

Commissioners Raise Beaufort Tax Four Approve, One Fails to Vote

Beaufort's taxes, beginning with the fiscal year 1951-52 will be \$2 per hundred dollars valuation, an increase of 20 cents over the present \$1.80.

Beaufort town commissioners voted in favor of the measure at a meeting Monday night in the town hall. Not one resident appeared to protest the move. One commissioner did not vote. The other four approved the tax raise.

Sweet Potato House at Bettie Burns Tuesday

Thousands of Bushels of Potatoes Lost; House Burns at Otway

Cleveland Gillikin, Bettie, sustained a loss of \$20,000 at 12:35 a. m. Tuesday when his sweet potato house burned. The loss is covered by a small amount of insurance, Gillikin stated.

Thousands of bushels of sweet potatoes, the house itself, and an adjoining shed were destroyed. Gillikin says he does not know how the fire started.

The potato house was located on highway 70, opposite Gillikin's store. The Beaufort fire department was called but it was too late to save the building, which was 36 by 30 feet in dimension. The adjoining shed was 15 by 36 feet.

Gillikin stated that there was a heating system in the house which was in operation to prevent the potatoes from freezing.

Another fire occurred Wednesday, Dec. 13, at Otway. The home of Mr. and Mrs. Sylvester Lawrence burned. Most of their personal belongings, clothes and furniture, were lost.

THE JUDGE SPEAKS

Luther Hamilton Tells Of Emmet Garner Case

Judge Luther Hamilton, Morehead City, who has been criticized recently in several state dailies for his actions following the 1949 Emmet Garner case, this week released to THE NEWS-TIMES his statement on the matter. That statement appears below.

The judge has been criticized for directing the jury to find the defendant, guilty of first degree murder. He later requested the governor to commute the sentence which the governor failed to do.

Everybody realizes the great disadvantage one is at who attempts an argument with another through the other's newspaper, and especially when that newspaper is known to be inordinately prejudiced. That is why I have so hesitated to reply, or attempt to reply, through the pages of The News & Observer to the particularly fabricated and distorted references to the so-called Emmet Garner case of more than three years ago. Mr. Jonathan Daniels, Editor and son of my very distinguished and lamented friend, affectionately known to me and many others as "Mr. J.D.," has given me to understand (though not definitely committing himself) that he will give my reply equal publicity given his editorial of November 25th. We shall see if he does.

Farmers Drain Low Crop Lands

The report of the Garner case appearing in The News & Observer under date of November 24th, by correspondent Noel Yancey of Associated Press, was a very fair presentation of the subject matter dealt with. He truly and impartially gave the story "of the futile efforts of the judge who tried and sentenced him (Garner) to save his life," adding that "Despite the pleas of the judge and a host of others, including the acting paroles commissioner, that the sentence be commuted, he was executed on March 18, 1949." It is significant that Mr. Yancey in all the review of the file of the case in the Commissioner's office failed to find where a single person was asking that the prisoner's life be taken. According to Mr. Yancey's statement and the file will show if I am in error) even Solicitor Jack Hooks, able and vigorous prosecutor, "made no recommendation, but told Dunn (Acting Paroles Commissioner) he thought there was ample evidence to sustain a first degree verdict."

Work Progresses on New Administration Building

Workmen state that the new administration building at the Beaufort-Morehead City airport will probably be completed the latter part of next month.

Power Line Burns Out

Beaufort suffered a partial blackout early Wednesday morning from 1:45 to 6:45 when the power line at Broad and Live Oak streets burned out. Part of the business section and all of the eastern part of Beaufort was without power.

Transformer Blows, Causing Power Failure

A transformer blew in Morehead City Tuesday night causing power failure in the vicinity of 19th to 23rd street. George Stovall, Tide Water Power Co. manager, said the failure was due to the Christmas light overload.

Lights went off at 7:30 and were repaired in about an hour, according to Stovall.

Businesses, Offices Will Close Dec. 25, 26

Most business houses in Carteret county and all state, county, and municipal offices will be closed Monday, Christmas Day, and Tuesday, Dec. 26. This does not apply to drug stores, grocery stores, or filling stations.

By order of the governor, banks throughout the state will be closed Dec. 25 and 26 also.

TB Seal Sale Lags; Funds Reach Half-Way Mark

County Tuberculosis Officials Urge Countians To Make Contributions

Funds received in the current tuberculosis Christmas seal sale have failed to reach the half-way mark, it was reported today by Wiley Taylor, chairman of the drive.

The goal for this year is \$3,000. Approximately \$1,400 has been collected to date.

Pleased with Response
Mrs. Martha Loftin, executive secretary of the county tuberculosis society, remarked yesterday, however, that she is pleased with the response. Every sale of seals, no matter how small, is greatly appreciated, she declared.

The tuberculosis society also sponsored a project this month in addition to the seal sales. County residents were requested to send get-well cards, Christmas cards or letters to little Ammie Harkley, 5-year-old colored boy of Newport route 1, who is confined to McCain sanatorium with TB.

Letters, Gifts Received
Ammie has received hundreds of letters and gifts, Mrs. Logan reported, and doctors at the sanatorium have highly praised the efforts of the society in making this season of the year a happier one for their young patient.

It's not too late to pay for Christmas seals received last month through the mail. Stanley Woodland, president of the TB society, reminded potential purchasers yesterday. If seals are not bought, the TB society would appreciate their being returned. Woodland re-emphasized however, that any contribution, no matter how small, is a major weapon in the fight against tuberculosis.

Four Face Charges In Hunting Lodge Theft Case

Constable Charlie Krouse Apprehends Onslow County Men Saturday

Bill White and John Odom, residents of Onslow county, were bound over to superior court by Judge Lambert Morris in recorder's court Tuesday. They were charged with theft of \$1,000 in property from the hunting lodge at Duck Point near Swansboro.

Another person, a juvenile, and an accomplice in the crime, according to Carteret county authorities, was remanded to juvenile court. Benjamin Thomas Tallman, also a resident of Onslow county, has been charged with receiving the stolen goods. He has been bound over to superior court also.

Partial Recovery
Constable Charlie Krouse, Morehead City, who tracked down the thieves, has recovered about \$500 worth of the property.

According to Krouse, the lodge, owned by W. S. Miller and affiliates of Raleigh, was entered Saturday night, Nov. 24. The theft was discovered by the lodge owners Saturday, Dec. 2 and Sheriff C. Gehrmann Holland of Carteret county was notified.

The sheriff delegated Constable Krouse to handle the case and Krouse, with the assistance of Onslow county police officials arrested White, Odom, the juvenile (a teenage boy), and Tallman Saturday, after two weeks of searching this county and Onslow, questioning suspects, and following clues.

Equipment Taken
Taken from the lodge were dishes and silverware for 18 persons, a radio, clothes, skiff, outboard motor, six guns, kitchen equipment, fishing equipment, bedding for 18 persons, tools, and gas lanterns.

Constable Krouse stated yesterday that he expects to recover even more of the property. Most of it was found in the lodgings of the men who were taken in custody, he said.

Judge Orders Hankins to Appear In Higher Court

Buck Hankins, colored fisherman of Southport, has been placed under \$1,000 bond pending his appearance in superior court on the charge of shooting Henry Jackson, cook aboard the Evelyn L. Willis.

Judge Lambert Morris found probable cause in Hankins' case Tuesday in recorder's court. Jackson has recovered from the shotgun wound and was discharged from the hospital this week.

William Junior Fulford, Beaufort, has been placed under \$1,000 bond. Probable cause was found in his case also. Fulford is charged with theft of a 1941 Plymouth. Unable to post bond, Fulford was put in jail.

He was tried on another charge Tuesday, driving after his license was suspended. The judge gave him a two-year sentence on the roads, suspended on condition he remain sober and on good behavior three years and pay a fine of \$200 and costs.

Sentence Suspended
A two-year road sentence for Howard Rhoades was suspended on condition Rhoades remain on good behavior three years and pay a \$25 fine and costs. Rhoades was charged with having stolen groceries in his possession.

Found guilty of taking scallops on a Saturday, a violation of state fisheries regulations, Monroe Willis was given a 60-day suspended sentence. He was ordered to pay court costs and obey the fisheries laws of the state for a period of 12 months or serve the 60-day sentence.

Alfred Franklins Lewis pleaded guilty to driving after his license was revoked. A six-month sentence was suspended on condition he pay \$200 and court costs.

Bond Forfeited
Walter Koonce forfeited bond when he failed to appear to answer to a charge of possessing non tax-paid whiskey. Joe Duff, found guilty of possessing non tax-paid whiskey, paid \$10 and costs. Henry Hodges pleaded guilty to carrying a concealed weapon. He paid \$10 and costs and the gun was confiscated.

Alfred Crooms, involved in an accident Sunday on the Merzimon road, pleaded guilty to reckless driving and paid \$10 plus costs. Benjamin Hankins pleaded guilty to driving with an expired license and also paid \$10 and costs.

Mayor of Morehead City Resigns To Take Seat in State Legislature

Churches Observe Christmas In Worship, Song, Pageant

Churches throughout the county have arranged special services to celebrate the birthday of Christ, Christmas.

The Rev. L. A. Tilley, pastor of the First Methodist church, Morehead City, will begin Sunday a series of sermons based on the stained glass windows of the new sanctuary.

The first sermon topic will be The Nativity. The window depicting the Nativity is a memorial to John J. Royal 1850-1909; Mary F. Royal, 1864-1947; Benjamin F. Royal, jr., 1916-1944. This window was presented to the church by Dr. and Mrs. B. F. Royal, Morehead City.

The series of sermons on the windows will end with The Resurrection on Easter, March 25.

Christmas Party
The annual Sunday school Christmas party of the First Methodist church will be held in the auditorium of the educational building at 5 p.m. Sunday and at 7:30 p.m. the 35-voice choir, under the direction of Miss Ann Arthur, will present a special program. Mrs. Norman Webb will be at the console of the new Baldwin organ.

Peace on Earth will be the topic of the Rev. T. R. Jenkins, pastor of Ann Street Methodist church, Beaufort, at the 11 o'clock morning worship service and there will be Christmas music by the choir. There will be no evening service. An order of service for a family worship on Christmas Eve or Christmas morning will be distributed to each member of the congregation.

Dr. C. S. Maxwell Heads Carteret Medical Society

Dr. C. S. Maxwell, Beaufort physician, was elected president of the Carteret County Medical Society at the meeting Monday night at Morehead City hospital.

Dr. Maxwell succeeds Dr. S. W. Hatcher of Morehead City. Dr. M. B. Moray, Morehead City, was elected secretary-treasurer, succeeding Dr. Maxwell.

Dr. B. F. Royal, Morehead City, was elected a delegate to the North

Representative from Carteret county for the forthcoming session of the General Assembly. I hereby tender my resignation from the office of Mayor of the Town of Morehead City effective midnight Dec. 31, 1950.

It is with mixed emotions that I submit this resignation since I have come to feel that I can be of some little service to the people of the Town of Morehead City, but wonder whether I might be qualified to render similar service to the people of Carteret county in the broader and stranger field of State Government.

Be this as it may, I am grateful to our people for the confidence vested in my ability and will again do my best to serve the interest of all, insofar as it is possible.

Yours very truly,
George W. Dill, Jr.

Carolina Medical society meeting at Pinehurst in May 1951 and Dr. L. W. Moore, Beaufort, was named as alternate.

Dr. Maxwell, who has practiced medicine 54 years, came to Beaufort in 1903. He served as health officer in Carteret county, as well as in Wayne and Greene counties. Dr. Maxwell was instrumental in establishing the Potter Emergency hospital in Beaufort and for a number of years has served the federal government as a medical man.

During this past year the new president of the medical society was chosen Carteret county's "doctor of the year" in recognition of his outstanding service to the people of this area.

Monday night's medical society meeting followed a dinner, with Morehead City hospital acting as host.
