

Sea Dogs Trounce Morehead City 21-0, Friday

Shortstop Eddie Lake of the San Francisco Seals and formerly of the Detroit Tigers established a home run record for the Seals stadium. He had hit 18 homers there with one week of the season remaining.

The Beaufort Sea Dogs defeated their Morehead City visitors Friday night, 21-0. In Beaufort, the citizens went mad with hilarity and delight; the Mullet bucket had been retrieved at long last!

In Morehead City, there was wailing and gnashing of teeth.

Considerate Crowd
Wiley Taylor, Beaufort Jaycee, said the crowd showed excellent sportsmanship and that he had never seen a more considerate audience.

Beaufort Jaycees estimated the attendance at 3,500. Every seat at the Beaufort ball park was taken, numerous persons sat on the sidelines, and there were close to 400 spectators standing.

The game started at 8 p.m. with the Sea Dogs kicking to Morehead City. The visitors took the ball on their own 31 and ran it for a first down to their 42.

Ballou Fumbles
There John Ballou, right halfback, pushed through the Beaufort line to his 44. He fumbled, however, and Beaufort fans went wild as they saw the Sea Dogs recover.

Getting hold of the ball for the first time, Beaufort started on a touchdown push. Team Captain John Lynch, fullback, ran the ball to Morehead's 40. Johnny Olund, tailback, gained 3 yards, and on the next play Lynch made a first down on the visitors' 33.

Coming out of the huddle, Lewis Woodard, wingback, ran back to the 48-yard line and let go with a long pass that B. G. O'Neal, right end, caught on Morehead's 21.

Eudy Scores
With the next call, Billy Eudy, tailback, zipped around right end and over the goal. O'Neal's kick hit the mark, giving Beaufort a 7-0 lead.

Morehead's Ballou ran back Lynch's kick to his own 36, but as both teams were off sides the play was called back. On the second try, Strug Steed, halfback, carried the ball from his 20 to the 36. Morehead's first running attempt got nowhere. On the second down, Ballou slammed through center for 4 yards. Morehead, however, lost the gain because of a 15-yard penalty for holding. That put the ball back on the visitors' 21.

Morehead Kicks
Mack Willis, quarterback, tried an unsuccessful pass, thus Steed kicked back to Beaufort.

The Sea Dogs, with the ball on their own 20, were stopped cold on their first play. A pass by Lynch was knocked down by Kemp Wickizer, Morehead tackle, so Lynch kicked back to Morehead City.

Throughout the remainder of the first half the ball see-sawed back and forth. Near the end of the second quarter, however, Beaufort started rolling again.

Sea Dogs Take Ball
The Sea Dogs took the ball on Morehead's 47. O'Neal missed a long pass by Lynch, making it third down on the visitors' 36. Then Olund dashed around right end to the 30 for a first down. Eudy followed by advancing the pigskin to Morehead's 25.

Beaufort, however, got a 15-yard penalty for holding, pushing them back to the visitors' 40. On the next play Jimmie Parkin, left halfback, won back 9 yards, then Lynch pushed on to Morehead's 21, for another first down. Eudy swung around left end to the 8 when the half was sounded.

The third quarter opened with Pierson Willis, center, running back Morehead's kick 6 yards to the visitors' 49. Beaufort then got smacked for another 15-yard penalty for holding, making it first and 25. In the next tussle Eudy found himself smothered 10 yards behind the scrimmage line by David Guthrie, guard, and Kemp Wickizer. That made it second and 35. Coming out of the huddle for the third try, Parkin inched only 5 yards, so Beaufort kicked back to Morehead.

Conner Runs Ball
Jerry Conner, freshman halfback, took the ball on Morehead's first play, but got stopped at the scrimmage. See SEA DOGS, Page 6

Queen Street Home Coming Game is Saturday

The coming Saturday will be homecoming at the Queen Street High school. Coach S. H. Barrow said that the Black Knights will be meeting Jacksonville.

The school is planning an interesting half-time show with the band marching and maneuvering on the field.

"Jacksonville has lost only one game this season," said Barrow, "so Saturday night's game should be quite a thriller."

Coaching from the Sidelines

Pittsburgh. — (AP) — Thanks to his friends, Ralph Zahniser, veteran coach of the nearby Carrick high school football team, is coaching from the sidelines.

Zahniser suffered a heart attack last fall and was hospitalized several weeks. Medics advised Zahniser that too much running on the practice field would be harmful.

The Carrick High School Boosters whipped that problem. They bought a public address system and Zahniser now takes a place on the sidelines daily. As his team goes through its practice sessions, the veteran coach keeps a close watch. He gives instructions over the PA system.

Albert Spalding was the first big league pitcher to hurl a one-hitter. That feat occurred June 21, 1871.

Backhand, Forehand Chops

(This is the third of a series of six lessons on table tennis technique as described by Sharon Koehnke, 1951 National Junior Miss champion.)

By Sharon Koehnke
Written for the Associated Press

Let's assume you have practiced the half volley stroke I described in the previous lesson. Now you're ready to get into something more exciting. You'll yearn to start hitting the ball. But be patient. You must first learn the defensive strokes next, so that you will be able to play with the better players and give them some competition.

We'll start with the forehand chop. Remember to watch your footwork, too. You should be facing to the right, if you are right-handed and with your left shoulder to the table, so that you can stroke the ball at the top of the bounce.

The forehand chop is the most used defensive stroke. (See photo illustration.) The paddle should start at about shoulder height with the blade tilted backwards.

The ball is hit with a forward and downward motion. With practice you can return the hardest drives, so that they will gracefully glide over the net.

On the backhand chop, you must watch your feet. They must point to the left, if you are a right-hand-

ed player. Your right shoulder should be to the table. This is just opposite of the forehand chop. Start your paddle a little lower than your shoulder and stroke it down and forward, always catching the ball at the top of the bounce. (See illustration.)

The Queen Street Black Knights downed Edenton 36-2 Saturday night in the Beaufort ball park. A crowd of 300 to 400 watched Coach S. H. Barrow's team race at will through the line of the much lighter visitors.

It was one of those games where Edenton could do no good and Queen Street no bad. Everytime the Black Knights kicked to the visitors the fellow catching the ball was downed on the spot. Edenton, thus, played most of the game deep in her own territory.

Could Not Hold Ball
The visitors threw numerous passes; some went wild, some connected, but most were incomplete because the player could not keep hold of the ball.

Within early minutes of the first quarter, Queen Street pushed close to Edenton's goal line. A few plays later Eddie Jones, right halfback, went over for the first score. The conversion kick failed.

The second score came on the heels of the first, when the Black Knights pushed the visitors behind the goal for a safety. That made the score 8-0.

Edenton then kicked to Queen

Street with Jordan, sophomore quarterback, running the ball from Edenton's 40 to their 30. Bernie Jones, left halfback, tried going through center on the following play, but got no farther than the scrimmage line.

The judges then penalized Edenton 5 yards for off sides, moving the ball down to the visitors' 25. Three plays later the Black Knights scored again with Jordan carrying the ball. The kick hit the mark, so the score stood 15-0.

In the second quarter, Coach Barrow's boys tallied again, with Bernie Jones running five yards around tackle to pay dirt. The extra-point punt went between the goal posts, so the score jumped to 22-0.

Edenton's safety occurred at the start of the fourth quarter. The Black Knights had been penalized 15 yards for unnecessary roughness, after Bernie Jones had intercepted an Edenton pass on his own 16. This pushed the ball back to the 1-yard line. Came the next play, Edenton caught Queen Street well behind the scrimmage line. Score: 22-2.

The next touchdown took place in the last 8 minutes of the game. Queen Street intercepted a pass on the visitors' 20. Jordan then ran the ball to the 9, followed with an unsuccessful pass, then carried the ball to the 2-yard line.

On the following snapback, Jordan went over for the six-pointer. The kick was good, making the score after the kick 29-2.

Minutes later William White, end, raced through the visitors' line for the final touchdown. The conversion clicked, so the final score was 36-2.

Eddie Jones made one touchdown, Bernie Jones another, Jordan two, and White one.

Coach Barrow said he was very pleased with the performance of the entire team.

At the half the Queen Street band, under the direction of A. Thurmond, did not march, but during the game it played many numbers and aided the crowd in their spontaneous yells.

The game lasted two and a half hours because each team called numerous time-outs.

Statistics for the game are only partially available. The Queen Street team gained 300 yards rushing and 26 in passing. The team lost 5 yards in penalties, threw 8 passes and completed 5. The Black Knights made 15 first downs to the opponents' 6.

Now TRY THIS For CHILD'S COUGH

For coughs and bronchitis due to colds you can now get Creomulsion specially prepared for Children in a new pink and blue package and be sure:

- (1) Your child will like it.
- (2) It contains only safe, proven ingredients.
- (3) It contains no narcotics to disturb nature's processes.
- (4) It will aid nature to soothe and heal raw, tender, inflamed throat and bronchial membranes, thus relieving the cough and promoting rest and sleep. Ask for Creomulsion for Children in the pink and blue package.
