Commissioners Defer Action On Rent Control Contination After March 31

The Beaufort town board has au thorized the fire department to make calls to the homes of 10 volunteer firemen who live beyond the town's corporate limits. action was taken by the board at its monthly meeting Monday night at the town hall.

This relaxation in the town's "no out-of-town calls" order was requested by Charles Harrell, fire

Commissioner Clifford Lewis suggested that the town board ex-tend its thanks to Mayor Lawrence "for getting our streets He referred to the state Hassell highway commission's work on streets which began last

Rent Control

John Perry, jr., director of the rent control office, New Bern, and Carol O. Winter, field representative, appeared before the board to discuss the town's continuing rent control after March 31, 1951. The commissioners deferred action un-til the March meeting.

Perry explained the rent control program, telling the board that if they wished to continue rent control in Beaufort, they merely had See FIRE TRUCKS, Page 7

#### **Beaufort Supplies** Funds for Civil Defense Program

Following a report of the pro-gress of the tivil defense program in Beaufort, the town board in session Monday night at the town hall, authorized expenditure of \$35 to place the air raid siren on top of the water tower and earmarked \$50 for purchase of a special radio receiver to be placed in the fire station.

This radio acceiver is necessary in order to get the signal for alerts on the state frequency, ac-cording to the Smith, civil de-

fense director. He informed the town board that there will be a daytime test alert at 1:30 p.m. Tuesday, Feb. 29. in Beaufort. Smith added that in the near future the federal gov-ernment will conduct test alerts on a nation-wide basis. "In other words," he stated, "150 million people will hit the deck all at

In giving air raid alerts, the defense director explained that E. Z. Jones, state civil defense direc-

The special radio receiver for the fire station will be used to monitor the state frequency. Smith pointed out that volunteers to lis-ten to the broadcasts will be kept at the station from midnight until 6 a.m., the time when the firemen

on duty usually sleep.

Smith requested that the town pay for lights, and heat, if necessary, at the Scout building on Pol-lock street where it is proposed to set up the first aid station and to set up the first aid station and Red Cross training center. He said that it may be necessary to use the building one or two nights a week. The town complied with his

request.

Mayor L. W. Massell commended
Smith for the work he has done in the civil defense program. "I'm satisfied," the mayor remarked, "that this board will go as far as possible to give you what you
