Morehead City protected its two-game margin over second place Beaufort with two hard earned victories over Newport last weekend, and can now clinch the Carteret League title by taking two out of three games to be played with hapless Marshallberg next Saturday and Sunday.

Morehead came from behind to score a 5-2 win in Saturday's tilt at Newport, but it took a sensational relief job by shortstop Charlie Price to give Morehead a 5-4 decision at Wade Bros. park Sunday. Starting hurler Tom Woody had pitched a no-hitter through the first six innings, but in

the seventh frame he couldn't get anybody out of there except him-self. An error, three singles, two blasted a drive to center that cawalks and a hit batsman gave New-port four runs and left the bases port four runs and left the bases ger, scoring Connor. ## **Beaufort Still** Salter Path Tops At Carteret Flag

Morehead City by Two

Second place Beaufort etained a mathematical chance to catch high flying Morehead last weekend by twice drubbing a motely Marshallberg crew in Carteret County league play.

Beaufort slugged Marshallberg 15-1 at Beaufort Saturday night and then eased off to score a tight 11-1 win at Smyrna on Sunday.

Saturday's game was a travesty as Beaufort scored nine times in the first frame and added five more in the second. Marshallberg's when they sent Wayne Benton up starting pitcher (I use the term with pinch hit in the ninth. Salter great reluctance) was a stumpy lad to pinch hit in the ninth. up in the fourth when Thomas walked Russell with the bases loaded. Dave Smith and Clyde Owens di

Kuhn, who had struck out into a double play to end the fourth inning strode out of the dugout to lead off in the fifth. Ap parently the fact that Butler had been picked off after he had swung and missed a third strike confused Kuhn, but it wasn't exactly a vita issue. At any rate Kuhn walked, becoming the first man in the Car teret League to strike out and walk in one time at bat. He came all the way around on a wild pitch, and an infield out. That was the only time Marshallberg ruffled Smith or Owens, and their only two hits, by Williamson and Coats were cheapies. Marshallberg's Jack Williamson proved that he can really fly on the basepaths on three occasions, once with disastrous effect. In the first he beat out a slow bouncer and did the same thing in the fifth although the umpire called him That fifth inning grounder was hit at the second baseman at a pretty fast clip, yet Williamson beat the throw by a full step. The prize bit of base running, though occurred in the third. Bubba Hil had opened with a walk and had moved to second on an infield out. Williamson then whacked a long drive to center that Graybill caught up with and then dropped. Hill had returned to second, but started out for third as soon as Graybill erred. Williamson was really mov ing and he and Hill arrived at third at the same time. Shortstop Price tagged Williamson for one out and when the contrite Hill came off the bag to apologize to Williamson, Price put the tag on him for the third out. Hill claimed he thought there were three outs, and by the he was through horsing around there definitely were Graybill literally lost one in the
