COMMERCIAL FISHERIES REGULATIONS
 The violation of which constitutes a misdemeanor. Published in compliance with Chapter 113, Section 136 of the General Statutes of North Carolina.
 The following regulations were adopted at the January 1951 meeting of the Board of Conservation and Development, the said Board being vested with regulatory powers by Chapter 113, Sections 135 and 136 of the General Statutes of North Carolina:
 1. Regulation No. 16, amended as follows:
 In line eight (8) strike out the word "marketed" and insert in lieu thereof the word "possessed," and in line ten (10) strike out the word "con" and insert in lieu thereof the word "coon."
 2. Regulation No. 109, Section II, amended by adding the following:
 The Commissioner of Commercial Fisheries or his representative shall designate a convenient spot where shells shall be deposited. Any failure to deposit the shells in the spot so designated for that purpose shall constitute justification for revocation of license.
 3. Regulation No. 109, Section V, amended by adding the following:
 Beginning January 1, 1951, the oyster license fees from dredgers and packers shall be collected on the basis of the calendar year as provided by statute.
 4. Regulation No. 109, Section VI, amended to read as follows:
 No power boat may have more than one dredge which shall be of a weight not in excess of one hundred (100) pounds. Each sail boat may have not more than two dredges per boat which may or may not be in excess of a weight of one hundred (100) pounds each.
 5. SPECIAL RULE 1—Commercial Fishing Waters — is amended as follows:
 I. LITTLE RIVER
 That the line be moved from its present location at Nixonton, approximately one-half (1/2) mile upstream, to a line beginning on the south side of Maston Creek, on the east bank of the river, and extending in a westerly direction to a point on the north side of Davis Creek, on the west bank of the river.
 II. SOUTH CREEK
 That the dividing line be moved upstream to a point known as Deephole Point.
 III. TAR RIVER in Pitt County
 That the dividing line be moved from the bridge at Grimesland to the U. S. Highway No. 17 bridge at Washington. A distance of about eight (8) miles.
 IV. SHALLOTTE RIVER in Brunswick County
 That the line be moved upstream to the N. C. Highway No. 130 bridge.
 All other regulations in conflict with the above are revoked.
 Certified to be a true copy.
 George R. Ross, Director
 Department of Conservation and Development.
 Issued in Raleigh, N. C.

 The following regulations were adopted at the January 1951 meeting of the Board of Conservation and Development, the said Board being vested with regulatory powers by Chapter 113, Sections 135 and 136 of the General Statutes of North Carolina:
 1. Regulation No. 16, amended as follows:
 In line eight (8) strike out the word "marketed" and insert in lieu thereof the word "possessed," and in line ten (10) strike out the word "con" and insert in lieu thereof the word "coon."
 2. Regulation No. 109, Section II, amended by adding the following:
 The Commissioner of Commercial Fisheries or his representative shall designate a convenient spot where shells shall be deposited. Any failure to deposit the shells in the spot so designated for that purpose shall constitute justification for revocation of license.
 3. Regulation No. 109, Section V, amended by adding the following:
 Beginning January 1, 1951, the oyster license fees from dredgers and packers shall be collected on the basis of the calendar year as provided by statute.
 4. Regulation No. 109, Section VI, amended to read as follows:
 No power boat may have more than one dredge which shall be of a weight not in excess of one hundred (100) pounds. Each sail boat may have not more than two dredges per boat which may or may not be in excess of a weight of one hundred (100) pounds each.
 5. SPECIAL RULE 1—Commercial Fishing Waters — is amended as follows:
 I. LITTLE RIVER
 That the line be moved from its present location at Nixonton, approximately one-half (1/2) mile upstream, to a line beginning on the south side of Maston Creek, on the east bank of the river, and extending in a westerly direction to a point on the north side of Davis Creek, on the west bank of the river.
 II. SOUTH CREEK
 That the dividing line be moved upstream to a point known as Deephole Point.
 III. TAR RIVER in Pitt County
 That the dividing line be moved from the bridge at Grimesland to the U. S. Highway No. 17 bridge at Washington. A distance of about eight (8) miles.
 IV. SHALLOTTE RIVER in Brunswick County
 That the line be moved upstream to the N. C. Highway No. 130 bridge.
 All other regulations in conflict with the above are revoked.
 Certified to be a true copy.
 George R. Ross, Director
 Department of Conservation and Development.
 Issued in Raleigh, N. C.
 February 26, 1951.
