

Education Board Accepts Smyrna School Addition

Boychoir Will Appear Following Holiday Weekend

Concerts Will be Given Also In Five Surrounding Cities

The Apollo Boychoir will present the first Community concert of the season in Beaufort school auditorium the Monday following Thanksgiving, Nov. 26, at 8:15 p.m.

The second concert is scheduled for Feb. 15, 8:15 p.m. in the Morehead City school auditorium; the third is for March 11, same time and place.

At the second concert the cello-piano duo, The Graudans, will appear, while Mac Morgan, baritone, will present the final program.

The Community concert series at New Bern is scheduled for the Community building, 8:30 p.m. "Appearing are Louis Royce, tenor, Nov. 12; Mary Van Kirk, contralto, Feb. 4; and Mennah Pressler, pianist, March 17.

At Kinston the concerts will be held in Grainger high school, 8:15 p.m. Herman Godes, pianist, will play Nov. 6, Roy and Gomez, dancers, will appear Jan. 22, and Nadine Connor, soprano, March 31.

Goldsboro concerts will take place in the high school, 8:15 p.m. The four artists scheduled are Joseph Battista, pianist, Oct. 25, Men of Son, quartet, Dec. 5, Slavenska's ballet, Jan. 16, and Mac Morgan, March 28.

Three Community concerts will take place in Wilson high school 8:30 p.m. They are Mildred Dilling, harpist, Nov. 6, Whitmore and Lowe, piano duo, March 1, and Eleanor Sieber, soprano, March 17.

Washington, N. C., concert series will be presented in the high school, 8 p.m., as follows: Nov. 19, Feltschik brothers, piano duo; Feb. 20, David Lloyd, tenor; and March 2, Edna Phillips, soprano.

J. B. Styron Wins Watch at Raleigh

J. B. Styron of Stacy, son of Mr. and Mrs. John G. Styron, won a gold watch at the State 4-H Club Electric congress at Raleigh this week.

The presentation of the watch was made by W. W. Bell, president of Tide Water Power co., one of the sponsors of the congress. Styron's expenses in making the trip to Raleigh were also paid.

A senior at Atlantic school, young Styron, who is 16, finished 10 electrical projects in 4-H better methods work. They are as follows: installation of an electric motor for lathe, spliced electric cable to workshop, repair of iron and ironing cord, repair of vacuum cleaner, charged battery, wired boat and installed electrical equipment, replaced burned out bulbs, replaced motor on water pump, and built small electric motor.

His 4-H projects for four years were as follows. 1948, produced 100 bushels of corn on two acres, valued \$200; 1949, garden, \$25 value; 1950, sale of sheep and wool, \$155; 1951, sale of 30 bushels of Irish potatoes, \$60, and electric project, valued at \$150.

J. B. was president of the 4-H club last year, he sings in the church choir, assisted in the TB drive in Stacy last year, and is president of the senior class at Atlantic.

J. B. has given demonstrations on his home-made electric motor, showed others how to charge a battery, taught club members how to splice a cable, and also gave a demonstration on how to repair an electric iron.

He was accompanied to Raleigh by James Allgood, assistant county farm agent.

Two Cars Tangle Tuesday At Beaufort Intersection

Two cars tangled Tuesday at 6 p.m. at the intersection of highway 70 and the Lennoxville road. No one was hurt and no charges were preferred.

One car, driven by Donald Gray Fulcher, Highland Park, was headed south on highway 70 and the other, driven by John Alexander Morrison, jr., Morehead City, was headed north. Both were stopped at the stop light and Fulcher said he signaled to turn left after the light turned green.

Morrison said he didn't see the signal and the two met in the middle of the intersection. Damage to Morrison's car was estimated at \$100 and to Fulcher's \$6. Officers Maxwell Wade and Clyde Piner investigated. They said rain impaired visibility.

Newport Clerk to Collect Taxes at Town Hall

For four Saturdays, beginning tomorrow, Nov. 10, Newport town taxes will be collected at the town hall from 1 to 4 p.m. The town clerk, Miss Edith Lockey, will be at the town hall during those hours and persons wishing to pay their taxes may do so at that time.

Heretofore, taxes have been collected at the W. H. Bell residence and Miss Lockey will continue to accept payments there during the week. The clerk will collect taxes at the town hall each Saturday afternoon through Dec. 1.

Annual Meeting of REA Will Take Place Dec. 1

The annual meeting of members of the Carteret-Craven Electric Membership corporation will be held Saturday, Dec. 1, it was announced today by L. W. Pelletier, president. He expects a record turnout for the meeting which will be held this year at Morehead City high school.

Electrical appliances will be shown in the gymnasium of the high school beginning at 10 o'clock. Dealers from Morehead City, Beaufort, Havelock, Maysville, New Bern and Goldsboro will display the latest appliances for residential and farm use. A free barbecue lunch and cold drinks will be served at noon for members and invited guests who have registered by 10:30.

The business meeting will take place in the school auditorium after lunch. Sound Appliance company is offering a Frigidair range and Hamilton Furniture company an ABC washing machine as the feature door prizes.

President Pelletier said that an even greater number than attended last year is expected at this annual meeting. The Carteret Recreation center has been used in the past few years as the site of the meeting but attendance growth has made it necessary to secure a larger meeting place, he said.

At the annual meeting the members of the rural electric cooperative elect nine directors to carry out the business operations of the company during the succeeding twelve-month period. The past year has seen the cooperative add about 500 new members as consumers on the 342 miles of line owned and a great increase in the use of electric power on the farm, Pelletier said. Each member has one vote only, even though he may have several points of electric service, he pointed out.

Ocracoke Boys Hear About 4-H

R. M. Williams, Carteret county farm agent, spoke on the organization of the 4-H club and its value to a farming community Tuesday morning to Ocracoke school boys.

Williams went to the island Monday, and was one of four extension service speakers who are spending part or all of this week demonstrating modern techniques in agriculture and home economics.

The other lecturers are Mrs. Jewel Fessenden and Miss Rita Duboise from the Agriculture and Home Economics department of North Carolina State college, and Miss Alma Lee Cathey, Hyde county home demonstration agent.

C. S. Mintz, eastern district county agent, requested Williams to fill in for Bell Pruden, Hyde county farm agent, who was called away on business.

Monday evening Williams spoke and showed slides on poultry and gardening care to the Ocracoke Parent-Teachers association. At that meeting and in talks the next day with island families he distributed thousands of young strawberry plants. He returned to Beaufort Wednesday afternoon.

Mrs. Fessenden, Miss Duboise, and Miss Cathey spent the week lecturing and giving demonstrations on family feeding, diet, nutrition, and related subjects.

Mintz, who was scheduled to take part in the week's extension work, could not attend.

Council Meets

The Better Farming for Better Living council met Wednesday night at the farm agent's office, Beaufort, to grade booklets in the Better Farming for Better Living contest.

Newport Board Enlarges Town, Ups Chief's Pay

Blinker Lights Will be Installed to Warn Speeders; Streets Discussed

Newport town commissioners, in regular session Tuesday night at the town hall, formally made the veterans' housing project a part of the town of Newport, raised the police chief's salary to \$200 a month, and directed that taxes be collected at the town hall, on an experimental basis, for four Saturdays beginning tomorrow.

The town board enlarged municipal boundaries by formal resolution after being informed by the town attorney, George Ball, that all legal requirements for taking in new territory had been met. The veterans' housing project is located on the Nine-foot road.

With the raise in the salary of Charles Garner, police chief, from \$150 a month to \$200, the commissioners requested that the chief cite illegal parkers in town, be stricter with drunks, and devote Saturday and Sunday to police work only. Chief Garner also serves as supervisor of streets and garbage collection.

Warning Signals

The board decided to have blinkers installed at each end of town on highway 70 to warn motorists that they are approaching a town and should reduce speed. They also approved placement of four more street lights on the Mill Creek road, plus installation of a red blinker light on the curve where the Morehead City fire truck wrecked last summer.

Mayor C. A. Gould, jr., said that Tide Water Power co. informed him they could not put one light where the town requested it because it was 2,000 feet from where the last light was and the maximum distance between lights, allowed by the power company, is 400 feet.

The commissioners suggested that the mayor contact the power company and request placement of four street lights with the blinker taking the place of the fifth.

The board discussed street repair

JCs Report Many Contest Entries

The number of pupils entering the Jaycee-sponsored "I Speak for Democracy" contest has been excellent, Lesta Willis and Dan Walker, co-chairmen of the contest, announced today. Contestants' talks are being judged in the respective schools and names of the winners at each school will be given the co-chairmen by noon Monday.

All schools having sophomore, junior and senior classes are participating, with the exception of Newport, where it was reported that there were too many conflicting projects to allow participation, Walker stated.

Winners at the individual schools will compete for the county prize, a \$25 savings bond, and a transcript of the county winner's talk will be sent to Chapel Hill. There judges will compare it with other county winners' speeches and the state winner will enter national competition.

The "I Speak for Democracy" contest is a national Jaycee project.

Morehead City Soldier Reports On Life in Trieste Free State

By Frank R. Weaver, Jr.

The majority of the people living in the Free Territory of Trieste are quite satisfied with American and British occupation forces there and do not want them to leave, remarks Pfc. William D. Lynch, of Morehead City, back from 37 months' duty in that Adriatic city state.

"Only the communists," asserted Lynch, "want to get the occupation forces out."

Lynch, 20, whose home is 407 Bridges st., spent from Oct. 7, 1948 to Oct. 10, 1951 in Trieste, a member of the 351st Infantry regiment of the 89th division.

Trieste is under the jurisdiction of the United Nations Security council and is divided into three zones, one British, one American and the other Yugoslavian. Each holds 5,000 occupation troops in its zone. The Yugoslavian sector of the Free Territory, however, does not include any portion of the city itself, but holds only land contiguous with the Yugoslavian border.

"We never see the Yugoslavian

Three Hurt in Car-Train Crashes

Federal, Town Offices, Banks to Close Monday

Federal offices, banks, and municipal offices will close Monday in observance of Armistice Day. Liquor stores and other places of business will remain open.

At the Morehead City post office the general delivery window will be open from noon until 1 p.m. and mail will be put in the boxes at both postoffices, Morehead City and Beaufort, as usual.

Court house offices will remain open Monday. Although Armistice Day falls on Sunday, the custom of banks and federal offices is to observe the day following.

Six Men Will Leave Thursday For Induction

Six Carteret county men will leave Thursday for induction at Fort Bragg, Fayetteville, Mrs. Ruby D. Holland, clerk of selective service board 16, Carteret county, announced today.

They are John L. Tunnell, Morehead City; Milton G. Loughton, Beaufort; Garland Guthrie, Harkers Island; Ralph C. Russell, Newport; Ralph Gillikin, route 1, Beaufort; and William B. Harris, route 1, Newport.

Mrs. Holland stated that no men from this county will be sent for induction in December.

Fifteen registrants left for Fayetteville Wednesday for pre-induction physical examination.

The selective service office will be closed Monday, in observance of Armistice day.

Board Accepts Defense Chief's Resignation

The resignation of Gene Smith, chairman of Beaufort's civil defense committee was accepted by the town board when commissioners met Monday night at the town hall. Commissioners O. T. Mundy and Carl Hatsell were appointed to contact Grayden Paul, deputy director of civil defense, and ask him to assume the position of director.

Smith resigned because other duties prevented his continuing in that capacity, he said.

The town clerk, Dan Walker, was delegated to obtain a maintenance man for parking meters. This action was taken following the reading of a letter from Walter Hughes of the Karpak corp., wherein Hughes suggested that a regular maintenance man be found. Hughes also said that 100 coin boxes have been painted with salt water resistant paint and are being shipped to Beaufort.

The Hatsell Electric co. was authorized to maintain stop lights and other electrical fixtures on town property at a cost of \$100 a year. Commissioners reiterated their stipulation that garbage containers no larger than 30-gallon capacity shall be used by homeowners. Clyde Peterson, street superintendent, reported that garbage is being collected on north-south streets on Mondays and Thursdays and on east-west streets Tuesdays and Fridays.

The board authorized Tide Water Power co. to install hydrants in the new town area as soon as proposed sites are approved by the state fire marshal and the chief engineer of the North Carolina Insurance Rating Bureau.

Fire Chief Charles Harrell reported that the Cherry Point station fire marshal asked him why Beaufort didn't answer a call to the home near Core Creek which burned Sunday. Chief Harrell said he told the Cherry Point fireman that Beaufort trucks were not permitted to go beyond the town limits. The mayor, L. W. Hassell, and the board told the chief that the ruling still stands.

The board, for about the fourth time, said that the Chevrolet truck should be sold, and approved the See BEAUFORT BOARD, Page 6

Board Draws 33 For Jury Service

Thirty-three men were drawn for jury service for the December term of superior court which will open Dec. 3 and continue for one week. Only civil cases will be heard. The presiding judge will be Q. K. Nimocks, Fayetteville.

The following were selected by the county board Monday: Beaufort: Connie Lawrence, G. M. Sabiston, Harry Gillikin, Ivey Arthur, Charlie N. Bennett, Sterling Arthur, and Harry Willis.

Morehead City: C. T. Whitehead, Mark Davis, Otis Purifoy, and Eugene Roelofs.

Harkers Island: Isaiah Scott, Dan Yeomans, Willis B. Guthrie, Jasper Wade, and Jimmie Fulford.

Newport: W. L. Lockey, C. H. Gray, Jeff J. Garner, Murray McCain, E. L. Tolson, S. M. Hill, M. H. Garner, Elmer I. Garner, and J. R. Garner.

Glocester: H. P. Chadwick; Atlantic: Nolie Fulcher, and Melvin Morris; Sea Level, Preston Williamson, and William Lloyd.

Merrimon, W. L. Cannon; Marshallberg, Van B. Willis, and Davis, H. H. Davis.

Fishing Edition Will Appear Tuesday

Recognizing the importance of commercial fishing in Carteret county and the adjacent coastal areas, THE NEWS-TIMES Tuesday will again publish its annual fishing edition.

The tabloid section of Tuesday's edition will be packed with pictures and stories of Harkers Island, Ocracoke, Beaufort, Morehead City — to mention just a few. Don't miss Tuesday's edition of THE NEWS-TIMES!

Collisions Occur Tuesday On A&EC, B&M Lines

Three persons were injured Tuesday in two auto-train collisions. One occurred on the Masontown road west of Morehead City at 4 p.m. and the other in Beaufort at 5 p.m.

The injured are Dalton I. Lee, jr., 9 W. Central dr., Havelock, Miss Dorothy Estelle Hopkins, 33 S. Craven dr., Havelock, and Mrs. Don Martin, Beaufort RFD.

Lee, who is in the Army, has been transferred from Morehead City hospital to the hospital at Camp Lejeune, Miss Hopkins was discharged from Morehead City hospital Wednesday, and Mrs. Martin, suffering from severe bruises and shock, is still confined to Morehead City hospital.

The accident on the Masontown road happened two-tenths of a mile from highway 70. Lee was proceeding toward the main highway when he collided with the Atlantic and East Carolina freight train which was headed toward New Bern.

Didn't See Train

Patrolman W. E. Pickard who investigated said that Lee reported he did not see the train until too late. He slammed on the brakes but too late to avoid the crash.

Lee, 21, suffered back and leg injuries. Miss Hopkins, 18, who was with him, sustained a cut on the head and bruises.

The car, a 1951 model, was demolished. A witness, a woman who lives nearby, said that the train and the car were going at an average rate of speed and that the train blew its horn before reaching the crossing.

Mrs. Martin's car, proceeding south on Live Oak st., Beaufort, was hit by the Beaufort and Morehead railroad engine No. 4 which was headed east. It was raining and Mrs. Martin told Police Chief Carlton Garner that she didn't hear the train whistle or bell.

Swerves to Left

When she saw the train, she said she realized she was going to hit it, and swerved to the left on Broad st. The car, a 1951 model, connected with the left front of the engine.

Norwood Gaskill, Beaufort, the flagman, had just jumped off the train to go home when he said he saw the car approaching the crossing at approximately 40 miles an hour. He told police that he said to himself, "My god, something's going to happen!" and then the crash occurred.

Gaskill notified the police, phoned for an ambulance for Mrs. Martin and notified A. T. Leary, his employer, of the accident. Mrs. Martin, who was alone in the car, was moved from the car to Fred Norris's front porch. She is suffering from severe bruises and shock. X-rays were taken yesterday to determine whether there were internal injuries.

Merrimon Tutor, Beaufort, engineer, said he was going at a slow rate of speed and James McClain, colored fireman, reported that he was ringing the bell. Damage to Mrs. Martin's car was estimated at \$550.

Board Draws 33 For Jury Service

Thirty-three men were drawn for jury service for the December term of superior court which will open Dec. 3 and continue for one week. Only civil cases will be heard. The presiding judge will be Q. K. Nimocks, Fayetteville.

The following were selected by the county board Monday: Beaufort: Connie Lawrence, G. M. Sabiston, Harry Gillikin, Ivey Arthur, Charlie N. Bennett, Sterling Arthur, and Harry Willis.

Morehead City: C. T. Whitehead, Mark Davis, Otis Purifoy, and Eugene Roelofs.

Harkers Island: Isaiah Scott, Dan Yeomans, Willis B. Guthrie, Jasper Wade, and Jimmie Fulford.

Newport: W. L. Lockey, C. H. Gray, Jeff J. Garner, Murray McCain, E. L. Tolson, S. M. Hill, M. H. Garner, Elmer I. Garner, and J. R. Garner.

Glocester: H. P. Chadwick; Atlantic: Nolie Fulcher, and Melvin Morris; Sea Level, Preston Williamson, and William Lloyd.

Merrimon, W. L. Cannon; Marshallberg, Van B. Willis, and Davis, H. H. Davis.

Beaufort School Will Observe Education Week

Beaufort graded school will observe American Education week, Nov. 12-16 by putting on class plays in each room and making posters, T. G. Leary, principal, announced.

Highlight of the week's program, said Leary, will be Wednesday morning when the chapel period will be devoted entirely to the portraying of the history, values, and advantages of the American education system.

Funds Trickle In Slowly in Fight Against Power Co.

Response to request for funds to finance the fight for lower power rates has been slow, officials of the Tide Water Protestants association reported today.

Some money has been received, however, and it has been requested that others planning contributions should mail them to the association, in care of the Beaufort chamber of commerce, immediately.

The Protestants' association is supporting the state public utilities commission in its effort to have Tide Water Power company lower its rates. Power company officials have been directed to appear before the utilities commission in Raleigh Dec. 11 and show cause why rates should not be lowered.

Jesse Jones, Kinston lawyer, to appear on behalf of Protestors

Letters were mailed two weeks ago to private power users in this area. The consumers were asked to contribute to the amount of one month's light bill to finance efforts to obtain lower rates. The letter also asked that the recipient circulate the letter among his neighbors, obtain their names as party to the action and ask them for contributions.

Seven East Carolina towns served by Tide Water Power company comprise the Protestants' association.

Judge Finds Probable Cause In Johnson Case

Man Charged with Entering Bound over to Superior Court under \$1,000 Bond

Judge L. R. Morris found probable cause in recorder's court Tuesday against George Johnson, charged with breaking and entering with intent to commit a felony. The judge bound Johnson over to Superior court under \$1,000 bond.

Officers Maxwell Wade and Clyde Piner arrested Johnson at 8:30 p.m. Sunday after Mr. and Mrs. John Dudley, 210 Pollock st., Beaufort, came home and found Johnson asleep in their living room.

Jack Harrell pleaded guilty to public drunkenness and indecent exposure. The court suspended a sentence of 60 days in jail upon payment of \$10 and court costs within 30 days.

Judge Morris ruled malicious prosecution in the cases against Ransome Jones and Richard Barrett with the prosecuting witnesses paying costs. Jones was charged with selling nontax-paid whiskey and assault with a deadly weapon. Barrett's charges were assault with a knife, trespassing, drunk, and disorderly.

The court found Horace Jones guilty of public drunkenness. Judgment of 30 days in jail was suspended provided Jones pay court costs within 30 days.

Earl Chapman pleaded guilty to operating a vehicle for hire without a chauffeur's license. Judge Morris suspended a sentence of 60 days in jail on payment of costs within 30 days.

E. G. Dixon pleaded guilty to passing a bad check amounting to \$18.65 and had to pay court costs and make good the check.

Thomas Orvin Edwards, charged with speeding 70 mph in a 55 mph zone, pleaded guilty to driving on the wrong side of the street. He paid \$10 plus costs.

John Allen Littlejohn pleaded guilty to speeding and paid \$10 plus costs.

Lester Hancock pleaded guilty to following too close behind a car. Judgment was suspended on payment of costs.

Vernon Boyd, charged with assault on female and disturbing the peace, pleaded guilty on the first count and got a suspended sentence of six months on the roads provided he remain on good behavior for three years.

Garland R. Smith pleaded guilty to charges of driving without an operator's license and careless and See COURT, Page 6

Marines Observe Bomb Test, Cheat Death in Plane en Route

Cherry Point—A group of Cherry Point Marines has returned from Camp Desert Rock, Nev., where they served as Marine Corps observers at the combined atom bomb detonation and troop maneuvers just completed there.

The Leathernecks were treated to the awe-inspiring detonation of a typical nuclear air burst followed by a simulated attack into the area by a battalion of the 11th Airborne Division, U. S. Army.

Immediately after the detonation, eager Marines were themselves transported close to the point over which the bomb exploded and toured the zone on foot, noting the destructive effects of the weapon at various distances from the point of detonation.

Personnel chosen to witness the spectacle represented a cross section of officers and men from various activities at the air station here.

Among these were several Marine instructors from the Cherry Point Radiological Defense school which has been teaching defense against atomic weapons.

Five Cherry Point Marines flying to Camp Desert Rock had an experience en route that almost made the detonation of the bomb anti-climatic.

The "Fortunate Five," as they have been dubbed, along with 17 Parris Island men, were flying in an RD4 through bad weather high over the mountains of Nevada.

Explosion Rocks Plane

Suddenly a heavy explosion rocked the plane, followed by a brilliant flash that extended from the right engine nacelle to the cockpit. A "fire-ball" streaked through the interior from stem to stern and a shower of broken plastic rained down on the occupants from shattered ceiling lights.

The startled Marines snapped on their parachutes at the command of the pilot, Capt. A. O. Schmagel, who immediately announced that the cause of the explosion was unknown and who briefed the passengers on the approximate location in case a bail-out was necessary.

The situation was tense but or- See MARINES, Page 6

Mercury Drops, Heavy Rain Falls

The mercury dropped to within 6 degrees of freezing early yesterday morning, but temperatures also took a nose-dive Sunday and the same low, 38 degrees, was registered then, reported Stamey Davis, weather observer, yesterday.

From 1:30 p.m. Tuesday until 9:30 a.m. Wednesday 3.55 inches of rain poured down, accompanied by thunder and lightning. Since the first of the month just a fraction less than 5 inches of rain has fallen in the county. The official record is 4.99 inches.

Four one hundredths of an inch fell last Thursday, Nov. 1, and 1.40 inch the following day.

Temperatures were as follows:

	Max.	Min.
Thursday (Nov. 1)	77	70
Friday	72	57
Saturday	72	42
Sunday	60	38
Monday	64	42
Tuesday	61	42
Wednesday	71	59

The temperatures are read at 5:30 p.m. daily and maximum and minimum readings for yesterday had not been recorded by press time.
