Paper Company Offers Seedlings

may receive free a maximum of 5,000 pine tree seedlings, James Allgood, assistant county farm agent, announced today. The Inter national Paper company, George-town, S. C., is offering 500,000 seedlings free of charge to this and 38 other counties from which it draws pulpwood.

The offer is made to encourage private landowners to plant idle land and heavily cut-over woodland to pine trees. Allgood stated that there are no strings attached

Farmers may have their choice of loblolly, longleaf, shortleaf, slash pine or a combination of these by applying at the county farm agent's office where applications are available. Landowners meeting of the Junior Chamb tions are available.

is exhausted. Last year's offer of them a new district. 300,000 seedlings was placed within six weeks' time, so the number offered this year has been increased to 500,000

County Education Board To Sell School Properties

The Cedar Island and Otway school properties will be auctioned off Monday, Dec. 3, at the court house. They will be sold for cash to the highest bidder at noon, according to an announcement from the county board of education to

day.

Sale of the property was authorized because Cedar Island pupils are now going to Atlantic and the Otway school has been consolidated with Smyrna.

Bids on the property may be raised within 10 days of the sale date. They are also subject to approval by the county board of education.

Newport Town Board Meets

With Confractor Monday Th Newport town board met special session at the town hall Monday night to confer with W. C. Flowers, Beaufort contractor, in regard to building plans and water requirements in the veterans' hous-

requirements in the veterans hous-ing project.

Attending the meeting were Mayor G, A. Gould, jr., Commis-sioners Ormsby Mann, S. E. Mann, Edgar Hibbs, Edith Lockey, clerk, and Flowers.

Robert Albert Wzorek, Cherry Point Marines arrested Oct. 21 on breaking, entering and larceny charges, waived hearing and re-quested jury trial in recorder's court Tuesday. They were bound over by Judge Lambert Morris to superior court on \$200 bond for each of eight counts.

On a ninth charge brought only against Swanke for carrying con Morehead City Businessmen

New Hearing Date In Morehead, Beaufort

Tide Water Will Appear Before Commission Dec. 11 Instead of Nov. 13

The State Utilities commission as granted Tide Water Power co. until 10 a.m. Dec. 11 to show cause why its rates should not be re-duced. The hearing was originally scheduled for Nov. 13, but upon re-quest of the power company the hearing was postponed. The new date was set by the utilities comnission Monday.

Tide Water Power co. attorneys. J. Poisson' of Wilmington and Frank Taylor of Goldsboro requested a 60-day postponement but this

vas not granted.
Attorney General Harry McMullan, Assistant Attorney General John Hill Paylor and Jesse Jones, Kinston attorney, took part in Mon-day's conference. McMullan entered the case at re-

Approval on Loans quest of Governor Scott. Paylor is assigned to the utilities commission. Jones was retained by a com-mittee of citizens in Southeastern North Carolina to present their views on Tide Water rates and ment has been given by the North Carolina insuring office of the Fedservice.

Tide Water needed the additional time in order to complete an evaluation of its property. They said an engineering firm now is mak-ing a study on which the appraisal would be based.

The "closing" of the loans, which was completed Tuesday, paves the way for construction on the three projects to begin immediately. The McMullan and Jones said they felt the case should not be delayed more than absolutely imperative total estimated cost of the projects is \$9,600,000. They will provide a and admitted that they, too, could use more time in preparing 'heir total of 1.421 new family dwelling

McMullan suggested that any rate reduction the commission The FHA is insuring the loans under provisions of the Wherry might find necessary should be made retroactive. In this way, he explained, the public would not be penalized by possible legal delays

The units may be occupied by military personnel or civilians employed at the base. The housing projects are expected to help solve acute used in the area. Two of them will be on government property leased to the project sponsors

"Our experience," he said, "has been that practically all moonshine' whiskey is made under most unsanitary conditions and by people who have no particular scruples as to the harm their product may cause."

Peterson urged all law-abiding who had the key.

For a while Mr. Adler envisioned died, will be left blind or otherwise incapacitated and will eventu-

noon when the Atlantic and East Carolina Diesel engine struck their car at 30th street, Morehead City. Driver of the car was Buck New some, Morehead City police officer. With him were his wife, her sister, Mrs. Robert Russell, and in the back seat his 4-year-old son, Jimmy. They were headed south on 30th st.

Officer Newsome believes that the only thing that saved them from severe injury or death was the fact that he leaped the car across the tracks. Sees Train

Four persons miraculously es-caped injury at 2:15 Monday after-

"When I noticed the train," he related, "it was about 15 feet away and all I could think of was get ting that car off the tracks. I let the clutch fly out and gave her the gas, and she leaped across like a kicking mule.

The Diesel engine, pulling about 15 freight cars, was entering town and caught the Newsome car, a 1949 Ford, by the right rear bumper and threw it clear. Damage to the car was estimated at \$404.38

Mrs. Russell's head hit the wind shield and the glass was broken but she sustained only a bump. Of-ficer Newsome drove his car away from the scene of the accident.

Engineer Stops

The train stopped four engine children was discussed and Floyd lengths away from the place where Chadwick, jr., suggested that Boy it struck the car, Newsome estilengths away from the place where mated. He said the engineer told him that he was going about 15

The officer said that an autotrain accident almost occurred at the same crossing within the past week. He added that the train doesn't usually start whistle at crossings until it reaches

X-Ray Unit Will **Be Here Four Days**

Dr. N. Thomas Ennett, health officer, announced today that the X-ray trailer will be in the county four days, beginning Tuesday, Nov. 27. This will not be a mass-X-ray program, the health officer explained. Large size films will be used and persons X-rayed limited to the following types of patients: patients referred by physicians, persons exposed to tuberculosis in the home, persons who at some time have had tuberculosis, and others who have symptoms of tu-

berculosis. The trailer will be in Morehead City on Arendell st. near the City theatre, Nov. 27 and 28. The trailer will be in Beaufort Nov. 29 and 30 in front of the Joe House Drug store. The hours for X-ray will be

announced later. Peterson, acting district supervisor of the Alcohol Tax unit, declared that "the only assurance that drink."

This free service is sponsored by the State Division of Tuberculosis Control, Dr. Wm. A. Smith,

director, and by the county health department. cians in order to facilitate the Xray work and to develop the films on the afternoon of the day they

Two-Car Collision Causes Damage

Property damage totaling \$800 resulted from a two-car collision Sunday night at 11:15 at the intersection of highway 70 and the sec-tion base road, west of Morehead

City. Douglas F. Gilmore, Cherry Point, driver of one of the cars, received a bump on the head, otherwise no one was injured. According to W. E. Pickard, highway patrolman, Bernice Edward Haynes, a student at Morehead City Technical institute, stopped on highway 70, waiting to make a left turn.

While waiting, Gilmore came up behind him, failed to stop, hit Haynes' car and knocked it 40 feet westward on the highway, then Gilmore swerved over to the left. Damage to Haynes' car, a convertible, was estimated at \$200 and to

Gilmore was convicted in recorder's court Tuesday on the charge of following too closely, causing an accident. He paid \$10 and costs

Against adding 5¢ per ton to the price of feed and fertilizer for a period of three years for supplementing an expanding agricultural research and educational program in North Carolina. To Attend Course

A. D. Fulford, county sanitarian will attend a short course, "Milk Processing and Sanitation," at State college, Raleigh, beginning Monday, Nov. 5 and continuing through Nov. 16.
