## Clark

(continued from page one)

fities that Clark was not there at the time but that the woman said he would be back in a few minutes. He came back in a few minutes, and according to Ruby Lee's story, a few words were passed and he drew back his hand to hit her. She reached then for the rifle and Clark told her she "didn't have enough guts" to shoot him.

### Fires Rifle

Canady related that she then said she fired the rifle and hit him in the arm and side.

"She said she spent weekends there with him. She admitted everything . . . and I believe what she told was the truth," the SBI agent concluded.

Ruby Lee was asked by the solicitor if she wanted to ask the SBI agent any questions and she shook her head. The sheriff walked over to the solicitor and after a brief conference, Davis rose and informed Judge Morris that the sheriff felt a suspended sentence should be given the girl.

The judge stated that he had that in mind. While he was writing his decision, Ruby Lee covered her face with her hands, seemingly fighting back tears. After the judge read the sentence, he asked her if she had any way to get back to her home in Greenville. She said no and the sheriff said that he would see that she was sent home.

## Driver

(continued from page one)

Horace Jones to 15 days in jail on a charge of trespassing on Carteret county property and being drunk. Samuel Johnson, for possessing an illegal quantity of tax-paid whiskey for the purpose of sale, paid \$50 and costs. He pleaded guilty.

A suspended sentence was imposed on Charles Debrax, a repeated offender of the whiskey law. He was found guilty of possessing illegal intoxicating liquor and will serve a two-year suspended sentence on the roads plus six months in jail, to run consecutively, on the most recent charge against him.

George A. Baer, charged with failure to support a minor child, requested a jury trial and was bound over to superior court under \$200 bond.

Malicious prosecution was ruled in the case of Clyde Deese, charged with non-support, and the prosecuting witness was ordered to pay half the court costs.

Costs of court were also paid by Twila Ennett Beyer and Ben Ward, each charged with having no operator's license, and Grace Norton and Elwood Earl Jenkins, each charged with speeding.

The state decided not to prosecute at present the cases against Ernest Perry, charged with driving without an operator's license, and James Arthur Holt, charged with driving with an expired chauffeur's license and driving drunk.

Bonds for failure to appear were forfeited by Nathan Carlyle, William James Becton, Lyeurgus Cyrus Dickinson, Raymond Lee Collins, Arthur Freeman, and Earlon Willis.

### Bell Drug Store to Move While Building Goes Up

Following the close of business tomorrow night, Bell's Drug store, Beaufort, will start moving operations to Craven street, just off Front, where it will be located while the new Bell's Drug store is being built on Front street at the present location.

F. R. Bell, owner and manager, who has been in the drug store business in Beaufort since 1919, said that the store on Craven street will be open Monday morning. O. C. Lawrence, contractor, of Bettie, will put up the new building.

## Misery Loves Company

Edmond O'Brien patiently listens to heart-breakers Hillary Brooke and Wanda Hendrix who apparently have an elusive guy named Henry on their minds. However, it looks as if Wanda's affections are wavering in his direction in this scene from Al Rogell's comedy "The Admiral Was a Lady," which bows in at the East Drive-In theatre tomorrow through United Artists release.

## You never tried a fine car like This One

**Y**OU'VE a right to set your sights higher when you buy a fine car.

You can rightly expect more room—more comfort—more performance—and a lordly smoothness in the way it carries you.

So we present these facts:

You'll find, in a ROADMASTER, more usable room than you'll find in any other six-passenger car in America.

You'll find the extra comfort of double-depth Foamtex cushions in ROADMASTER only.

You'll find that the ROADMASTER has a high-compression, valve-in-head power plant that is also exclusively Buick's—a mighty Fireball Engine

endowed with more performance than most owners will ever need.

And you'll find that a ROADMASTER rolls with unsurpassed levelness and poise, thanks to coil springs on all four wheels—which is still another feature found on no other car in the fine-car field.

But the thrill that is yours, when you get this willing beauty out on the open road, is something that can't be summed up in any listing of features, one by one.

It's a "feel" which, we honestly believe, no other car can approach.

It's the sure way this dazzling

performer holds the road—the way it responds to your slightest wish—the quick answer you get when you nudge the throttle—the extra security you feel in the velvet grip of the brakes—the complete freedom from tension you find in Dynaflo Drive—the sense of mastery that makes every mile a joy.

And, confidentially, there's one more important way in which ROADMASTER stands alone, and that is in the modest cost of its pounds and performance.

Better come in soon and check for yourself what a great car and a great buy this one really is.

Equipment, accessories, trim and models are subject to change without notice.
