

Concert Dinner Will Take Place At 7 P.M. Monday

Apollo Boys' Choir Has Been Requested as Feature Of Three-Concert Series

Community Concert membership sales personnel and officials of the Community Concerts association will launch the 1951-52 campaign with a dinner at 7 o'clock Monday night at the Morehead City school cafeteria.

At that time workers will receive their sales kits, including membership cards and booklets describing the concert artists who have been booked for the coming season throughout the United States.

Approximately 100 are expected to attend the dinner which will be served under the auspices of the Morehead City PTA. Mrs. Delfido Cordova is dinner chairman.

Mrs. Charles Hassell, president of the Carteret-Cherry Point Community Concerts association, announced today that the Apollo Boys' choir has been requested as the feature concert of the three-concert series in Beaufort and Morehead City. Concerts booked depend on the amount raised in the campaign.

The Apollo Boys' choir is well-known throughout the United States and has gained added fame every year it has appeared.

Community Concerts headquarters next week will be in the Eastern Rulans office, Front st., Beaufort, and the chamber of commerce office, municipal building, Morehead City. Membership chairman in Beaufort is Mrs. W. L. Woodard, in Morehead City, Mrs. George Dill and Mrs. A. B. Roberts, and in the Havelock-Cherry Point area, Mrs. J. K. Butler, Havelock.

Workers selling 100 memberships will receive a free ticket to the concert. Each will be requested to contact the same persons to whom they sold memberships last year.

A Community Concerts representative from New York will be present during the campaign and will show a film on Community Concerts throughout the county. Appointments for showing the picture have been arranged by J. A. DuBois of Morehead City, as follows: 2:30 Monday, Morehead City school; 6:45 p.m. Tuesday, Beaufort Rotary club; 8 p.m. Tuesday, Beaufort Junior Woman's club; 10:30 a.m. Wednesday, Beaufort school; 9:30 p.m. Thursday, Morehead City Rotary club.

The film will also be shown Monday night at the dinner.

PTA Members Sell Dinner Tickets

Tickets are now on sale for the barbecue dinner which will be served next Friday evening by members of the Beaufort PTA during their afternoon and evening of fun. They may be obtained from PTA members.

The dinner, which will be served from 6 to 8 o'clock in the school cafeteria, will include, besides barbecue, baked beans, slaw, pie and soft drinks. Mrs. Robert Safrit is in charge.

During the dinner, movie cartoons will be shown in the gym for anyone who does not wish to go home between the carnival in the afternoon and the stage show being produced that evening.

Soft drinks, frankfurters and candy apples will be sold during the afternoon activities which will feature games and rides.

In the evening a fashion show, dances, and songs will be produced on the stage with parents taking the leading parts.

Car Upsets Near Stacy; None Hurt

Four men of Atlantic escaped injury at 12:30 a.m. Wednesday when the convertible in which they were riding left highway 70 one mile east of Stacy and turned upside down in the canal at the side of the highway.

Driver of the car was Rutherford H. Gray, and riding with him were Monroe Willis, Joe Mason, and Joe Willis. Damage to the car was estimated by Highway Patrolman H. G. Woolard at \$500.

According to the patrolman, Gray said he was going about 50 miles an hour when his left rear tire blew out, causing the car to swerve off the road to the left. The top of the convertible was up when the accident occurred, but all four managed to walk or wade out of the vehicle. Depth of water in the canal was about three feet.

The patrolman said that no charges would be preferred.

Countians Complete Basic Training

Six Carteret county boys recently completed their Air Force basic training course at Lackland Air Force base, Tex. They are, left to right, top row, Pvt. Otis Jefferson, Jr., son of Mr. and Mrs. Otis Jefferson, 208 Orange st., Beaufort; Pvt. William L. Fulcher, Jr., son of Mr. and Mrs. W. L. Fulcher, 207 N. 6th st., Morehead City; Pvt. James

A. Smith, son of Mr. and Mrs. J. A. Smith, Morehead City. Bottom row, Pvt. Ray M. Willis, son of Mrs. Mattie Willis, 907 1/2 Arendell st., Morehead City; Pvt. Robert A. Hessee, son of Mr. and Mrs. E. A. Hessee, 3105 Arendell st., Morehead City; and Maxton Tosto, son of Mrs. Mary Tosto and the late George Tosto, Merrimon.

Luke Mason Appeals Case

Judge Lambert Morris Recommends Mental Examination for Defendant

Luke Mason, charged with assault with a deadly weapon, being drunk and disturbing the peace, was found guilty in recorder's court Tuesday. Judge Lambert Morris handed down a two-year sentence on the roads with the recommendation that Mason have an examination to determine his mental condition. Should he be adjudged insane, Judge Morris stated that the sentence should run concurrently with any two years spent in a state-supported institution.

Mason gave notice of appeal and was placed under \$500 bond. His bond had not been posted by Wednesday and A. H. James, clerk of court, said procedure had been started to have Mason admitted to a state hospital.

Manson Testifies
Charles Manson, the first state witness to testify, stated that several men were sitting Friday night around Tommy Piner's store at Ann and Live Oak street when Mason came by singing. He passed them and went to the corner, but

Jaycee Ben Phipps Shows Color Film

Colored motion pictures of western Europe were shown at the Monday night Morehead City Jaycee meeting at Captain Bill's cafe.

The films, taken between August 1948 and September 1950, were shot by Jaycee Ben Phipps, who was in charge of the program.

The Jaycees and their guests saw a skiing tournament in Norway which King Haakon VII attended, the beautiful fjords, scenes in Belgium, and some exquisite shots photographed in Switzerland.

Outstanding were the views of the old cathedral in Basel with its unique green and white tiled roof. The edifice is a conglomerate of architectural styles, due to an earthquake which damaged it in the middle ages and the influences precipitated by the reformation, broke with Rome.

Phipps and his wife made the trip by boat and car—a little Italian Fiat which Ben said gave 40 miles to the gallon.

During the business session, Bernard Leary, football committee chairman, urged Jaycees to be at the field not later than 6:30 Friday night.

Jimmy Wallace, president, stated that the Jaycees hope to erect a score board on the field in the near future. Arrangements for it, he said, are being carried out.

Bob Howard announced that a \$1,500 fund raising campaign is underway by Carteret county Boy Scouts and that the Jaycees should contribute to it.

Paul Cordova will have charge of the program at the next meeting, Oct. 8.

Carl Haisell Accepts Appointment to Board

Carl Haisell, 121 Orange st., Beaufort, yesterday accepted appointment to the Beaufort town board, replacing Commissioner J. O. Barbour, Jr., who resigned Monday night.

This is Haisell's first public office. A native of Beaufort, he is owner and manager of Haisell's Electric shop, Live Oak st. Other commissioners on the board are Clifford Lewis, James Rumley, O. T. Munday, and Math Chaplain.

Recreation Board Goes on Record Favoring Gym

The Morehead City Municipal Recreation commission, in session Tuesday night at the municipal building, went on record favoring a new school gymnasium for Morehead City. W. C. Carlton, chairman of the commission, was directed to write a letter to the county board of education, stating that the commission realizes the great need for a gymnasium and placing the recreation officials on record as favoring it.

The chairman of the commission was also authorized to appear, with A. B. Roberts, chairman of the general civic committee for restoration of the old USO, before the town board next month and request that the building be turned over to the recreation board. This will enable joint cooperation of the civic committee and the recreation officials on the proposed building repairs, Carlton explained.

Mrs. A. B. Roberts, secretary-treasurer, was requested to write a letter to Dr. Harold Meyers, Chapel Hill, authority on recreation programs, regarding the advisability of the town's seeking a full-time recreation director. She was also directed to write a letter of appreciation to Charles Hester, director of the past summer's program.

The summer program was carried out this year at a cost of \$2,600, the treasurer reported, and the balance on hand is \$161.

Terms of two members of the commission expire this month. Those members are Carlton and Mrs. Roberts, but persons to replace them have not as yet been named. They will be selected by remaining members of the commission.

Attending Tuesday night's meeting were Bernard Leary, Walter Freeman, Ralph Wade, Dr. D. J. Euse, Mrs. James Allgood, Carlton and Mrs. Roberts. Mrs. Allgood, a member of the county welfare staff, replaces the former welfare superintendent, T. C. McGinnis, who has entered military service.

Falling Limb Breaks Wires, Causes Fire Wednesday

A large limb broke and fell into wires of Tide Water Power co. Wednesday night causing a small fire. The blaze was in the 800 block of Flasher st., Morehead City. The fire department quickly extinguished the burning pole, and Tide Water linemen repaired the wiring.

White Schools Will be Closed Tuesday, Oct. 2

White schools in Carteret county will be closed Tuesday to enable teachers to attend the 29th annual meeting of the northeastern district of the North Carolina Education association at Greenville. Colored schools will be closed Nov. 21 to allow colored faculty members to attend their annual session.

Dr. Logan Wilson, vice-president of the Consolidated University of North Carolina will be the main speaker. His subject will be "The University and the Public Schools—Joint Responsibilities." Sessions will take place at East Carolina college.

More than 1,500 teachers and school officials from 22 counties are expected. General sessions are scheduled for 10 a.m. and 3:45 p.m. with John L. Dupree, superintendent of Bertie county schools and president of the district, presiding. Officers will be elected for 1952-53. The following candidates are unopposed: George S. McRorie, principal, Everetts Elementary school, Everetts; Sam Bundy, principal, Farmville high school, Farmville; vice-president; William H. Wagoner, Washington, secretary.

H. L. Joslyn, county superintendent of schools, expressed the hope that all teachers will attend Tuesday's meeting. He stated that should attendance from Carteret county be exceedingly small, "we will know what to do in the future," meaning that no day will be left open for the district meeting.

The district is composed of the following counties: Beaufort, Bertie, Camden, Carteret, Chowan, Craven, Currituck, Dare, Edgecombe, Gates, Greene, Hertford, Hyde, Lenoir, Martin, Pamlico, Pasquotank, Perquimans, Pitt, Tyrrell, Washington and Wilson.

Mrs. A. B. Roberts, secretary-treasurer, was requested to write a letter to Dr. Harold Meyers, Chapel Hill, authority on recreation programs, regarding the advisability of the town's seeking a full-time recreation director. She was also directed to write a letter of appreciation to Charles Hester, director of the past summer's program.

The summer program was carried out this year at a cost of \$2,600, the treasurer reported, and the balance on hand is \$161.

SBI Aids in Recovery of 1,500 Pounds of Lead Stolen from Base

Beaufort's First Modern Load Packer for Garbage Arrives

Beaufort's first modern garbage load packer arrived Wednesday and was put into experimental operation Wednesday afternoon. The cab of the packer is red and the body yellow, colors found to be readily visible to motorists.

Whether the new packer will be the only garbage collecting vehicle cannot be determined until after several weeks' use. It is likely, however, that the present garbage collecting schedule will be revised and when it is, announcement of the new schedule will be made.

Because of its large capacity, trips to the dump will be lessened, there will be less wear on tires, and because the body is enclosed, paper and other trash will not blow from it, only to be scooped up again, as at present.

Crewmen on the truck will be Theodore Ricks, Allen Conway, and Roscoe Conway.

Cost of the cab was \$2,932.98 while the body, purchased from Baker Equipment and Engineering co., Charlotte, was \$4,157.30. The town is paying for the cab on a finance plan. One thousand dollars for the body was paid on delivery and the remainder will be paid Sept. 15, 1952.

Sale of a Chevrolet truck, used now to collect garbage, will be discussed at a meeting of the town board Monday night at the town hall.

B&PW Club Will Give \$200 to High School Bands

Group Will Attend District Meeting Sunday, Oct. 21, At Goldsboro

The Carteret Business and Professional Women's club will present \$100 to the Beaufort school band and \$100 to the Morehead City school band as the result of the fashion show sponsored Tuesday night, Sept. 18, at the Beaufort school.

Gross proceeds for the affair were \$217.65. The financial report was made at the club meeting Tuesday night by Mrs. Walter Lasker, ticket chairman. The meeting was held at the summer cottage of Miss Lil Morris, Atlantic Beach causeway.

District Meeting

Members of the club will attend the district 7 meeting at Goldsboro Sunday, Oct. 21. Mrs. Grace Ayscue, Morehead City, district director, and a member of the Carteret club, requested that all members attend.

Mrs. Otis Jefferson, Beaufort, was appointed chairman of reservations and transportation. She requested that members wishing to go should make their reservation with her no later than Tuesday, Oct. 16. The \$2.25 charge for dinner is payable to Mrs. Jefferson when the reservation is made.

The meeting will take place at the Hotel Goldsboro and will begin at 12:30 p.m.

Mrs. George Henderson, chairman of the health and safety committee, read a letter from Dr. C. S. Maxwell, president of the Carteret County Medical society, presenting the society's attitude relative to a cancer control program.

The letter, which was sent to Dr. J. W. R. Norton, state health officer, with copies to Miss Ruth Peeling, president of the B&PW club, Dr. S. W. Hatcher, secretary of the medical society, and Dr. N. T. Ennett, health officer, follows:

Sept. 24, 1951.

Dear Dr. Norton:
At the last meeting of the Carteret County Medical Society, September 10, I was, as President of the Society, requested to confer

Five Dairy Calves Compete in Show

Five Carteret county calves are entered in the Wilmington Junior Dairy Calf show today. Showing them are Leo Watson, Stella; Cecil Gillikin, Bettie; Henry Eubanks, Beaufort; and Billy Simmons, Newport. Watson will show Mark Eubanks' calf because Mark is in the armed forces.

Mark's father, Manley, is with the group, however, as are Mr. and Mrs. Ivey Eubanks, Henry's parents; R. M. Williams and James Allgood, farm agents, and Guy Gillikin, Cecil's father, who drove the truckful of calves. Gardner Gillikin, Cecil's uncle, loaned his truck for the cause.

The dairy calf show is sponsored annually by the Wilmington chamber of commerce. Following a banquet last night for the boys, their parents, and farm agents, the animals were paraded before spectators. This morning a dairy cattle specialist will speak on the good quality points of dairy cattle and his talk will be followed by the judging.

Prior to entering the calves in the show, Dr. C. E. Paden, veterinarian, gave the animals blood tests free of charge. Allgood, assistant farm agent, stated that Dr. Paden's services saved the boys about \$60.

Junior Woman's Club Will Collect Scrap Sunday

The Beaufort Junior Woman's club will collect old papers and cardboard in Beaufort Sunday afternoon beginning at 1 p.m. Homeowners should have the scrap banded and placed on the curb by 1 o'clock.

Proceeds from sale of the scrap will go into the club treasury for use in Junior Woman's club projects.

Two Countians Involved

With the aid of the State Bureau of Investigation 1,500 pounds of lead stolen from Cherry Point Marine Air base have been recovered, and two Carteret county men involved in the theft were found guilty in recorder's court Tuesday.

Frank Moore, Newport, pleaded guilty to being involved in the case and was sentenced to one year in jail, not to be served providing he remain on good behavior for five years and pay a \$100 fine and costs within 60 days.

James O'Connor, Morehead City, pleaded guilty to aiding and abetting in larceny of the lead and was given the same sentence as Moore.

George Canady, SBI agent, testified that Vernon Mann will be indicted in federal court for stealing the lead from the government. Sheriff C. G. Holland added yesterday that others involved in the case will be tried under federal indictment.

Moore and O'Connor aided in disposing of the stolen lead, and a major part of it was sold in this county. The SBI agent testified that Moore and Mann made a deal to get rid of the metal, Moore sold some to Willie Gray's junk yard for \$48 and gave Mann part of the money.

O'Connor, according to Canady, was taken to Newport by another person and there they went to the edge of a woods alongside a road. O'Connor was informed that the lead had merely been "found" and he was asked to sell some of it. So O'Connor sold \$20 worth to Willie Gray also. Willie Gray's junk yard is located west of Morehead City.

Moore had paid his fine, but Sheriff Holland reported yesterday that O'Connor was still in the county jail.

O'Connor also was charged in court Tuesday with assaulting his wife, but his wife withdrew the charge and paid court costs.

Health Office Prepares Poison To Fight Rodents

The Carteret county health department has launched another offensive against rats. "Warfarin," rat poison, has been prepared by the department as a public health service, and is being sold for 50 cents per package.

Poisonous to humans and animals, the rat bait contains, "Warfarin," corn meal, and mineral oil. An instruction sheet which accompanies each package directs the user of the bait to place about two tablespoonsful in locations frequented by rats and mice.

For example, bait should be placed about every six feet along rat "runways" along walls, rafters and where rats and mice are believed to have been feeding.

The bait should be replaced as it is consumed and baiting should be continued until complete lack of feeding is noted, this is expected to be from five to 15 days. Rats are likely not to touch poison if they are not hungry, therefore garbage and other food should not be accessible to them.

Where a continuous source of infestation prevails, as from nearby sheds, dumps, or fields, permanent bait stations should be used and bait replenished as often as necessary. The bait should be protected from all persons, especially children, and from dogs, cats, poultry, and livestock by means of boxes or cages where necessary.

Persons wishing to purchase the bait should call at the health department office, second floor of the court house annex, Beaufort.

Mrs. John A. Ward Will Install Auxiliary Officers

Mrs. John A. Ward, past department president of the American Legion auxiliary, will install auxiliary officers at the barbecue dinner and dance tonight at the Legion hut, west of Morehead City. The dinner will be served at 7 p.m.

J. A. DuBois, commander of post No. 46, announced today that State Senator John Larkins will be present, as well as Henry Edwards, district commander, Alonzo Thomas, district vice-commander, and C. L. Beam, county veterans' service officer.

Legionnaires, veterans and their families are invited. The post is continuing its campaign for new members.

Teen-Agers Will Be Tried Next Month in Court

Judge Morris Remands Two To Juvenile Court; Sets Bonds on Others at \$100

J. D. Arnold, Earl Joyner, Levy Lilly, and Will Gillikin will be tried in the October term of superior court on charges of breaking and entering Roy Garner's store and entering Roy Garner's store and Ira Garner's service station in Newport. After hearing evidence in recorder's court Tuesday Judge Lambert Morris found probable cause and placed each boy under \$100 bond.

Two boys, one involved in the break-ins and another, charged with receiving stolen goods from Lilly and paying for them, have been ordered to appear before the juvenile court judge, A. H. James, because they are under 16 years of age.

The state decided not to prosecute another case charging Sam Prescott, Arnold, and Lilly with breaking and entering. The state alleged that the boys, aided by Prescott, entered the grocery store operated by Fred Carson. Carson stated in court, however, that nothing was missing from his store, in spite of the fact that Arnold said he and the other boys had taken goods out of the store.

The case against L. E. Gillikin, father of Will Gillikin, charged with receiving stolen goods from Earl Joyner, was dismissed.

Roy Garner testified that his store had been entered four times. In addition to theft of cigars, cigarettes, candy, etc., he said he lost a lot of other things that he wasn't able to itemize.

Arnold, 17 years old, testified that the boys entered Garner's place of business through the back where the doors were not hooked. He told the court that they started their series of robberies about three weeks before school started, taking chewing gum, cigars, cigarettes, air rifle shot, shells and rifles. He said some of the boys hid their loot.

Deputy Sheriff Marshall Ayscue presented as evidence a large amount of the goods that had been recovered. Arrests were made the week of Sept. 10, after Ormsby Mann of Newport, came upon some of the boys in his barn where they were eating sausages and crackers they had stolen.

Joyner, 16 years old, testified that the boys went into Garner's store three times and that he sold L. E. Gillikin gun shells. He asked \$3 for them and said Gillikin gave him \$1. He hadn't added that he told Gillikin where he had gotten the shells.

Lilly and Will Gillikin did not testify. Tom Temple, who operates Garner's service station, was in court, but was not called on to testify.

Water Will Be Cut Off Again

George Stovall, manager of Tide Water Power co., announced today that the water in Beaufort will be cut off at midnight tonight, as it was at midnight Tuesday, in order to replace bad valves.

Shutting off of the water during sleeping hours will probably continue at intervals until cold weather, Stovall said, because it will require extensive work to effect all of the necessary repairs.

Valves haven't been replaced since the system was installed and although the necessary materials are difficult to obtain, Stovall said it absolutely has to be done before there is a complete shutdown on materials.

He recommended that people run some water into kettles or pans prior to tonight's cut off, for use in case of emergency. The water which was shut off at midnight Tuesday was on again by 3 a.m. Wednesday.

The Rev. Winfrey Davis Speaks to Rotary Club

The Rev. Winfrey Davis, pastor of Beaufort's First Baptist church, eulogized the deeds of Sir Walter Raleigh at the Beaufort Rotary meeting Tuesday evening.

The Rotarians entertained the Rotary-Ann's (their wives) and several guests at Harkers lodge on Harkers Island. The guests were Dale Browder, Mr. and Mrs. John Evans, and Miss Barbara Downum.
