb Buck, Joseph Hadzik, Theodore L. Austin, Jack Goodman, John W. Montgomery, Jr., Joseph F. Shueraffs, C. C. Threault, Edward M. Robinson, John E. Clement, Jr., Clayton Gillikin, Fred D. Maddocks and H. G. Lassiter.

Mrs. Lionel Gillikin Serves As County's First Woman Grand Juror

Liberty Bell Replica to Visit Here

One of the 52 replicas of the Liberty Bell will visit Carteret county Saturday and Sunday. It is planned to display it in both Morehead City and Beaufort to increase interest in the current savings bond drive. Theme of the campaign is "Save for Your Independence."

County Managers Start Senatorial Race Rolling

Mayor I. W. Hassell, Beaufort, Senator Frank Graham's campaign manager for the second primary, announced yesterday that he is re-organizing committees for Graham in every precinct in the county and expressed confidence that the county will return even a greater plurality for Graham in the coming runoff than they did in the primary.

Charles V. Webb, Morehead City, who is managing Willis Smith's campaign, remarked yesterday that the coming runoff-offer is proceeding satisfactorily. The candidate himself came to Carteret county over the weekend to rest at his summer home on Atlantic Beach. Mr. Smith paid a brief visit to the court house Friday morning.

However, no specific campaign program was outlined, Mr. Webb said. Mr. Smith merely greeted persons at the court house.

Dealers Will Buy Size B Potatoes

County farmers who have number one, size B, potatoes may sell them to the government, but only through authorized dealers, the county Production Marketing administrator, B. J. May, announced today.

Mr. May said the Bs were being purchased by the government for three purposes: for human consumption at institutions, for livestock feed and for farm disposition (destruction on the farm). Unless the potatoes are for human use they will be dyed.

Only two dealers, Baugh and Sons co., and S. M. Jones, both of New Bern are authorized to purchase these potatoes for the government. They receive no fee or income for this purchase work, the PMA officer emphasized.

Crop measurement work in the county has reached the half way mark, he added. Work thus far has shown that a large percentage of tobacco farmers have overplanted their acreage. If any of this overplanting is to be destroyed, he concluded, it must be done before the tobacco is harvested.

Morehead City Youngster Struck by Car Friday

Only slight skins and bruises were suffered by Timothy R. Mathews, Morehead City youngster, when he stepped in front of an automobile on Bridges st., Friday afternoon.

Witnesses to the accident said the boy stepped out into the highway once and was almost struck by one car before he darted back to the curb. As soon as the first car had passed he stepped out into traffic again and was struck by a car driven by Dan K. Owens of Greenville.

The Owens car was traveling at a slow rate of speed and only bruised the boy. Since eyewitnesses testified that the driver was not at fault, no charges were preferred. Police Officers Carl Bloomberg and Edmond Willis investigated the accident.

Elks Stage Flag Event Tomorrow

A set of the nine flags which played an important part in the history of the United States will be on display at 3 o'clock tomorrow afternoon in the Elks Flag Day ceremony.

This is the first time in the history of the Beaufort-Morehead City lodge that the traditional Elks Flag Day will be observed. Deeds of Morehead City high school, where the observance will take place, will open at 2:30 p.m.

Music will be provided by the Morehead City high school band. The purpose of the program, according to H. S. Gibbs, Jr., exalted ruler of the lodge, is to better acquaint people with the reason for having Flag Day and to also review the history of the flag.

He commented that children will be especially interested in tomorrow afternoon's program and its display of flags. In the absence of George W. Dill, Jr., mayor of Morehead City, the flag history will be presented by Harvey Hamilton, Jr., with background piano music by Al Dewey of Morehead City.

Freak Accident Damages Auto

An estimated \$600 damage was caused to the 1950 Cadillac driven by Earle W. Webb, Morehead City, Friday afternoon when the accelerator stuck as the car started and the car careened off a nearby auto and ran head on into a telephone pole. Mr. Webb was slightly injured.

The car was parked on the south side of Evans headed west across from the civic center. As Mr. Webb stepped on the accelerator, the mechanism stuck all struck the right rear fender of the telephone pole.

The car sprung forward and car owned by Mr. Webb's brother, Charles V. Webb, knocking it across the curb into a tree where its left front fender was damaged.

The Cadillac continued in its destructive path to the intersection of 9th and Evans st., where it jumped the curb on the northeast corner and crashed head on into a telephone pole.

The front end of the automobile was smashed in, damaging hood, grill, both fenders, and bumper and wrecking the entire front section of the car. Damage was estimated at \$600.

Mr. Webb received slight injuries when his head struck the steering wheel at the impact of the crash but he was released a few minutes later after treatment by Dr. B. F. Royal.

Circles to Meet

Two home demonstration clubs will meet this week. The Cedar Point club will meet at 2 o'clock this afternoon with Mrs. F. H. Guthrie and the Crab Point club will meet at 2:30 Thursday afternoon with Mrs. Thomas Oglesby. The topic will be "Milk Desserts."

Chicken should be cooked slowly at low temperature.

Mrs. Lionel Gillikin of Otway will go down in Carteret county history as the first woman grand juror.

Mrs. Gillikin was sworn in yesterday morning with 17 men to serve on the county's June 1950 grand jury. Women have served on petit juries in this county but A. H. James, clerk of superior court, said this is the first time a woman grand juror has sat in the box.

Other grand jurors are Henry Murphy, foreman, Leonard Carroll, Walter P. Arthur, Elijah Smith, H. T. Rhue, George Rose, Plymouth Willis, Jesse B. Garner, Oscar Willis, Lee Daniels, S. A. Beachem, Charles Gaskill, J. B. Kelly, Cleveland Daniels, North M. Sabiston, William C. Willis, and Birdie Salter.

Case Tried

The first case tried, following Judge Walter J. Bone's charge to the grand jury, was that against Cecil Mason. In this case, which was brought up on appeal from a lower court, Mason was charged with driving without an operator's license.

He was found guilty and the judge ruled that he should serve 60 days on the roads, suspended on condition that he pay a fine, costs, and remain on good behavior.

In speaking to the grand jury, Judge Bone explained the simpler technicalities of law, covering misdemeanors, felonies, method of returning indictments and presentments, and outlined the duties jurors are required to carry out.

Warns Jurors

He warned the jurors not to fall prey to persons who wish to use them only as a tool to right some so-called grievances, or to embarrass or humiliate. This comment was made in connection with the returning of presentments, where in the jurors have the right to investigate alleged violations of law and bring the fact to the attention of the court.

He added, however, that "if there is reasonable indication of guilt," a presentment should be made following an investigation. Judge Bone commented that there are fewer presentments made by grand juries these days than was the practice long ago, because, he remarked, "... there are more law officers today who learn of violations" and take care of the matter through warrants for arrest.

As he told grand jurors during the March term of superior court when he presided here, Judge Bone again announced that they are required by law to inspect only the county jail and the county home, if there is one.

The judge remarked that many grand juries investigate schools and other county offices. Recommendations they make in regard to the schools don't do any harm, he commented, but such action is not within their province.

He further remarked that inspection of anything other than the jail and county home (Carteret county has no county home), would be tantamount to suspicion of "malfeasance or nonfeasance" in that county office or department.

The judge expressed willingness of the court to offer advice on points of law, should they request it.

Charles Thomas, Beaufort, was sworn in as guard of the grand jury and the jurors went into session at 11 a.m.

Veterans of Three States Should Apply for Bonuses

C. L. Beam, county veterans service officer, warned veterans who were inducted in Ohio, Pennsylvania, and South Dakota that the deadlines for application for bonuses are near.

Veterans in Carteret county, who lived in those states prior to entry into the service are eligible for the bonus. Deadlines are as follows: Ohio, June 30, 1950; Pennsylvania and South Dakota, July 1, 1950.

Servicemen eligible for these bonuses, who have not as yet received them, should contact Mr. Beam at the Legion hut, Turner street, Beaufort.

Music Organization Starts

The Carteret-Cherry Point Community concerts organization was formed Friday night at the Jefferson hotel, Morehead City. Details will appear in Friday's NEWS-TIMES.

The Gold Coast of West Africa is sixth among the world's gold-producing areas.
