Baptist Evangelism Meeting To Take Place at New Bern

March of Dimes Collection Nears \$4,000 Mark

It looked yesterday afternoon as though the March of Dimes in Carteret county was going to pass the \$4,000 mark. Although the county goal has been \$7,500 for the past several years, a collection of \$4,000 will top last year's returns, according to Mrs. C. L. Beam, March of Dimes treasurer.

Received in 1951 was \$3,857.31 and received in 1950 was \$4,760.65. Reports have not yet been received nor money turned in, from several communities in the western part of the county. No money at all has been received to date from Atlantic and Newport, and other sources are yet to be heard from, according to Mrs. Roma Noe, March of Dimes chairman.

Actual figures yesterday afternoon on the amount collected was \$3,929.37. Boy Scout troop No. 75, Harkers Island, turned in \$30.23, in addition to the other Harkers Island collection of over \$100. Contributions from Stacy amounted to \$20.28. Many of the families there contributed through the Atlantic school. Morehead City Boys Hi-Y sent a contribution of \$5.

An unofficial figure on Beaufort

New Bern, Feb. 5.—The statewide conference on evangelism, sponsored by the Baptist State convention, will be held here Feb. 11-13 in the new Shrine auditorium. The conference is expected to attract 1,500 Baptist pastors and laymen from every section of the state.

The conference will open Monday night with greetings and welcome extended by the host pastor, the Rev. Charles E. Parker, pastor of the First Baptist church here. The program will continue through noon Wednesday with the closing sermon by Dr. Leo Green, member of the faculty at Southeastern Baptist Theological seminary at Wake Forest.

A feature of the program will be Laymen's Night on Tuesday, Feb. 12. Grover H. Jones of High Point, president of the Baptist State convention and an outstanding layman, will open the program, followed by Dr. I. G. Greer of Chapel Hill who will use as his subject, "The Layman's Part in Evangelizing the World."

Dr. Green will bring the closing message. Horace Eason of Shelby, state director of the Baptist Brotherhood, will preside. The conference will be under the direction of Dr. J. C. Canipe of

Hendersonville, secretary of evangelism of the Baptist State convention. Outstanding out-of-state speakers will include Dr. Powell Lee and Dr. C. B. Jackson of Dallas, Texas, who are connected with the Department of Evangelism of the Southern Baptist convention.

North Carolina personalities on the program include Dr. R. C. Campbell, Shelby; Dr. J. Clyde Turner, Raleigh, formerly of Greensboro; Dr. J. Winston Pearce of Durham; the Rev. Harlan Harris, Shelby; Dr. Walter F. Sanders, Wilmington; the Rev. John Lawrence, Clifftside; the Rev. Charles Howard, Buies Creek; the Rev. Wendell G. Davis, Statesville; the Rev. Will Bennett, Apex; and Marse Grant, Baptist orphanage.

Special music will be presented by the Kennedy home quartet, Campbell college choir and choir of the host church. Horace Eason will be conference music director assisted by Q. L. Fry on Layman's night.

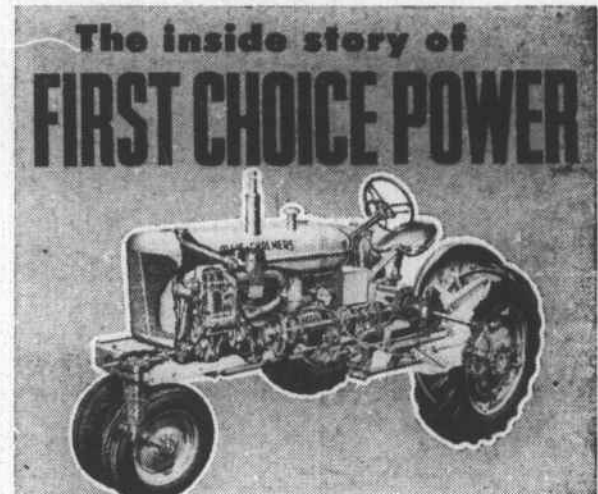

Baptist Minister Presents Program at Lions Meeting

"Burdens — Real and Imaginary" was the topic of a 15-minute program presented to the Lions club Thursday night by Dr. John H. Bunn, pastor of the First Baptist church, Morehead City.

President Oscar Allred announced during the business session that five new gum ball machines have been placed in Morehead City at Morehead City Drug store, Irene's Gift shop, Waterfront cafe, White's Dairy and Styron's Clothing store.

At Thursday's meeting the deputy district governor, Jake Strother of Kinston, will deliver the message and afterwards there will be a zone meeting of Lion members from New Bern, Bayboro, Jacksonville and Morehead City.

Guests at the Thursday meeting were Joe Smith and "Doc" Warren.

HOUSE OF THE MONTH

Study the living room of this house first. It is unusual. To begin with it is 24' 10" long, exclusive of the roomy vestibule and coat closet. There are wide areas of unbroken wall surface to facilitate the attractive placement of furniture.

Unlike so many living rooms that boast both fireplace and picture window, it is not necessary to turn your back on one of these features to enjoy the other. They are on adjoining walls so that they may be enjoyed simultaneously.

The rest of the house, consisting of two oversized bedrooms, bath, separate dining room, kitchen and attached garage, is comfortably to scale and skillfully arranged. There are six big closets, room for a work bench in the garage and the service entrance provides convenient passage from house to garage. The working drawings provide for a full basement.

Careful detail gives the exterior a rare distinction.

One ride and You'll say:

"That's the Smartest Million Dollars BUICK Ever Spent"

WHEN we tell you that every 1952 Buick rides like a million dollars, we're not just slinging slang—we're talking real money—right-on-the-barrelhead cash.

A million dollars and more were poured into research and testing—design and tools—engineering, production and components—to team up the combination of ride features you'll find on a Buick—and on no other car in the world.

A million dollars and more was the price paid to work out control of end-sway and side-roll on curves—to double-check vertical "throw" with shock absorbers and big soft-acting coil springs for all four wheels—to V-brace the torque-tube keel and X-brace the frame—to cushion body and engine—and to silk out the whole operation with Dynaflo Drive.*

You may not care how the job was done, or what it cost. But we'll lay you this: You're going to say "thanks a million" to Buick engineers once you get this spirited smoothie under your hands and haunches.

Old familiar roads take on a new smoothness. Gone are the weave and wander, the jitter and jounce that you've felt in lesser cars. You ride with road-hugging assurance and level ease.

All of which only begins to tell you what really great cars these 1952 Buicks turned out to be.

Never before have style and stamina—comfort and character—power, performance and price been brought together with such satisfying skill.

The obvious thing for you to do is come in and look them over. How about taking half an hour off to do that—today?

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other series.
